W. D. CARRINGTON, PRESIDENT
JEFFERSON COUNTY COMMISSION

Motion was made by Commissioner Stephens seconded by Commissioner Bowman that the above resolution be adopted. Voting “Aye” Stephens, Bowman, Brown, Carrington and Knight.

Jan-9-2014-27

WHEREAS, the Jefferson County Office of Senior Citizens Services is mandated by the State of Alabama to provide certain services to the senior citizen population of Jefferson County; and

WHEREAS, many of the services provided by the Jefferson County Office of Senior Citizens Services significantly affect the health, safety, and/or convenience of the senior citizen population of Jefferson County; and

WHEREAS, the inability to provide said services would create a danger to the health, safety, and/or convenience of those seniors; and

WHEREAS, the Office of Senior Citizens Services contracts with certain vendors to insure that it complies with its mandates from the State of Alabama to provide certain services; and

WHEREAS, it is critical that contracts with those entities be maintained and services provided; and

WHEREAS, any delay involved in the execution of contracts to provide these mandated services creates an emergency situation negatively affecting and impacting the health, safety, and/or convenience of participating seniors of Jefferson County; and
WHEREAS, such interruption would negatively affect and impair care of seniors with difficulty eating, dressing, bathing, incontinence, and who require assistance with legal and financial affairs, as well as the provision to senior citizens of health and medical care and supplies such as bed pads, adult briefs, disposable wipes, latex gloves, etc.; and such interruption would also affect and impair the services to many senior citizens for food and meal delivery, blood pressure and glucose testing, medication management, and geriatric management.

NOW THEREFORE BE IT RESOLVED BY THE JEFFERSON COUNTY COMMISSION that pursuant to Section 41-16-53 of the Code of Alabama, which provides that contracts may be let to the extent necessary to meet emergencies without public advertisement, the Commission finds that any gap in the contracts between the listed vendors results cumulatively in a case by case emergency which affects the health, safety, and/or convenience of its senior citizens. As such, the Jefferson County Commission would determine it necessary to direct the President of the Jefferson County Commission to enter into or extend contracts with the listed vendors below for a period beginning October 1, 2013, and ending on February 28, 2014 to allow time for these services to be bid in accordance with the competitive bid law where applicable.

BE IT FURTHER RESOLVED, that the Chief Financial Officer is directed to facilitate payments to the below vendors for the estimated amounts as invoices are received:
