Oct-9-2008-1315

BE IT RESOLVED BY THE JEFFERSON COUNTY COMMISSION that the President is authorized to execute the following Agreement between Jefferson County, Alabama, the City of Clay and Mike Hale, as Sheriff of Jefferson County, Alabama to provide enhanced law enforcement services in the City of Center Point in the amount of $159,744 annually (revenue).

AGREEMENT FOR ENHANCED LAW ENFORCEMENT SERVICES

THIS AGREEMENT is made and entered into by and between the City of Clay, a municipal corporation organized under the laws of the State of Alabama, hereinafter referred to as the "City"; Mike Hale, as Sheriff of Jefferson County, Alabama, hereinafter referred to as the "Sheriff"; and Jefferson County, a political subdivision of the State of Alabama, hereinafter referred to as the "County" (the City, the Sheriff, and the County are hereby sometimes referred to as the "Parties").

WITNESSETH:

WHEREAS, the City is desirous of receiving a high level of competent law enforcement service in conjunction and harmony with its fiscal policies of sound economical management; and

WHEREAS, the City has requested that the Sheriff furnish law enforcement protection to its inhabitants and citizens; and

WHEREAS, the City desires that the Sheriff furnish enhanced law enforcement protection on a scheduled basis and duly perform any and all necessary and appropriate functions, actions, and responsibilities for law enforcement within the City; and

WHEREAS, the Jefferson County Commission, as the governing body of Jefferson County, has the authority and responsibility to provide the Sheriff with the resources to perform his duties, including his efforts to enhance the enforcement of laws within municipalities in Jefferson County; and

WHEREAS, the City desires to retain its ability to determine whether enhanced law enforcement services shall be provided by a
City police department, by agreement with another law enforcement agency, or otherwise; and

WHEREAS, this Agreement for provision of enhanced law enforcement services is not intended by the parties, nor shall it be interpreted to be, a transfer, consolidation, or merger within the meaning of those terms for constitutional or statutory purposes, for pension purposes, or for any other purpose whatsoever, and it is the intention of the Parties that this Agreement shall at all times be interpreted to be in harmony with the intent of the Parties that no transfer, consolidation, or merger shall be accomplished by the terms of this Agreement in any respect whatsoever, and the Parties shall interpret and administer this Agreement to that end; and

WHEREAS, the Sheriff is an independent, constitutional officer of the State of Alabama; and

WHEREAS, it is further the desire of the City that the responsibility for enhanced law enforcement within the City be performed by the Sheriff under the terms of this Agreement to the extent such activity is consistent with the law and with the City's municipal purposes; and

WHEREAS, the enhancement of the Sheriff's budget and funds allocated by the Jefferson County Commission will provide the Sheriff with the ability to provide services to residents of the City over and above what he presently provides to them.

NOW, THEREFORE, in consideration of the mutual promises contained herein and given by each party to the Agreement, the Parties hereto do covenant and agree as follows:

1. PAYMENT BY CITY. In consideration of the promises made herein by the County to the City and by the Sheriff to the City, the City shall pay to the General Fund of Jefferson County the sum of $159,744.00 annually. The total amount reflects the cost to the Sheriff of the anticipated provision of services by two (2) deputy sheriffs and their necessary equipment and vehicles. Monthly payments in the amount of $13,312.00 are due on or before the 15th day of each month so long as this Agreement remains in effect.

2. SHERIFF'S BUDGET ENHANCEMENT BY COUNTY. In consideration of the payment by the City, the Jefferson County Commission hereby agrees to amend the Sheriff's budget to provide the funds necessary to accomplish the purpose of this Agreement by including in the budget an additional $159,744.00 annually, above and beyond the amount that it would budget for the Sheriff in the absence of this Agreement. By providing this additional budgetary allotment to the Sheriff, the County does not assume any control over the provision of services by the Sheriff called for under this Agreement, nor does it assume any control over the Sheriff or his deputies, either in their official or individual capacities. The independence of the Sheriff and the Sheriff's employees from the County and the County Commission shall not, in any way, be affected by this Agreement or any term hereof.

