1.1 County is duly licensed to do business in the State of Alabama and seeks to make quality health services available to its Beneficiaries.

1.2 Hospitals are acute care hospitals, duly licensed by the State of Alabama and accredited by the Joint Commission on the Accreditation of Healthcare Organizations.

1.3 Foundations are not-for-profit professional corporations incorporated under the laws of the State of Alabama. The Foundations employ physicians who work in the Hospitals and are members of the regular or part-time faculty of the School of Medicine of the University of Alabama.

1.4 The Hospitals and Foundations desire to contract with County in order to provide services to County's Beneficiaries in a cost-effective manner.

II. DEFINITIONS AND PAYMENT AND AUTHORIZATION PROCEDURES

2.1 Covered Services means health care services provided to Beneficiaries by Hospitals and Foundations, including but not limited to UAB Hospital, UAB Highlands, UAB Spain Rehabilitation Hospital, UAB Center for Psychiatric Medicine, The Kirklin Clinic of UAB Hospital, The Kirklin Clinic at Acton Road and other clinics of Hospitals and Foundations. Hospitals and Foundations will not be required to provide Covered Services to any Beneficiary that are not offered by Hospitals and Foundations or where there is limited capacity at the Hospitals or Foundations as determined by the Hospitals and Foundations. Exclusions to the Covered Services are outlined as Attachment A.

2.2 Beneficiary means Jefferson County residents who are approved for coverage by Jefferson County, as evidenced by their inclusion on the County's Approved Beneficiary List or an Authorization number for services has been issued by the County. Parties agree that if a Beneficiary fails to renew its expired eligibility in a timely manner but is reissued eligibility, then such expired eligibility status shall be deemed continuous from the original eligibility expiration date to eligibility reissue date. County shall maintain the Approved Beneficiary List and shall furnish Hospitals and Foundations with electronic access to the current Approved Beneficiaries List. If the electronic access is not available, County shall provide a current list of Approved Beneficiaries on the 1st and 15th day of every month to Foundations and Hospitals in electronic format. The list shall include first, middle and last names, address, date of birth, sex, social security number and approval effective and termination dates of each Approved Beneficiary. Hospitals and Foundations shall submit such invoices monthly. If the payments are not received within 15 days of due date, Hospitals and Foundations reserve the right to delay the furnishing of elective services to Beneficiaries.

2.4 Reimbursement for Covered Services shall be based on the Medicaid Enhanced Fee Schedule for Foundations Services and Medicaid Inpatient Per Diem rates and Medicaid Outpatient Fee Schedule for Hospitals Services. Parties agree that Hospital Inpatient and Outpatient reimbursement shall be "Case-Mix" adjusted, but shall not be adjusted to any amount less than the Hospital's Current Medicaid reimbursement. The initial Case-Mix weighting factor will be based on patient utilization experience for the first six months of last year's Agreement using the same method described above and the first 6 months will be paid on this basis. For this Agreement, the calculation period shall be October 1, 2013 through March 31, 2014. The Hospitals will compute their overall Medicaid Inpatient Case-Mix, excluding solid organ and bone marrow transplants, based on the most recently published CMS Medicare DRG relative weights. The Hospitals will also compute the Case-Mix of the Beneficiaries referred and admitted to Hospitals. The Case-Mix weighted Per Diem and Price per Outpatient Unit of Service shall be calculated using the following sample methodology:

<table>
<thead>
<tr>
<th>Hospital's Current Medicaid Per Diem</th>
<th>$1,689.66</th>
</tr>
</thead>
<tbody>
<tr>
<td>Hospital's Medicaid Case-Mix</td>
<td>1.53</td>
</tr>
<tr>
<td>County Beneficiary's Case-Mix</td>
<td>2.87</td>
</tr>
<tr>
<td>Case-Mix Weighted Per Diem (2.87/1.53 =1.88 x $1689.66)</td>
<td>$3,169.49</td>
</tr>
<tr>
<td>Outpatient Current Medicaid Price per Unit of Service</td>
<td>$200.00</td>
</tr>
<tr>
<td>Case-Mix Weighted Price per Unit of Service (2.87/1.53 =1.88 x $200.00)</td>
<td>$375.16</td>
</tr>
</tbody>
</table>

