Mar-20-2007-358

BE IT RESOLVED BY THE JEFFERSON COUNTY COMMISSION that the President be, and hereby is, authorized to execute
Amendment No. 1 to the Agreement for Engineering and Construction Management for Overbrook Road Replacement Sewers between
Jefferson County and Civil Systems, Inc., This amendment provides for additional scope of items pertaining to The Highlands
Subdivision Pump Stations and Force Mains Upgrade. There are no additional funds required.

AMENDMENT NO. 1
TO THE AGREEMENT FOR
ENGINEERING AND CONSTRUCTION MANAGEMENT
FOR
OVERBROOK ROAD REPLACEMENT SEWERS

This document shall AMEND the scope of the original AGREEMENT between Jefferson County, Alabama (COUNTY) and Civil
Systems, Inc. (CONSULTANT) and identified as the Engineering and Construction Management for Overbrook Road Replacement
Sewers dated June 21, 2005 under the provisions of Article IV, Section 1, Changes of Work.

W I T N E S S E T H

WHEREAS, the original AGREEMENT was to perform the following during construction of the project defined as the
Overbrook Road Replacement Sewers: (1) Meet with the County’s on-site inspector once per week to determine if the work is proceeding
in accordance with the Contract Documents. Full time on-site observations of the work in progress will be provided by the County, (2)
Review Contractor construction scheduling, progress schedules, and payment requests, (3) Review and approve engineering submittals
and shop drawings and report status to the COUNTY, (4) Attend conferences and meetings with the Contractor and the County, (5)
Prepare construction drawings and specifications, using COUNTY survey notes, when design changes are warranted during construction,
(6) Consider and evaluate Contractor’s suggestions for construction modifications and make recommendations to the COUNTY for
approval, (7) Prepare Change Orders and Field Directives, when warranted during construction, and forward to the COUNTY for
execution, (8) Report to the COUNTY when clarifications and interpretations of Contract Documents are requested by the Contractor or
the COUNTY’s on-site inspector. Make recommendations to the COUNTY for approval and issuance of clarifications and interpretations.
(9) Perform periodic inspections and final inspection with COUNTY personnel, (10) perform project closeout, (11)
Prepare and submit to the COUNTY As-Constructed mylar record drawings of the completed project utilizing survey field notes provided by the CONSULTANT; and

WHEREAS, the CONSULTANT has determined that upon completion of the aforementioned Scope of Services, there will remain funds sufficient to perform the scope of work defined below during construction of the project defined as The Highlands Subdivision Pump Stations and Force Mains Upgrade for which the CONSULTANT performed the engineering design and preparation of the drawings and specifications; and

WHEREAS, the CONSULTANT and the COUNTY each recognize the benefits of completing additional work with no increased cost to the COUNTY above the COST CEILING of the original AGREEMENT; and

WHEREAS, the completion of the additional Scope of Services will require an extension of the contract time.

NOW, THEREFORE, for and in consideration of the mutual covenants hereinafter stipulated to be kept and performed, it is agreed between the parties as follows:

ARTICLE I - SCOPE OF WORK

Amend this section as follows:

CONSULTANT will perform the following during construction of the project defined as The Highlands Subdivision Pump Stations and Force Mains Upgrade:

(1) Review and approve engineering submittals and shop drawings
(2) Assist during construction staking to include providing a list of coordinates for control points, manholes, points along the force main, and TBMs. Actual construction staking will be performed by the COUNTY.
(3) Prepare and submit to the COUNTY As-Constructed mylar record drawings of the completed project utilizing survey field notes provided by the COUNTY and Contractor.

ARTICLE II - TIME OF BEGINNING AND COMPLETION

Amend this section as follows:

CONSULTANT agrees to complete the additional Scope of Services identified in this AMENDMENT within forty-five (45) days after receiving the as-built survey notes and markups from the COUNTY.

ARTICLE III - PAYMENT

Amend this section as follows:

CONSULTANT agrees to complete the additional work within the COST CEILING established in the original AGREEMENT, and will not bill the COUNTY in excess of said COST CEILING.