3. PROVISION OF SERVICE BY THE SHERIFF. The Sheriff agrees to enhance law enforcement services in the City of Clay. He anticipates that there will be two (2) deputy sheriffs with patrol vehicles and equipment for a total of 40 hours per deputy sheriff for each week this Agreement is in effect. The Sheriff anticipates that the deputy sheriffs will be present within the City limits in shifts of eight consecutive hours; provided, however, the shifts themselves may or may not be consecutive, as the Sheriff, in his best judgment, determines is appropriate to enhance law enforcement in the City, except under emergency circumstances when backup assistance may be required by other deputy sheriffs or municipal law enforcement officers. These services are to be completely paid for by the consideration paid by the City under the terms of this Agreement, which said consideration is completely separate, and in addition to any and all ad valorem taxes and any other revenues paid by or received on behalf of the citizens represented by the City to the County. In recognition thereof, the Sheriff shall continue to have the obligation to provide normal services to the citizens of the City to the same degree that such services are provided to the rest of Jefferson County, and the City is not to be charged extra for those normal services.

4. ENFORCEMENT OF LAWS. The Sheriff shall enforce all state laws and county ordinances applicable within the City, and the ordinances of the City. The deputy sheriffs provided pursuant to this Agreement by the Sheriff will have a general familiarity with the code of ordinances of the City and the City will provide adequate copies of books of ordinances of the City for this purpose at no cost to the Sheriff.

5. PROVISION OF SERVICES. The Sheriff shall provide the deputy sheriffs whom provide service pursuant to this Agreement with a patrol vehicle and all other necessary or appropriate equipment. Deputy sheriffs assigned to work by the Sheriff within the boundaries of the City shall operate out of the Center Point Sheriff's Station. The responsibility of purchasing, maintaining, and repairing equipment used pursuant to this Agreement shall be borne by the Sheriff, though the amount of the increase in the Sheriff's budget per the terms of this Agreement may be used to cover this cost to the Sheriff.

6. VEHICLES. Title in and ownership of all vehicles purchased to perform enhanced law enforcement, and any equipment affixed thereto, shall be in the name of Jefferson County. Title in and ownership of any equipment purchased by the City for use by the Sheriff during the term of this Agreement shall be in the name of the City.

7. TERM. This Agreement shall take effect on October 1, 2007, and continue for a period of three (3) years until September 30, 2010, unless terminated in accord with the provisions hereof. Any party may terminate this Agreement without cause or further liability to the other, except as to the indemnification provided herein, upon written notice to the other parties to this Agreement, said written notice to be given not less than one hundred eighty (180) days prior to the requested termination date. Said notice shall be deemed delivered when a copy is delivered to the other Parties and a receipt therefore signed by the other Parties.

8. PERSONNEL. Nothing in this Agreement confers on anyone but the Sheriff the authority to be responsible for the hiring,
17. SHERIFF’S STATUS. Nothing in this Agreement shall be deemed to make the Sheriff or any of his deputy sheriffs an agent, space available for their needs for the purpose of fulfilling the terms of this Agreement.

16. SUBSTATION LOCATIONS. The City will provide to the Sheriff, at no cost to him, office space within the City, the location and size of which to be mutually agreed upon in the future, for the purpose of allowing deputy sheriffs assigned to the City to have office space available for their needs for the purpose of fulfilling the terms of this Agreement.

15. NO PLEDGE OF AD VALOREM TAXES. The Parties acknowledge that this Agreement is not intended to constitute a general pledge of the City within the meaning of any constitutional, statutory, or charter provision or limitation, and it is expressly agreed by the Parties that neither the Sheriff nor the County shall have the right to require or compel the exercise of ad valorem taxing power of the City or the County. At no time shall the Sheriff or any of his deputy sheriffs be deemed to hold any municipal office of the City provided, however, nothing in this Agreement shall preclude the City from appointing its own chief of police and police officers.

14. LIASION. The Sheriff agrees to make available to the City a specific member or members of his supervisory staff (hereinafter referred to as "Liaison Officer") who shall be available twenty four (24) hours per day to act as liaison between the City and the Sheriff. The Liaison Officer and the City shall meet and confer with each other on a regularly scheduled basis to discuss the administration of this Agreement. The Liaison Officer, shall, upon request of the City, be present at City meetings for discussion of the provision of police services within the City, for budget preparation purposes, or for any other purpose as the City shall request from time to time. The Sheriff or the Liaison Officer shall be responsible for submitting appropriate staffing or information to the City as is necessary for it to conduct its business. Any request for the presence of the Sheriff or the Liaison Officer, or for the production of any information or staffing, shall be communicated solely through the Mayor.

13. SOVEREIGN IMMUNITY. The County, the City and the Sheriff hereto agree that nothing contained herein shall in any way waive the sovereign immunity that any of them enjoy presently, separately or jointly, under the Constitution and statutes of the State of Alabama. The parties agree that the City’s determination to obtain enhanced law enforcement services by contract is an exercise of the legislative planning function of the City and that at no time will the City exercise any operational control over the activities of any employee of the Sheriff, nor shall it perform or undertake any acts that are over and above a planning-level function with regard to the administration of this Agreement.

12. RECORDS. It is anticipated that the Sheriff shall maintain Uniform Crime Reporting records regarding crimes committed within the City, and that these records shall include the number and type of crimes committed, the number of arrests made for each type of crime, and the age and sex of those arrested. The Sheriff shall provide a computer printout reflecting a summary of overall activity by event type to the City each month, and to maintain a dispatch log with respect to calls for assistance. It is anticipated that the dispatch log shall reflect the time a call is received, the time a call is dispatched, the deputy sheriff's arrival time, the time the assignment is completed, and the geographical location of the incident.

11. FINES AND FORFEITURES. All fines and forfeitures rendered in any court as a result of charges made by the Sheriff within the City limits shall be distributed to the City as provided by the laws of the State of Alabama and the rules of the District and Circuit Courts.

10. CITY LAW ENFORCEMENT POLICY. The Sheriff shall confer with the City regarding law enforcement problems within the City and shall consider general policy direction from the City on how its services are delivered and to what area of the City a particular type or level of service should be delivered to counteract law enforcement problems within the City. They shall not be controlled by, nor shall they be under the authority of, the City or the County. At no time shall the Sheriff or any of his deputy sheriffs be deemed to hold any municipal office of the City provided, however, nothing in this Agreement shall preclude the City from appointing its own chief of police and police officers.

The City does hereby vest in each sworn officer of the Sheriff, who from time to time may be assigned under this Agreement, to the extent allowed by law, the police powers of the City which are necessary to implement and carry forth the services, duties, and responsibilities imposed upon the Sheriff hereby, for the limited purpose of giving official and lawful status and validity to the performance therefore by such sworn officers. Such sworn officers of the Sheriff are hereby vested with the power to enforce the ordinances of the City, to make arrests incident to the enforcement thereof, and to do such other things and perform such other acts as are necessary with respect thereto. The City shall adopt an ordinance adopting all state criminal statutes in effect as of the date of this agreement and as subsequently amended by the Legislature.

8. TRAINING, ASSIGNMENT, DISCIPLINE, AND DISMISSAL. The Sheriff shall have complete discretion over the training, assignment, discipline, and dismissal of deputy sheriffs performing services pursuant to this Agreement. The City does hereby reserve the right, and the Sheriff does hereby acquiesce in the City's right, to request that the Sheriff transfer such personnel who, in the determination of the City, fail to perform in a manner consistent with the standards contemplated herein. Such determination to transfer personnel shall be made at the sole discretion of the Sheriff.

7. SUBSTATION LOCATIONS. The Sheriff shall have complete discretion over the planning, size, and location of substations for the purpose of allowing deputy sheriffs assigned to the City to have office space available for their needs for the purpose of fulfilling the terms of this Agreement.

6. SHERIFF’S STATUS. Nothing in this Agreement shall be deemed to make the Sheriff or any of his deputy sheriffs an agent,
servant, or employee of the City, or to otherwise diminish the power and authority vested in the Sheriff and his sworn officers, as officials of the State of Alabama.

20. LIABILITY OF THE CITY AND SHERIFF.
