Amendment #2 to the enhanced law enforcement services agreement with the City of Pinson, to extend term until November 30, 2012.

SECOND AMENDMENT TO CONTRACT

This is the second amendment to the contract for enhanced law enforcement services previously entered into between the City of Pinson, a municipal corporation organized under the laws of the State of Alabama (the "City") and Mike Hale as Sheriff of Jefferson County, Alabama (the "Sheriff") and dated November 13, 2009 (the "Contract", attached hereto). The Contract was also the subject of an "Amendment to Contract", dated October 21, 2010, between these same parties. The effective date of this "Second Amendment to Contract" shall be October 1, 2011.

WITNESSETH:

WHEREAS, the City desires to further amend fine Contract;

WHEREAS, the Sheriff desires to further amend the Contract.

NOW, THEREFORE, in consideration of the above, the parties hereto hereby agree as follows:

The Contract is hereby amended as follows:

1. PAYMENT BY CITY. In consideration of the promises made herein by the Sheriff to the City, the City shall pay to the Office of Sheriff of Jefferson County the sum of $ 339,890.26 annually. The total amount reflects the cost to the Sheriff of the anticipated provision
of the services of four (4) deputy sheriffs and their necessary equipment and vehicles. Monthly payments in the amount of $28,324.19 are due on or before the 15th day of each month so long as this Agreement remains in effect. Payments shall be mailed to:

The Jefferson County Sheriff's Office
Attn: Support Services
2200 8th Avenue North

2. PROVISION OF SERVICE BY THE SHERIFF. The Sheriff agrees to enhance law enforcement services in the City of Pinson. He anticipates that there will be four (4) deputies with patrol vehicles and equipment for a total of 40 hours per deputy for each week that this Agreement is in effect. The Sheriff anticipates that each deputy will be present within the City limits in shifts of eight consecutive hours, provided, however, the shifts themselves may or may not be consecutive, as the Sheriff, in his best judgment, determines is appropriate to enhance law enforcement in the City, except under emergency circumstances when backup assistance may be required by other deputy sheriffs, or municipal law enforcement officers. These services are to be completely paid for by the consideration paid by the City under the terms of this Agreement, which said consideration is completely separate and in addition to any and all ad valorem taxes and any other revenues paid by or received on behalf of the citizens represented by the City to the County. In recognition thereof, the Sheriff shall continue to have the obligation to provide normal services to the citizens of the City to the same degree that such services are provided to the rest of Jefferson County, and the City is not to be charged extra for those normal services.

6. TERM. This Agreement initially took effect on December 1, 2009. Its term is now extended until November 30, 2012, unless terminated in accord with the provisions hereof. Any party may terminate this Agreement without cause or further liability to the other, except as to the indemnification provided herein, upon written notice to the other party to this Agreement said written notice to be given not less than ninety (90) days prior to the requested termination date. Said notice shall be deemed delivered when a copy is delivered to the other party hereof and a receipt thereof signed by the other parties.

BE IT RESOLVED BY THE JEFFERSON COUNTY COMMISSION that the County Manager is authorized to execute the Memorandum of Understanding between Jefferson County, Alabama and Alabama Environmental Council to assist the County in complying with educational and training requirements of the NPDES permit. There is no cost associated with this MOU.

Memorandum of Understanding
Jefferson County Commission and Alabama Environmental Council

This Memorandum of Understanding (MOU) establishes an agreement between the Jefferson County Commission (JCC) and the Alabama Environmental Council (AEC).

The purpose of entering into this MOU is to assist JCC in complying with the education and training requirements of the National Pollutant Discharge Elimination System (NPDES) Permit, and to assist AEC in working toward its goal of environmental stewardship, with particular focus on water resources. AEC will identify areas in which the purpose and mission of each agency intersect and establish a common agenda within these areas in order to work collaboratively and/or in partnership on projects, events, trainings, publications, and other activities, to include:

• education fairs/workshops offered to students and homeowners (Rain Barrel Workshops, conservation presentations)
• water quality seminars offered to the public (low impact landscaping practices, water monitoring, etc.)
• water quality workshops offered to particular trades (recycling industry, lawn care industry, homebuilders, etc.)
• publications (posters, brochures, etc)
• and other trainings and programs developed to reflect modifications made to the County's NPDES.