COUNTY will pay CONSULTANT for the additional Services as follows:

- direct labor at the rates set forth in Attachment 1;
- sub-consultant costs at CONSULTANT cost;
- other direct costs at consultant cost; and
- PROFESSIONAL FEE of 12 percent of the costs described above.

ARTICLE III

IN WITNESS WHEREOF, the Parties have hereunto affixed their signatures, Civil Systems, Inc. on the day of  , 2006, and the COUNTY on the day of  , 2006.

THIS AGREEMENT is entered into this the ________ day of ____________________, 20______, by and between the
Alabama Department of Transportation acting by and through its Transportation Director hereinafter referred to as the STATE

and___________ a Utility hereinafter referred to as the APPLICANT.

W I T N E S S E T H

WHEREAS, the APPLICANT desires to have its facilities accommodated on public highway right-of-way in
____________________ Jefferson_____________________ County, Alabama, said project or maintenance section being designated as
___________________________________________, and consisting approximately of the following: approximately 33000 linear feet of
8, 10 and 12 inch diameter, Class 52 ductile iron sanitary sewer pipe in U.S. Highway 31 ROW near the City of Kimberly; and

WHEREAS, the State hereby grants to the APPLICANT approval to cross or locate its facilities on the public right-of-way at the
location and in the manner hereinafter set forth:

NOW, THEREFORE, it is agreed by and between the parties hereto as follows:

1. The APPLICANT will install its facilities on public right-of-way in accordance with plans and specifications of the
APPLICANT as approved by the STATE which plans and specifications are hereby made a part hereof by reference.

2. In the installation of facilities and performing work under this agreement, the APPLICANT will conform to the provisions
of the latest edition of the Alabama Department of Transportation Utility Manual, which manual is of record in the Department of
Transportation and is hereby a part hereof by reference.

3. The national Manual on Uniform Traffic Control Devices, latest edition, is hereby made a part hereof by reference and
will be conformed to as the provisions thereof are applicable to such work. Such Manual is of record in the Alabama Department of
Transportation at the execution of this Agreement.

by reference and will be conformed to by the APPLICANT as the provisions thereof are applicable hereto.

The APPLICANT will conform to the regulations of the Environmental Protection Agency (EPA) and of the Alabama
Department of Environmental Management (ADEM), latest edition, for both installation and maintenance of such facilities.

5. If hazardous materials, wastes, substances, or as otherwise defined by Code of Alabama § 6-5-332.1 (a)(2) (1993 Repl.
Vol.) are encountered in the execution of this Agreement it will be the responsibility of the APPLICANT to notify the proper agency
responsible for said hazardous materials and to comply with any and all environmental regulations as established by the Environmental
Protection Agency (EPA), Alabama Department of Environmental Management (ADEM), and of the Occupational Safety and Health
Administration (OSHA) in the proper disposition of the hazardous materials encountered.

6. The APPLICANT will file with the STATE an acceptable certified check or bond in the penal amount of
$______10,000_________ to guarantee the faithful performance of this permit contract in its entirety. Upon satisfactory completion
and acceptance of all work provided for in this permit contract, the check or bond, as applicable, will be returned to the APPLICANT;
otherwise, the proceeds from the check, or any amount received by the STATE as a result of the bond, will be applied to complete and
fulfill the permit contract terms.

7. To the fullest extent permitted by law, the APPLICANT shall defend, indemnify, and hold harmless the State of Alabama,
the Alabama Department of Transportation, and its agents, servants, employees and/or facilities from and against claims, damages, losses
and expenses, including but not limited to attorneys fees, arising out of or resulting from performance of the work, provided that such
claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible
property (other than the work itself) including loss of use resulting therefrom, but only to the extent caused in whole or in part by
negligent acts or omissions of the APPLICANT, anyone directly or indirectly employed by the APPLICANT or anyone for whose acts
APPLICANT may be liable.
The term hold harmless includes the obligation of the APPLICANT to pay damages awarded against and legally recoverable from the State of Alabama, or the Alabama Department of Transportation, or its officers, agents, servants, and/or employees in both individual and official capacities whose acts or omissions that were the basis of the liability were performed within the course and scope of their employment.

