PROCLAMATION

If it be possible, as much as lieth in you, live peaceably with all men.

Romans 12:18

WHEREAS, William and Louise Nathan were born in Marengo County, Alabama, they married in 1955 and they are the proud parents of 5 children Erma Jean Nathan, Tony Nathan, Linda Diane Johnson, Vincent Nathan and Cedrick Nathan. They moved to Birmingham in the spring of 1956; and

WHEREAS, Mr. and Mrs. Nathan reared their children in a Christian home attending St. James Baptist Church since arriving in Birmingham. This would give them the perfect background for what the city and state was going through as it related to the civil rights movement. Mrs. Nathan would attend a few civil rights meetings and on occasions heard Dr. Martin Luther King Jr. and other African American leaders speak about nonviolent protesting. Dr. King's beliefs very much aligned with their beliefs. William and Louise would teach their children about nonviolence; and

WHEREAS, about this time, when daughter Erma and son Tony had to attend an integrated school, Woodlawn, there was a lot of racial tension at the school, as well as, in Birmingham; and

WHEREAS, it was also at this time that the Nathan family, as a whole, took on a different stature, in that Tony was a football player and he was suddenly thrust into a different limelight that culminated in one of the largest rivalries in Alabama High School football history as they played Banks High School for the bragging rights of 1974; and

WHEREAS, even though Erma and Tony successfully navigated their new surroundings, at times racial tension played out at the high school where they attended and even on the football field where Tony played, notwithstanding he was supposedly among team mates; and

WHEREAS, tested though they were, both Erma and Tony I'm sure relied mostly on their Christian upbringing by their parents and even Tony became an instrument that helped bring Woodlawn football players together with the rivals of Banks to team Christian prayer meetings. This was best demonstrated before the 1974 rival game at Legion Field when all of the players met on the field before the game, against the powers that were, to pray before the game. It was said that "this game definitely changed the city of Birmingham".

After completing high school Tony attended and played football under the legendary Paul Bear Bryant. Later his football career carried over into the NFL where he played and later coached running backs for the Miami Dolphins, as well as other teams. Also, this year the movie
"Woodlawn" opened on October 16th, 2015 and his book was released on September 16, 2015 titled "Running with a purpose".

NOW THEREFORE, UPON THE RECOMMENDATION OF COMMISSIONER SANDRA LITTLE BROWN BE IT PROCLAIMED BY THE JEFFERSON COUNTY COMMISSION OF THE STATE OF ALABAMA that today, November 19, 2015 be proclaimed, Tony Nathan's Day, along with his family.

Signed by the Jefferson County Commission on this, 18th day of November 2015.

WHEREAS, the said CONSULTANT has agreed and by these presents does agree with the COUNTY for consideration hereinafter mentioned with payment to be administered by the COUNTY to furnish professional engineering services associated with the LANDFILL FINANCIAL ASSURANCE DETERMINATION, FY 2014/2015.

NOW, THEREFORE, for and in consideration of the mutual covenants hereinafter stipulated to be kept and performed, it is agreed between the parties as follows.

ARTICLE I - SCOPE OF WORK

The CONSULTANT, in the accomplishment of work under this AGREEMENT, shall meet the requirements for conformance with the standards adopted by the Jefferson County Commission and shall ascertain the written practices of the Jefferson County Finance Department prior to beginning any of the work on this project. All work required under this AGREEMENT shall be performed in accordance with these standard practices and any special requirements herein set forth.

Section -1 - Obligation of CONSULTANT to COUNTY:

The CONSULTANT will provide necessary engineering, reporting, and administrative services as required by the COUNTY to provide information concerning financial assurance costs for the active solid waste disposal facilities for the fiscal year 2014/2015. The engineering, reporting, and administrative tasks will consist of the following activities:

2. The CONSULTANT will incorporate Santek Environmental's data concerning the overall and remaining airspace in the two landfills and their estimate of the waste volumes disposed as of the cutoff date.
3. The CONSULTANT will incorporate any in-house data pertinent to this report into the analysis.
4. The CONSULTANT will determine the total required value in the Financial Assurance Fund based upon the estimated costs to close each landfill (using a third party contractor) plus the post-closure maintenance and monitoring costs for 30 years following closure.
5. The CONSULTANT will determine the difference in what the COUNTY has already contributed and the revised COUNTY share.

Section 2 - Obligation of the COUNTY to the CONSULTANT:

It is understood that the COUNTY will:

1. Assist the CONSULTANT by placing at their disposal all available information pertinent to the project.
2. The COUNTY agrees that the format used for the FY2012-2013 Financial Assurance Report is acceptable.

3. In case the COUNTY deems it advisable or necessary in the execution of the work to make any alteration which will increase or decrease the scope of work outlined in this AGREEMENT, the time limits specified herein may be adjusted in accordance with Article IV, Section 1.

ARTICLE III - PAYMENT
Section 1 - Payment:

The COUNTY shall make payment to the CONSULTANT within thirty (30) days upon receipt of the payment request by the Finance Department.

Section 2 - Final Payment as a Release:
1. The acceptance by the CONSULTANT of the final payment shall constitute and operate as a release to the COUNTY for all claims and liability to the CONSULTANT, his representative and assigns for all things done, furnished or relating to the service rendered by the CONSULTANT under or in connection with this AGREEMENT or any part thereof provided that no unpaid invoice exists because of extra work required at the request of the COUNTY.

