V. RATIFY RESOLUTION

Aug-12-2011-634-SP-MTG

WHEREAS, the Jefferson County Commission was presented with an Outline of Proposed Terms for Settlement and Refinancing ("Outline") by the Receiver on August 11, 2011; and
WHEREAS, it appears that the proposed debt concessions from the creditors reflected in the Outline may result in sewer rates that might be acceptable to the Commission; and
WHEREAS, the Outline includes terms and conditions that require further analysis, projections, and negotiations; and
WHEREAS, the Outline is subject to preparation and execution of a definitive settlement and financing agreement by September 16, 2011; and
WHEREAS, the Governor has agreed to call a special session of the Alabama Legislature in September to address Jefferson County's legislative issues, contingent on the County's successful completion of a definitive settlement agreement; and
WHEREAS, the Governor has agreed to support a moral obligation covenant that will result in materially lower interest rates in a refinancing.

NOW THEREFORE BE IT RESOLVED BY THE JEFFERSON COUNTY COMMISSION that the President and Finance Chair are hereby authorized to negotiate directly with individual Sewer Creditors to resolve differences in the "Outline".

And, as a result of these negotiations, the County's attorneys are hereby authorized and directed to prepare a definitive settlement and financing agreement by September 16, 2011, which shall include the terms, conditions and schedule for a refinancing of the outstanding sewer warrants, for consideration and action by the Jefferson County Commission at a subsequent duly scheduled meeting thereof.
