CONTRACT NO. GSD-01

APPRAISAL SERVICES CONTRACT

THIS AGREEMENT entered into this 21st day of May, 2007, by and between Jefferson County, Alabama and Campbell and Associates, hereinafter called "the Contractor", the effective date of this agreement shall be June 1, 2007.

WHEREAS, the County desires to contract for appraisal services for the General Services Department, hereinafter called "General Services"; and

WHEREAS, the Contractor desires to furnish said appraisal services to the County;

NOW, THEREFORE, the parties hereto do mutually agree as follows:

1. ENGAGEMENT OF CONTRACTOR: The County hereto agrees to engage the Contractor and the Contractor hereby agrees to perform the services hereinafter set forth.

2. SCOPE OF SERVICES: Contractor shall perform an equipment evaluation of the Jefferson County Central Laundry located at 120 County Shop Road, Birmingham, Alabama and provide a report including the itemizing listing of all machinery, equipment and processes on a detailed line item basis. The valuation concept presented in Contractor's report shall be Fair Market Value in Use/Place. The value concept is defined as:

   "The judgment of worth of a property, utilized in a manufacturing or production operation, to its owners. It is the value of the property, to its owner/user, which is based on the productive contribution of the property to the entity.

   The "Fair Market in Use/Place" value can be generally justified when: (1) the property is fulfilling a reasonable, identifiable economic demand for the service it provides or houses; (2) the property improvements have a reasonable remaining economic life; (3) there is responsible ownership and competent management: (4) diversion of the property to an alternate use would not be economically feasible; and (5) continuation of present use is assumed. This value concept is applicable for marketing property on a going concern basis, or for allocation of the purchase price after acquisition."

   Contractor's report will be prepared in compliance with the requirements of the Uniform Standards of Professional Appraisal Practices (USPAP).
3. TERMS OF AGREEMENT AND AUTHORIZATION TO PERFORM WORK: The Contractor shall be available to render professional appraisal services to General Services any time after the execution date of this Contract. The completion date of all services under this Contract is fourteen (14) business days after Contractor has been given the notice to proceed by general Services.

4. COMPENSATION: The Contractor shall be compensated for services rendered at a total cost of $4750.00 payable upon submission of an invoice. This price shall be inclusive of all travel costs and expenses involved in the preparation of Contractor's report. Services required beyond the completion and delivery of Contractor's report, other than for general classification issues, will be billed at $225.00 per hour, plus expenses.

5. INDEPENDENT CONTRACTOR: The Contractor acknowledges and understands that the performance of this contract is as an independent contractor and as such, the Contractor is obligated for Workman's Compensation, FICA taxes, Occupational Taxes, all applicable federal, state and local taxes, etc. and that the County will not be obligated for same under this contract.

6. NONDISCRIMINATION POLICY: Both parties agree that all services rendered under this contract will be done so without regard to race, creed, color, sex, national origin, religion or handicap.

7. MISCELLANEOUS REQUIREMENTS: Upon execution of this contract, the Contractor shall furnish the Jefferson County Finance Department will information required for Form 1099 reporting and other pertinent data required by law.

8. TERMINATION OF CONTRACT: This contract may be terminated by the County with a thirty (30) day written notice to the other party regardless of reason. Any violation of this agreement shall constitute a breach and default of this agreement. Upon such breach, the County shall have the right to immediately terminate the contract and withhold further payments. Such termination shall not relieve the Contractor of any liability to the County for damages sustained by virtue of a breach by the Contractor.

9. LIABILITY: The Contractor shall not, without prior written permission of the COUNTY specifically authorizing them to so do, represent or hold themselves out to others as an agent of or act on behalf of the COUNTY. The Contractor will indemnify and hold harmless the COUNTY, its elected officials and its employees from claims, suit, action, damage and cost of every name and description resulting from the performance of the Contractor, its agents, subcontractors or employees under this Contract.

10. AMENDMENT OF AGREEMENT: This Contract contains the entire understanding of the parties, and no change of any term or provision of the Contract shall be valid or binding unless so amended by written instrument which has been executed or approved by the County. Any such amendment shall be attached to and made a part of this Contract. A written request must be made to the County and an amended agreement will be executed.

11. INSURANCE: Contractor will maintain such insurance as will protect him and the County from claims under Workman's Compensation Acts and from claims for damage and/or personal injury, including death, which may arise from operations under this contract.

12. COUNTY FUNDS PAID: Contractor and the Contractor representative signed below certify by the execution of this Agreement that no part of the funds paid by the County pursuant to this Agreement nor any part of the services, products or any item or thing of value whatsoever purchased or acquired with said funds shall be paid to, used by or used in any way whatsoever for the personal benefit of any member or employee of any government whatsoever or family member of any of them, including federal, state, county and municipal and any agency or subsidiary of any such government; and further certify that neither the contractor nor any of its officers, partners, owners, agents, representatives, employees or parties in interest has in any way colluded, conspired, connived, with any member of the governing body or employee of the governing body of the County or any other public official or public employee, in any manner whatsoever, to secure or obtain this Agreement and further certify that, except as expressly set out in the scope of work or services of this Agreement, no promise or commitment of any nature whatsoever of any thing of value whatsoever has been made or communicated to any such governing body member or employee or official as inducement or consideration for this Agreement.

13. Any violation of this certification shall constitute a breach and default of this Agreement which shall be cause for termination. Upon such termination Contractor shall immediately refund to the County all amounts paid by the County pursuant to this Agreement.

IN WITNESS WHEREOF, the Parties have hereunto set their hands and seals or caused these presents to be executed by their duly authorized representative.