ARTICLE IV - MISCELLANEOUS PROVISIONS

Section 1 - Changes of Work:
1. If, during the term of this AGREEMENT, additional services are required of the CONSULTANT other than those specified above or major changes in the work become necessary or desirable, the COUNTY may order, in writing, the CONSULTANT to perform such services or make such changes. If the CONSULTANT is of the opinion that the work he has been directed to perform is beyond the scope of their AGREEMENT and constitutes extra work, the CONSULTANT will within ten (10) days notify the COUNTY in writing and receive approval from the COUNTY prior to performing such work. In the event the COUNTY determines that such work does constitute extra work, additional time for completion of contract may be given and payment for the additional work shall be negotiated by Supplemental Agreement prior to work being undertaken by the CONSULTANT.

2. Likewise, during the term of this AGREEMENT any service specified may be deleted and/or reduced at the discretion of the COUNTY. If such deletion or reduction becomes desirable, the CONSULTANT will be given advance notice and an equitable reduction in the CONSULTANT'S fee will be made on a proportionate basis.

Section 2 - Ownership of Engineering Documents:
1. Upon completion of the work covered by this AGREEMENT, the CONSULTANT shall make available to the COUNTY all documents and data pertaining to the work or to the project, which material shall become the property of the COUNTY. All data collected and prepared or generated under this agreement between the CONSULTANT and the COUNTY shall be the property of the COUNTY and shall not be released to any other party without the consent of the Jefferson County Chief Finance Officer.

1. The CONSULTANT shall endorse the original title or cover sheet of all reports, maps and other engineering data required to be furnished by him under the terms of this AGREEMENT. All endorsements shall contain the seal and original signature of an Alabama licensed professional engineer who is a bona fide employee of the CONSULTANT.

Section 4 - Delays and Extensions:
1. In the event that unavoidable delays prevent completion of the services to be performed under this AGREEMENT in the time specified in Article II - Time of Beginning and Completion, the COUNTY may grant a time extension to any or all phases of the work, provided written application is made by the CONSULTANT within ten (10) days after the alleged delay has occurred. Any time extension for work authorized will be based on the ratio that the additional compensation bears to the original fee and time limit.

Section 5 - Termination or Abandonment:
1. The COUNTY shall have the right to abandon or terminate this AGREEMENT or amend its project at any time, and such action shall in no event be deemed a breach of contract.

2. The COUNTY has the right to terminate this AGREEMENT at its sole discretion upon ten- (10) day's written notice and make settlement with the CONSULTANT upon an equitable basis in accordance with the following. In determining the final compensation to the CONSULTANT, the COUNTY shall apply the following:
a. No consideration will be given to profit which the CONSULTANT might have made on the uncompleted portion of the work.
b. If the AGREEMENT provides for a lump sum amount, final compensation to the CONSULTANT shall be determined by the OWNER establishing the percent of satisfactory work performed by the CONSULTANT prior to the termination of the AGREEMENT multiplied by the contract amount, less any payments previously made.

c. If the AGREEMENT does not provide a lump sum amount, final compensation to the CONSULTANT shall be determined by the OWNER confirming all reimbursable costs incurred for satisfactory work performed by the CONSULTANT prior to the termination of the AGREEMENT, less any payments previously made.

SECTION 6 - TERMINATION OF CONTRACT FOR BREACH:

1. The Contract may be terminated by the OWNER for Consultant's breach of any substantive provision of the Contract including, but not limited to, any of the following reasons:
   a. Substantial evidence and belief that the progress being made by the Consultant is insufficient to complete the Work within the specified time.
   b. Deliberate failure on the part of the Consultant to proceed with the Work when so instructed by the OWNER or to observe any requirement of these Specifications.
   c. Failure on the part of the Consultant to promptly make good any defects in the work that may be called to his attention by the OWNER.
   d. In case the Consultant becomes insolvent or is declared bankrupt, or allows any final legal judgment to stand against him unsatisfied, or shall make an assignment for the benefit of his creditors.

2. Before the Contract is terminated, the Consultant will first be notified in writing by the OWNER of the conditions which make termination of the Contract imminent. Fifteen (15) days after notice is given, if no effective effort has been made by the Consultant to correct the conditions for which complaint is made, the OWNER may declare the Contract terminated and will notify the Consultant accordingly.

3. Upon receipt of notice from the OWNER that the Contract has been terminated, the Consultant shall immediately discontinue all operations, safely secure all items of the Work, and remove his equipment. The OWNER may then proceed with completion of the Work in any lawful manner that it may elect, until it is finally completed. When thus finally completed, the total cost of the Work (including all previous payments made to the Consultant) will be computed and if this total cost is greater than the Contract price, the difference shall be paid to the OWNER by the Consultant.

Section 7 - Controversy:

1. In any controversy concerning a question of fact in connection with the work covered by this AGREEMENT or compensation therefor, the decision of the Jefferson County Chief Finance Officer in the matter shall be final and conclusive for both parties.

In the event the COUNTY gives such consent, the terms and conditions of this AGREEMENT shall apply to and bind the party or parties to whom such work is consigned, sublet or transferred as fully and completely as the CONSULTANT is hereby bound and obligated.

Section 11 - Employment of County Workers:
