BE IT RESOLVED BY THE JEFFERSON COUNTY COMMISSION that the Commission hereby acknowledges its understanding of the following described matter and approves or ratifies the action of Mike Hale, in his capacity as Sheriff of Jefferson County, Alabama.

Amendment to the agreement with Advance Correctional Health, Inc. to provide inmate medical services at the Bessemer Jail in the amount of $349,914.39 for a twelve (12) month period.

AMENDMENT TO THE AGREEMENT FOR THE PROVISION OF INMATE/DETAINEE HEALTH SERVICES FOR JEFFERSON COUNTY, ALABAMA

Mike Hale, in his official capacity as Sheriff of Jefferson County, Alabama (hereinafter referred to as the "SHERIFF"), Jefferson County, Alabama (hereinafter referred to as the "COUNTY"), and Advanced Correctional Healthcare, Inc. (hereinafter referred to as "ACH"), an Illinois corporation, have previously entered into an Agreement for the Provision of Inmate Health Services dated October 21, 2011 (hereinafter referred to as the "AGREEMENT"). The parties now desire to amend the AGREEMENT as follows:

RECITALS

WHEREAS, the SHERIFF only housed inmates at the Jefferson County Jail at Birmingham (hereinafter referred to as the "FACILITY") at the time the AGREEMENT was executed;

WHEREAS, the SHERIFF did not house inmates at the Jefferson County Jail at Bessemer (hereinafter referred to as the "BESSEMER FACILITY") at the time the AGREEMENT was executed;

WHEREAS, the AGREEMENT only provides for the provision of medical services at the FACILITY;

WHEREAS, the SHERIFF anticipates the resumption of housing inmates at the BESSEMER FACILITY on December 16, 2013;

WHEREAS, medical services will need to be provided to the BESSEMER FACILITY once inmates are housed there; and

WHEREAS, Section 5.1 of the AGREEMENT provides that the SHERIFF and ACH may amend the AGREEMENT at any time with the written consent of both parties;

NOW THEREFORE, the parties hereby amend the AGREEMENT to add the following, with the effective date of this amendment being December 5, 2013:

ARTICLE 6:

THE BESSEMER FACILITY

6.1. The base average daily population ("ADP") for the BESSEMER FACILITY will initially be 100 INMATES/DETAINEES. The SHERIFF and ACH anticipate that the ADP for the BESSEMER FACILITY will increase to approximately 200 INMATES/DETAINEES during 2014. The SHERIFF and ACH agree to negotiate changes to this Article 6 to accommodate an increased ADP for the BESSEMER FACILITY, including potentially re-assigning medical personnel from the FACILITY to the BESSEMER FACILITY.

6.1.1 As used in this Article 6, the term "INMATES/DETAINEES" shall be understood to mean those booked into the custody of the SHERIFF and incarcerated in the BESSEMER FACILITY.

6.2. STAFFING. ACH will provide the staffing coverage necessary for the rendering of healthcare services to the INMATES/DETAINEES as described herein. It is understood and agreed that ACH employees are allowed to leave the BESSEMER FACILITY during the work day for meal breaks, provided the timing and length of such leave does not negatively impact or impair ACH’S Amendment to Agreement for the Provision of Inmate/Detainee Health Services Jefferson County Jail / ACH ability to fulfill its obligations under this AGREEMENT. The minimum service requirements include:
6.2.1. PHYSICIAN. A nurse practitioner will visit the BESSEMER FACILITY weekly for a prescribed number of days sufficient to accomplish the objectives of this AGREEMENT, with the schedule and frequency of such nurse practitioner visits to be determined between the SHERIFF and ACH. During such nurse practitioner visits to the BESSEMER FACILITY, the nurse practitioner will stay until all work is completed. A physician will be available by telephone to the BESSEMER FACILITY and medical staff on an on-call basis, seven (7) days per week, twenty-four (24) hours per day. For scheduled visits that fall on ACH CORPORATE HOLIDAYS, coverage may be provided by phone only.

6.2.2. NURSING. ACH will provide on-site nursing coverage to include up to One Hundred Sixty Eight (168) hours per week, excluding paid time off for illness of less than one (1) full shift, on a schedule approved by the SHERIFF. This number of hours is designed to support the ADP contained in Section 6.1 of this AGREEMENT, and ACH believes that this number of hours allows it to achieve the objectives of this AGREEMENT based on that ADP.

6.2.3. MENTAL HEALTH WORKER. A Qualified Mental Health Professional will visit the BESSEMER FACILITY each week for up to Eight (8) hours at the discretion of the SHERIFF or designee, or as otherwise agreed to by the SHERIFF and ACH.

Court-ordered body cavity searches will be referred to the appropriate facility or emergency room. ACH will not be financially responsible for any costs associated with a body cavity search, including, but not limited to, any associated medical fees, laboratory fees, added personnel costs, and/or court costs.

6.3.2. CARE REPORTS. ACH will review, at the scheduled Continuing Quality Improvement ("CQI") meetings with the SHERIFF or designee, healthcare reports concerning the overall operation of the healthcare services program at the BESSEMER FACILITY and the general health of the INMATES/DETAINEES.