The benefits of entering into this MOU include reducing expenses by sharing knowledge and resources, minimizing duplication of effort, enhancing the efficiency of stormwater pollution prevention outreach efforts, and expanding the reach of both agencies to improve stormwater quality.

JCC and AEC agree to maintain a cooperative working relationship to promote stormwater pollution prevention. This MOU does not create enforceable legal obligations, but rather is an expression of intent by the parties to work with one another as partners to reduce stormwater pollution.

Amendments or additions may be developed and implemented by mutual written agreement of the parties at any time without renegotiating the entire MOU. One or both parties also may terminate participation in this agreement after providing 30 days written notice to the other party, thereby nullifying this agreement. This agreement is effective immediately after both parties sign, and will remain in effect for both parties unless and until they choose to formally terminate.

Resolution authorizing execution of an agreement between Jefferson County, Alabama, Arthur Green, Jr., District Attorney, Bessemer Division of Jefferson County, Alabama and the Bessemer Cut-Off Advocacy Center, Inc. was pulled from the agenda and carried over.
Whereas, the Alabama Administrative Office of Courts (AOC) has concluded that under current Alabama Law, the responsibility for court security is the responsibility of the County and the Sheriff, and
Whereas, courtroom security is currently provided by bailiffs in the Criminal and Family Court Divisions and these bailiffs are no longer funded by the AOC, and
Whereas, the courts in the Criminal and the Family Court Divisions cannot operate without adequate security, and
Whereas, it is in the best interest of the County for the courts to expedite cases in as timely a manner as possible,

Now, therefore be it resolved by the Jefferson County Commission that the President is hereby authorized to execute on behalf of the County an agreement with the AOC to provide reimbursement to the AOC for employment costs for said bailiffs in the Birmingham and Bessemer Divisions of the Tenth Judicial Circuit for the six month period, October 1, 2011 until March 31, 2012, of Fiscal Year 2012, not to exceed the maximum amount of $418,692.06.

MEMORANDUM OF AGREEMENT
BETWEEN THE ADMINISTRATIVE OFFICE OF COURTS
AND
THE JEFFERSON COUNTY COMMISSION

This agreement is between the Alabama Administrative Office of Courts (AOC) and the Jefferson County Commission ("Commission"). This agreement is entered into in order for the Commission to provide funding for court security in Jefferson County.

1. This agreement for the period beginning October 1, 2011, until March 31, 2012, shall not exceed the maximum appropriation of $418,692.06. The parties further agree to review the continuation of this agreement beyond the dates set forth herein. Payments shall be made by the Commission to the AOC on a quarterly basis.

2. If the SHERIFF should hire any ACH employee or independent contractor during this AGREEMENT term or within one (1) year after this AGREEMENT's termination, the SHERIFF will be billed a professional replacement fee of Ten Thousand Dollars ($10,000) to compensate ACH for each employee or independent contractor. Nothing in this section shall apply to the SHERIFF's retention, upon the termination of this AGREEMENT, of a third-party corporate medical vendor which may offer permanent employment to ACH employees or independent contractors utilized in the FACILITY during the term of this AGREEMENT.

2.2. INMATE/DETAINEE INFORMATION. The SHERIFF will provide, as needed, information pertaining to INMATES/DETAINEES that ACH and the SHERIFF mutually identify as reasonable and necessary for ACH to adequately perform its obligations to the SHERIFF and the COUNTY.

2.3. OFFICE EQUIPMENT AND SUPPLIES. The SHERIFF will provide use of SHERIFF or COUNTY-owned office equipment and all necessary utilities, excluding all costs of long distance telephone service, in place at the FACILITY's healthcare unit. ACH shall be solely responsible for all costs for long distance telephone service. Upon termination of this AGREEMENT, ACH will return to the SHERIFF'S possession and control of all SHERIFF or COUNTY-owned office equipment. At such time, the office equipment and supplies will be in good working order, with allowances made for reasonable wear and tear.

Any such information provided by the SHERIFF to ACH that the SHERIFF considers confidential will be kept confidential by ACH and shall not, except as may be required by law, be distributed to any third party without the prior written approval of the SHERIFF. Notwithstanding any provision of this AGREEMENT to the contrary, the SHERIFF's internal affairs investigative records will not be required to be provided to ACH or any other person or entity (except as may be required by law).

2.5. SECURITY. The SHERIFF will maintain responsibility for the physical security of the FACILITY and the continuing security of the INMATES/DETAINEES. ACH and the SHERIFF understand that adequate security services are necessary for the safety of the agents, employees, and subcontractors of ACH, as well as for the security of INMATES/DETAINEES and FACILITY staff, consistent with the correctional setting. The SHERIFF will provide security sufficient to enable ACH and its personnel to safely provide the healthcare services described in this AGREEMENT. The SHERIFF will screen ACH's proposed staff to ensure that they will not constitute a security risk. The SHERIFF will have final approval of ACH's employees in regards to security/background clearance and access to the FACILITY.

ARTICLE 3: COMPENSATION/ADJUSTMENTS

3.1. ANNUAL AMOUNT/MONTHLY PAYMENTS. The annualized amount to be paid by the SHERIFF to ACH under this AGREEMENT is to be Two Million Three-hundred Sixty-eight thousand, Two hundred Sixty-thvo dollars and ninety-eight cents ($2,368,262.98). The SHERIFF will make monthly payments of One hundred ninety-seven thousand, Three hundred fifty-five dollars and twenty-five cents ($197,355.25), which is equal to 1/12 of the annualized amount, during the term of this AGREEMENT. ACH will bill the SHERIFF approximately thirty (30) days prior to the month in which services are to be rendered. The SHERIFF agrees to pay ACH prior to the tenth (10th) day of the month in which services are rendered.

3.2. ANNUALIZED AMOUNT UPON RENEWAL. Upon the annual anniversary date of this AGREEMENT, the annualized amount of increase and per diem rates will be 3% or the Consumer Price Index (CPI) annualized increase for Medical Care, whichever is lower. Adjustments will be made for variances in the ADP and other expenses, such as equipment or services purchased by ACH (with prior approval of the SHERIFF) on behalf of the SHERIFF. Per diem is intended to cover additional costs in those instances where minor, short-term changes in the INMATEIDETAINED population results in the higher utilization of routine supplies and services. The per diem is not intended to provide for any additional fixed costs, such as new fixed staffing positions that might prove necessary if the INMATEIDETAINED population grows significantly and is sustained. In such cases, ACH reserves the right to negotiate for an increase to its staffing and its contract price in order to continue to provide services to the increased number of INMATES/DETAINEES and maintain the standard of care. Any contract amount in arrears will be settled through reconciliation and adjusted accordingly. Adjustments will be made to the first monthly invoice prepared after reconciliation between ACH and the SHERIFF. Payment of the adjusted amount will be due upon receipt of said invoice.

3.3.1. ADJUSTMENT FOR ADP. ADP for a given quarter will be determined from the FACILITY census records. For billing purposes, the base ADP for FACILITY will be 1,300. When the ADP exceeds or falls below the base rate in any calendar quarter, the compensation variance will be figured on the average number of INMATES/DETAINEES above or below the base ADP for that quarter.
multiplied by the per diem rate of \$0.81 per inmate per day. (Example: If the ADP for Q3 2012 is 1,310, additional compensation due will be calculated as follows: 10 x \$0.81 x 91).

Recognizing that such termination may entail substantial costs for ACH, the SHERIFF will act in good faith and make every effort to give ACH reasonable advance notice of any potential problem with funding or appropriations. The SHERIFF agrees to pay for services rendered up to the point of termination.

4.2.2. TERMINATION FOR CAUSE. The SHERIFF reserves the right to terminate this AGREEMENT immediately in the event that ACH discontinues or abandons operations, or if ACH fails to comply with any section or part of this AGREEMENT.