8. Reimbursement for future relocations of the APPLICANTS facilities will be in accordance with State law in effect at the time such relocations are made.

9. The APPLICANT will be obligated for the payment of damages occasioned to private property, public utilities or the general public, caused by the legal liability (in accordance with Alabama and/or Federal law) of the APPLICANT, its agents, servants, employees or facilities.

10. The STATE in executing this Agreement does not in any way assume the responsibility for the maintenance of the facilities of the APPLICANT, nor the responsibility for any damage caused to the facilities regardless of the cause.

11. The APPLICANT will have a copy of this Agreement on the project site at all times while said work is being performed.

12. Nothing contained in this Permit Agreement, nor the issuance or receipt thereof, shall be construed to alter or affect the title of the STATE to the public right-of-way nor to increase, decrease or modify in any way the rights of the APPLICANT provided by law with respect to the construction, operation or maintenance of its facilities on the public right-of-way.

13. The installation of the facilities and related work covered by this Agreement shall be completed within one year from the date shown on this Agreement, otherwise this Agreement becomes null and void. Once work is begun the APPLICANT shall pursue the work continuously and diligently until completion.

14. The APPLICANT will perform or cause to be performed the work applied for in this permit contract and will restore the highway and all right-of-way in the work area in as good condition as the same was prior to the work and will maintain the accomplished work and highway work area in a condition satisfactory to the Alabama Department of Transportation for a period of one year from acceptance by the Department of the completion of work applied for by APPLICANT.

15. The APPLICANT must provide a copy of the Notice of Registration (NOR) Received issued by ADEM upon receipt of the applicant's Notice of Registration. This will assure compliance with Phase II of stormwater construction requirements. In the event a NOR is not required, APPLICANT must submit to ALDOT a Best Management Practices (BMP) plan to control sediment run-off.

16. In the event that ALDOT is issued a citation or any other enforcement document by ADEM/EPA of failure to comply with applicable requirements, it shall be the responsibility of the APPLICANT to bring all BMP's into compliance and to pay for any fines, assessments, etc. that may be issued to ALDOT by ADEM/EPA.

17. The APPLICANT stipulates that the specific use of these facilities located upon public right-of-way is SANITARY SEWERS. APPLICANT further stipulates that should this specific use change at any time in the future that the APPLICANT will notify the STATE immediately of the change.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their respective officers, officials and persons thereunto duly authorized, to be effective on the day and year first above stated.

Such Manual is of record in the Alabama Department of Transportation at the execution of this Agreement.

4. The Clean Water Act, 1987 and the Alabama Nonpoint Source Management Program, 1989 are hereby made a part hereof by reference and will be conformed to by the APPLICANT as the provisions thereof are applicable hereto.

The APPLICANT will conform to the regulations of the Environmental Protection Agency (EPA) and of the Alabama Department of Environmental Management (ADEM), latest edition, for both installation and maintenance of such facilities.

5. If hazardous materials, wastes, substances, or as otherwise defined by Code of Alabama § 6-5-332.1 (a)(2) (1993 Repl. Vol.) are encountered in the execution of this Agreement it will be the responsibility of the APPLICANT to notify the proper agency responsible for said hazardous materials and to comply with any and all environmental regulations as established by the Environmental Protection Agency (EPA), Alabama Department of Environmental Management (ADEM), and of the Occupational Safety and Health Administration (OSHA) in the proper disposition of the hazardous materials encountered.

6. The APPLICANT will file with the STATE an acceptable certified check or bond in the penal amount of $____10,000__________ to guarantee the faithful performance of this permit contract in its entirety. Upon satisfactory completion and acceptance of all work provided for in this permit contract, the check or bond, as applicable, will be returned to the APPLICANT; otherwise, the proceeds from the check, or any amount received by the STATE as a result of the bond, will be applied to complete and fulfill the permit contract terms.

7. To the fullest extent permitted by law, the APPLICANT shall defend, indemnify, and hold harmless the State of Alabama, the Alabama Department of Transportation, and its agents, servants, employees and/or facilities from and against claims, damages, losses and expenses, including but not limited to attorneys fees, arising out of or resulting from performance of the work, provided that such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property (other than the work itself) including loss of use resulting therefrom, but only to the extent caused in whole or in part by negligent acts or omissions of the APPLICANT, anyone directly or indirectly employed by the APPLICANT or anyone for whose acts APPLICANT may be liable.

The term hold harmless includes the obligation of the APPLICANT to pay damages awarded against and legally recoverable from the State of Alabama, or the Alabama Department of Transportation, or its officers, agents, servants, and/or employees in both
individual and official capacities whose acts or omissions that were the basis of the liability were performed within the course and scope of their employment.

8. Reimbursement for future relocations of the APPLICANTS facilities will be in accordance with State law in effect at the time such relocations are made.

9. The APPLICANT will be obligated for the payment of damages occasioned to private property, public utilities or the general public, caused by the legal liability (in accordance with Alabama and/or Federal law) of the APPLICANT, its agents, servants, employees or facilities.

10. The STATE in executing this Agreement does not in any way assume the responsibility for the maintenance of the facilities of the APPLICANT, nor the responsibility for any damage caused to the facilities regardless of the cause.

11. The APPLICANT will have a copy of this Agreement on the project site at all times while said work is being performed.

12. Nothing contained in this Permit Agreement, nor the issuance or receipt thereof, shall be construed to alter or affect the title of the STATE to the public right-of-way nor to increase, decrease or modify in any way the rights of the APPLICANT provided by law with respect to the construction, operation or maintenance of its facilities on the public right-of-way.

13. The installation of the facilities and related work covered by this Agreement shall be completed within one year from the date shown on this Agreement, otherwise this Agreement becomes null and void. Once work is begun the APPLICANT shall pursue the work continuously and diligently until completion.

14. The APPLICANT will perform or cause to be performed the work applied for in this permit contract and will restore the highway and all right-of-way in the work area in as good condition as the same was prior to the work and will maintain the accomplished work and highway work area in a condition satisfactory to the Alabama Department of Transportation for a period of one year from acceptance by the Department of the completion of work applied for by APPLICANT.

15. The APPLICANT must provide a copy of the Notice of Registration (NOR) Received issued by ADEM upon receipt of the applicant’s Notice of Registration. This will assure compliance with Phase II of stormwater construction requirements. In the event a NOR is not required, APPLICANT must submit to ALDOT a Best Management Practices (BMP) plan to control sediment run-off.

16. In the event that ALDOT is issued a citation or any other enforcement document by ADEM/EPA of failure to comply with applicable requirements, it shall be the responsibility of the APPLICANT to bring all BMPs into compliance and to pay for any fines, assessments, etc. that may be issued to ALDOT by ADEM/EPA.

17. The APPLICANT stipulates that the specific use of these facilities located upon public right-of-way is _______________. APPLICANT further stipulates that should this specific use change at any time in the future that the APPLICANT will notify the STATE immediately of the change.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their respective officers, officials and persons thereby duly authorized, to be effective on the day and year first above stated.

AGREEMENT

This Agreement entered into this ______ day of ________, 20__ by and between Jefferson County, Alabama (hereinafter referred to as Jefferson County) and Pankey Properties-Pinson Self Storage (hereinafter referred to as Owner).

WHEREAS, Owner proposes to install certain sanitary sewer facilities crossing perpendicular to Alabama Highway 79 near the intersection with Old Bradford Road; and

WHEREAS, the State will not authorize Owner to perform such installation but will authorize Jefferson County to install the same; and

WHEREAS, Owner has requested Jefferson County to enter into an Agreement with the State providing for Jefferson County to perform such installation upon the stipulation, that the Owner would actually perform such installation and would indemnify and hold harmless Jefferson County with respect to Owner’s performance thereof.