ACH will perform the collection of physical evidence for the purpose of DNA testing on-site with signed consent from the INMATE/DETAINEE in accordance with applicable NCCHC guidelines. Court-ordered collection of DNA/physical evidence will be referred to the appropriate facility or emergency room. ACH will not be financially responsible for any costs associated with the collection of or testing of DNA/physical evidence, including, but not limited to, any associated medical fees, laboratory fees, added personnel costs, court costs, and/or the cost of DNA collection kits.

6.3.4. DENTAL SERVICES. ACH will provide dental triage screenings in accordance with criteria established by a licensed dentist for the purpose of identifying INMATES/DETAINEES in need of serious dental services. In addition, ACH will provide INMATES/DETAINEES with dental hygiene instruction and medication management, shall coordinate the provisions of dental services, and shall refer INMATES/DETAINEES for off-site care.

6.3.5. DISPOSABLE MEDICAL SUPPLIES. ACH will provide for INMATES/DETAINEES' disposable medical supplies intended for one-time use.

6.3.6. ELECTIVE CARE. ACH will not provide ELECTIVE CARE to INMATES/DETAINEES. Decisions concerning ELECTIVE MEDICAL CARE will be consistent with the applicable American Medical Association ("AMA") standards.

6.3.11. MEDICAL RECORDS. ACH will maintain, cause, or require being maintained, at its own cost, complete and accurate medical records for each INMATE/DETAINEE who has received healthcare services. Each medical record will be maintained in accordance with applicable laws, Alabama's Minimum Standards for Jails and Lockups, and the SHERIFF's policies and procedures. The medical records will be kept separate from the INMATE/DETAINEE's confinement record. A complete copy of the original applicable medical record will be available to accompany each INMATE/DETAINEE who is transferred from the BESSEMER FACILITY to another location for off-site services or transferred to another institution. 6.6. Section 5.9 and Section `5.15 of the AGREEMENT shall apply to ACH’s provision of medical services at the BESSEMER FACILITY.

When the ADP exceeds or falls below the base rate in any calendar quarter, the compensation variance will be figured on the average number of INMATES/DETAINEES above or below the base ADP for that quarter multiplied by the per diem rate of $0.81 per inmate per day. (Example: If the ADP for Q1 2014 is 110, additional compensation due owed by the SHERIFF to ACH under this AGREEMENT.

The SHERIFF shall make the aforesaid monthly payments starting in December of 2013 and continuing for the remaining term of the AGREEMENT. The amounts due and payable under this Section 6.5 shall be in addition to any other monies owed by the SHERIFF to ACH under this AGREEMENT.

These funds shall be utilized for the following purpose/activities:

The Jefferson County Family Court (JCFC) utilizes the following diversion programs under this DYS grant. Adolescent Substance Abuse Program (ASAP), STRONGGirls, Adolescent Mentoring Program (AMP), Youth Family Team Meetings Aftercare Program (YFTM), and Jefferson County Youth Advocacy Program (JCYAP).

The program that receives funding from this grant will:

  • Males / Females between the ages of 11-18
  • High risk youth adjudicated for misdemeanor and felony property offenses
  • Risk of re-arrest will be determined by the risk assessment instrument available on the DYS website
  • In order to ensure that the program only serves youth who would have otherwise been committed to DYS, youth with the following characteristics will not be eligible for participation:
    • Youth charged with harassment, simple assault, first time misdemeanors, or drug/alcohol offenses
    • Status offenders

• Be developed by or in collaboration with the Jefferson County Family Court (JCFC);

• Conduct regular self-evaluations of program effectiveness, including evaluations that track outcomes for children served by the program;

  • Date Started Program
  • Date Completed Program (if applicable)
  • Successful Completion (Yes or No)
  • If Unsuccessful, Why
  • Committed Due To Unsuccessful Completion (Yes or No)
  • Re-Arrested while in program (Yes or No)
  • Attended all court hearings while in program (Yes or No)
  • Successfully completed probation after program completion (Yes or No)

Recipient shall input and update student data regularly (at least monthly) in the DYS Grantee Information Management System database (GIMS).

• Produce an annual report by November 30, that includes the following information, at a minimum:
  • A narrative description of each program funded by the grant
  • Annual summary of participant data
  • A description of the program's efforts to evaluate its own effectiveness, along with a summary of the results of all such
evaluations.

• Each such annual report shall be made available to the Alabama Department of Youth Services, in addition to quarterly reports (if requested by DYS). Decisions about renewing grants will be made based on the court's ability to show through these reports that the funds have been effective in reducing the numbers of youth committed to DYS or HIT.

The Recipient or its designee shall administer the services for which this grant is awarded, in accordance with the applicable rules, regulations and conditions as set forth by the Department. Both JCFC and DYS acknowledge that this Award may be terminated at will by JCFC or DYS for any reason. Any funds remaining from the award shall be returned to DYS upon the termination of said award.

The grant award contained herein is payable in installments, subject to the availability of funds and adjustments by the Special Programming for Achievement Network, as it deems necessary or advisable. Both parties agree that prior year funds are also available to fund these programs. Nothing contained herein shall be deemed to be a debt of the State of Alabama in the contravention of the laws and constitution of the State of Alabama.

By signing this contract, the contracting parties affirm, for the duration of the agreement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama.