IN CONSIDERATION OF the premises, the parties agree as follows:

1. Jefferson County shall enter into an Agreement with the State (ALDOT Agreement) providing for installation of a 4 inch
gravity main sewer connecting to an existing Jefferson County sanitary sewer crossing perpendicular to Alabama Highway 79 near the intersection with Old Bradford Road, which drains to the Turkey Creek sewer system, copy of the ALDOT Agreement is attached hereto as Exhibit A to this Agreement.

2. Owner hereby acknowledges the satisfactory performance by Jefferson County of Paragraph 1 above. Owner shall do and perform each requirement imposed upon the Jefferson County Commission by the ALDOT Agreement (Exhibit A). Further, Owner hereby agrees to indemnify and hold harmless and defend the Jefferson County Commission, Jefferson County, Alabama, its elected officials and employees from and against any claims, suits, cost, expenses including attorneys fees, loss or damage in any way arising out of the performance or failure of performance of the ALDOT Agreement (Exhibit A) and this Agreement.

3. Owner and Jefferson County agree that this Agreement shall be automatically amended to include any amendment made to the ALDOT Agreement (Exhibit A).

4. The term of this Agreement shall continue so long as any obligation of any nature whatsoever of Jefferson County exists by reason of the ALDOT Agreement (Exhibit A).

5. In the event that the State of Alabama through the State DOT requires the County to maintain, repair or otherwise service any 4 or 6 inch service line installed within State road right of way, the owner agrees to reimburse the County for the cost of any such work performed for the benefit of said owner.

BE IT RESOLVED BY THE JEFFERSON COUNTY COMMISSION that the President be authorized to execute an agreement between Jefferson County, Alabama and the Alabama Department of Transportation for a permit agreement for the accommodation of utility facilities on public right-of-way for the construction of a 4-inch gravity main sewer in Alabama Highway 79 in the City of Birmingham.

BE IT FURTHER RESOLVED that the President be authorized to execute an agreement between Jefferson County, Alabama and Jay Machleit - Owner, Triple C Development for the construction of a sanitary sewer in the right-of-way of Alabama Highway 79 in the City of Birmingham, at no cost to the County. (Dollar General)
WHEREAS, the State hereby grants to the APPLICANT approval to cross or locate its facilities on the public right-of-way at the location and in the manner hereinafter set forth:

NOW, THEREFORE, it is agreed by and between the parties hereto as follows:

1. The APPLICANT will install its facilities on public right-of-way in accordance with plans and specifications of the APPLICANT as approved by the STATE which plans and specifications are hereby made a part hereof by reference.

2. In the installation of facilities and performing work under this agreement, the APPLICANT will conform to the provisions of the latest edition of the Alabama Department of Transportation Utility Manual, which manual is of record in the Department of Transportation and is hereby a part hereof by reference.

3. The national Manual on Uniform Traffic Control Devices, latest edition, is hereby made a part hereof by reference and will be conformed to as the provisions thereof are applicable to such work. Such Manual is of record in the Alabama Department of Transportation at the execution of this Agreement.

4. The Clean Water Act, 1987 and the Alabama Nonpoint Source Management Program, 1989 are hereby made a part hereof by reference and will be conformed to by the APPLICANT as the provisions thereof are applicable hereto.

The APPLICANT will conform to the regulations of the Environmental Protection Agency (EPA) and of the Alabama Department of Environmental Management (ADEM), latest edition, for both installation and maintenance of such facilities.

5. If hazardous materials, wastes, substances, or as otherwise defined by Code of Alabama § 6-5-332.1 (a)(2) (1993 Repl. Vol.) are encountered in the execution of this Agreement it will be the responsibility of the APPLICANT to notify the proper agency responsible for said hazardous materials and to comply with any and all environmental regulations as established by the Environmental Protection Agency (EPA), Alabama Department of Environmental Management (ADEM), and of the Occupational Safety and Health Administration (OSHA) in the proper disposition of the hazardous materials encountered.

6. The APPLICANT will file with the STATE an acceptable certified check or bond in the penal amount of $_____10,000_______ to guarantee the faithful performance of this permit contract in its entirety. Upon satisfactory completion and acceptance of all work provided for in this permit contract, the check or bond, as applicable, will be returned to the APPLICANT; otherwise, the proceeds from the check, or any amount received by the STATE as a result of the bond, will be applied to complete and fulfill the permit contract terms.

7. To the fullest extent permitted by law, the APPLICANT shall defend, indemnify, and hold harmless the State of Alabama, the Alabama Department of Transportation, and its agents, servants, employees and/or facilities from and against claims, damages, losses and expenses, including but not limited to attorneys fees, arising out of or resulting from performance of the work, provided that such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or to injury or to destruction of tangible property (other than the work itself) including loss of use resulting therefrom, but only to the extent caused in whole or in part by negligent acts or omissions of the APPLICANT, anyone directly or indirectly employed by the APPLICANT or anyone for whose acts APPLICANT may be liable.

The term hold harmless includes the obligation of the APPLICANT to pay damages awarded against and legally recoverable from the State of Alabama, or the Alabama Department of Transportation, or its officers, agents, servants, and/or employees in both individual and official capacities whose acts or omissions that were the basis of the liability were performed within the course and scope of their employment.

8. Reimbursement for future relocations of the APPLICANTS facilities will be in accordance with State law in effect at the time such relocations are made.

9. The APPLICANT will be obligated for the payment of damages occasioned to private property, public utilities or the general public, caused by the legal liability (in accordance with Alabama and/or Federal law) of the APPLICANT, its agents, servants, employees or facilities.

10. The STATE in executing this Agreement does not in any way assume the responsibility for the maintenance of the facilities of the APPLICANT, nor the responsibility for any damage caused to the facilities regardless of the cause.

11. The APPLICANT will have a copy of this Agreement on the project site at all times while said work is being performed.

12. Nothing contained in this Permit Agreement, nor the issuance or receipt thereof, shall be construed to alter or affect the title of the STATE to the public right-of-way nor to increase, decrease or modify in any way the rights of the APPLICANT provided by law with respect to the construction, operation or maintenance of its facilities on the public right-of-way.

13. The installation of the facilities and related work covered by this Agreement shall be completed within one year from the date shown on this Agreement, otherwise this Agreement becomes null and void. Once work is begun the APPLICANT shall pursue the work continuously and diligently until completion.

14. The APPLICANT will perform or cause to be performed the work applied for in this permit contract and will restore the highway and all right-of-way in the work area in as good condition as the same was prior to the work and will maintain the accomplished work and highway work area in a condition satisfactory to the Alabama Department of Transportation for a period of one year from acceptance by the Department of the completion of work applied for by APPLICANT.
15. The APPLICANT must provide a copy of the Notice of Registration (NOR) Received issued by ADEM upon receipt of the applicant’s Notice of Registration. This will assure compliance with Phase II of stormwater construction requirements. In the event a NOR is not required, APPLICANT must submit to ALDOT a Best Management Practices (BMP) plan to control sediment run-off.

16. In the event that ALDOT is issued a citation or any other enforcement document by ADEM/EPA of failure to comply with applicable requirements, it shall be the responsibility of the APPLICANT to bring all BMPs into compliance and to pay for any fines, assessments, etc. that may be issued to ALDOT by ADEM/EPA.

17. The APPLICANT stipulates that the specific use of these facilities located upon public right-of-way is SANITARY SEWERS. APPLICANT further stipulates that should this specific use change at any time in the future that the APPLICANT will notify the STATE immediately of the change.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their respective officers, officials and persons thereunto duly authorized, to be effective on the day and year first above stated.

WITNESSETH

WHEREAS, the APPLICANT desires to have its facilities accommodated on public highway right-of-way in Jefferson County, Alabama, said project or maintenance section being designated as __________, and consisting approximately of the following: approximately 8 linear feet of 8 inch diameter, Class 52 ductile iron sanitary sewer pipe in Alabama Highway 75 ROW in the City of Birmingham; and

WHEREAS, the State hereby grants to the APPLICANT approval to cross or locate its facilities on the public right-of-way at the location and in the manner hereinafter set forth:

NOW, THEREFORE, it is agreed by and between the parties hereto as follows:

1. The APPLICANT will install its facilities on public right-of-way in accordance with plans and specifications of the APPLICANT as approved by the STATE which plans and specifications are hereby made a part hereof by reference.

2. In the installation of facilities and performing work under this agreement, the APPLICANT will conform to the provisions of the latest edition of the Alabama Department of Transportation Utility Manual, which manual is of record in the Department of Transportation and is hereby a part hereof by reference.

3. The national Manual on Uniform Traffic Control Devices, latest edition, is hereby made a part hereof by reference and will be conformed to as the provisions thereof are applicable to such work. Such Manual is of record in the Alabama Department of Transportation at the execution of this Agreement.

4. The Clean Water Act, 1987 and the Alabama Nonpoint Source Management Program, 1989 are hereby made a part hereof by reference and will be conformed to by the APPLICANT as the provisions thereof are applicable hereto.

5. If hazardous materials, wastes, substances, or as otherwise defined by Code of Alabama § 6-5-332.1 (a)(2) (1993 Repl. Vol.) are encountered in the execution of this Agreement it will be the responsibility of the APPLICANT to notify the proper agency responsible for said hazardous materials and to comply with any and all environmental regulations as established by the Environmental Protection Agency (EPA), Alabama Department of Environmental Management (ADEM), and of the Occupational Safety and Health Administration (OSHA) in the proper disposition of the hazardous materials encountered.

6. The APPLICANT will file with the STATE an acceptable certified check or bond in the penal amount of $10,000 to guarantee the faithful performance of this permit contract in its entirety. Upon satisfactory completion and acceptance of all work provided for in this permit contract, the check or bond, as applicable, will be returned to the APPLICANT; otherwise, the proceeds from the check, or any amount received by the STATE as a result of the bond, will be applied to complete and fulfill the permit contract terms.

7. To the fullest extent permitted by law, the APPLICANT shall defend, indemnify, and hold harmless the State of Alabama,
the Alabama Department of Transportation, and its agents, servants, employees and/or facilities from and against claims, damages, losses
and expenses, including but not limited to attorneys' fees, arising out of or resulting from performance of the work, provided that such
claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible
property (other than the work itself) including loss of use resulting therefrom, but only to the extent caused in whole or in part by
negligent acts or omissions of the APPLICANT, anyone directly or indirectly employed by the APPLICANT or anyone for whose acts
APPLICANT may be liable.

The term hold harmless includes the obligation of the APPLICANT to pay damages awarded against and legally recoverable
from the State of Alabama, or the Alabama Department of Transportation, or its officers, agents, servants, and/or employees in both
individual and official capacities whose acts or omissions that were the basis of the liability were performed within the course and scope
of their employment.

8. Reimbursement for future relocations of the APPLICANT's facilities will be in accordance with State law in effect at the
time such relocations are made.

9. The APPLICANT will be obligated for the payment of damages occasioned to private property, public utilities or the
general public, caused by the legal liability (in accordance with Alabama and/or Federal law) of the APPLICANT, its agents, servants,
employees or facilities.

10. The STATE in executing this Agreement does not in any way assume the responsibility for the maintenance of the
facilities of the APPLICANT, nor the responsibility for any damage caused to the facilities regardless of the cause.

11. The APPLICANT will have a copy of this Agreement on the project site at all times while said work is being performed.

12. Nothing contained in this Permit Agreement, nor the issuance or receipt thereof, shall be construed to alter or affect the
title of the STATE to the public right-of-way nor to increase, decrease or modify in any way the rights of the APPLICANT provided by
law with respect to the construction, operation or maintenance of its facilities on the public right-of-way.

13. The installation of the facilities and related work covered by this Agreement shall be completed within one year from the
date shown on this Agreement, otherwise this Agreement becomes null and void. Once work is begun the APPLICANT shall pursue the
work continuously and diligently until completion.

14. The APPLICANT will perform or cause to be performed the work applied for in this permit contract and will restore the
highway and all right-of-way in a condition satisfactory to the Alabama Department of Transportation for a period of one year from
acceptance by the Department of the completion of work applied for by APPLICANT.

15. The APPLICANT must provide a copy of the Notice of Registration (NOR) Received issued by ADEM upon receipt of
the applicant's Notice of Registration. This will assure compliance with Phase II of stormwater construction requirements. In the event a
NOR is not required, APPLICANT must submit to ALDOT a Best Management Practices (BMP) plan to control sediment run-off.

16. In the event that ALDOT is issued a citation or any other enforcement document by ADEM/EPA of failure to comply with
applicable requirements, it shall be the responsibility of the APPLICANT to bring all BPM's into compliance and to pay for any fines,
assessments, etc. that may be issued to ALDOT by ADEM/EPA.

17. The APPLICANT stipulates that the specific use of these facilities located upon public right-of-way is
SANITARY_SEWERS

APPLICANT further stipulates that should this specific use change at any time in the future that the APPLICANT will notify the STATE
immediately of the change.

AGREEMENT

This Agreement entered into this _______ day of ___________, 20__ by and between Jefferson County, Alabama (hereinafter referred to as Jefferson County) and Corporate Realty Management, Inc. (hereinafter referred to as Owner).

WHEREAS, Owner is required to perform emergency repairs to certain sanitary sewer facilities crossing perpendicular to U.S. Highway 11 (1st Ave. North) near the intersection with 19th Street North; and

WHEREAS, the State will not authorize Owner to perform such emergency repairs but will authorize Jefferson County to repair the same; and

WHEREAS, Owner has requested Jefferson County to enter into an Agreement with the State providing for Jefferson County to perform such repairs upon the stipulation, that the Owner would actually perform such repairs and would indemnify and hold harmless Jefferson County with respect to Owner’s performance thereof.

IN CONSIDERATION OF the premises, the parties agree as follows:

1. Jefferson County shall enter into an Agreement with the State (ALDOT Agreement) providing for repair of a 6 inch gravity main sewer connecting to an existing Jefferson County sanitary sewer crossing perpendicular to U.S. Highway 11 (1st Ave. North) near the intersection with 19th Street North, which drains to the Valley Creek sewer system, copy of the ALDOT Agreement is attached hereto as Exhibit A to this Agreement.

2. Owner hereby acknowledges the satisfactory performance by Jefferson County of Paragraph 1 above. Owner shall do and perform each requirement imposed upon the Jefferson County Commission by the ALDOT Agreement (Exhibit A). Further, Owner hereby agrees to indemnify and hold harmless and defend the Jefferson County Commission, Jefferson County, Alabama, its elected officials and employees from and against any claims, suits, cost, expenses including attorneys fees, loss or damage in any way arising out of the performance or failure of performance of the ALDOT Agreement (Exhibit A) and this Agreement.

3. Owner and Jefferson County agree that this Agreement shall be automatically amended to include any amendment made to the ALDOT Agreement (Exhibit A).

4. The term of this Agreement shall continue so long as any obligation of any nature whatsoever of Jefferson County exists by reason of the ALDOT Agreement (Exhibit A).

5. In the event that the State of Alabama through the State DOT requires the County to maintain, repair or otherwise service any 4
or 6 inch service line installed within State road right of way, the owner agrees to reimburse the County for the cost of any such work performed for the benefit of said owner.

IN WITNESS WHEREOF, the parties here to have executed this Agreement by their duly authorized officers this _______ day of ________, 20__.