The Case-Mix weighting factor for the first 6 months will be based on patient utilization experience for the first six months of last year's Agreement using the same method described above and the first 6 months will be paid on this basis. For this Agreement, the calculation period shall be October 1, 2013 through March 31, 2014. The Hospitals' Case-Mix weighting factor will be adjusted on April 1, 2015 based.
on the previous six (6) months utilization (October 1, 2014 through March 31, 2015) under this Agreement. Hospitals shall be paid based on the updated Case-Mix weighting factor, effective April 1, 2015. Hospitals and Foundations shall be reimbursed for each inpatient and outpatient encounter for each patient covered under this Agreement. The calendar year inpatient day limit, Medicaid per diem and physician visit limitations and the outpatient visit limitation do not apply to reimbursement under this Agreement. Furthermore, the calculation for reimbursement for services provided by the physicians, including but not limited to hospital based physicians and regardless of the place of service, within a specialty (such as, Cardiology or Radiation Oncology) shall be Fee-for-Service based at Medicaid Enhanced Fee Schedule and determined by the services rendered by each individual physician to each individual patient covered under this Agreement.

Parties agree that Reimbursement for inpatient or outpatient surgeries, except those services listed below, shall be at $2,400 per day and or per surgery at the Callahan Eye Health Care Authority. James A. Stephens, President
Jefferson County Commission

ATTEST: PALMERDALE FIRE DISTRICT

Motion was made by Commissioner Carrington seconded by Commissioner Bowman that the above resolution be adopted. Voting “Aye” Carrington, Bowman, Brown and Stephens.

BE IT RESOLVED BY THE JEFFERSON COUNTY COMMISSION that the President is authorized to execute an Agreement between Jefferson County, Alabama and Bhate Geosciences Corporation to provide services to remedy slope failure on the east side of Chalkville Road in the amount of $76,200.

ARTICLE I – SCOPE OF WORK

The CONSULTANT will evaluation, assess, perform field survey, perform traffic control during field work, perform laboratory testing, perform engineering evaluation and slope stability analysis, submit final report of analysis and recommendation, prepare construction plans and bid documents, and monitor and perform engineering management during construction for the Chalkville Road Slope Failure approximately 140 feet in length. These services are to facilitate the slope repair. The work to be performed by the CONSULTANT to include the following:

Perform Geotechnical Engineering Study:

1. Perform field exploration using a three-man field crew and manually operated and easily transportable tools such as backpack drilling equipment and potentially a skid steer with a drill attachment.
2. Provide a geotechnical engineer to supervise the exploration activities and document the subsurface conditions encountered during drilling.

3. Determine field conditions that have contributed to the slope failure in order to select appropriate slope stabilization methods. Also perform an evaluation of the areas outside the failed slope area. The exploration would serve to evaluate the following subsurface conditions:
   - Soil conditions immediately adjacent to the zones of slope failure
   - Soil conditions in the "earth slump" zone
   - Depth to firm ground below the slope failure plane
   - General surface and subsurface conditions outside the failed zone

Perform Geotechnical Laboratory Testing:
   - Perform laboratory testing program dependent on the subsurface conditions encountered and the quality of soil samples obtainable.

If quality samples can be obtained, shear strength testing would be conducted. If required, alternate testing to perform field shear strength testing using a vane shear in the soil material. The basic laboratory testing program would include:
   - Natural soil moisture content
   - Atterberg limits
   - Unit weight
   - Soil gradation analysis
   - Shear strength tests

Perform Traffic Control:
   - Prior to any drilling activities, submit a detailed Traffic Control Plan for review.
   - Provide and maintain the necessary traffic control measures along the Chalkville Road right-of-way during the subsurface exploration activities.

Perform Field Surveying:
   - Perform field surveying to generate slope profile sections for our engineering evaluation.

Perform Engineering Evaluation and Slope Stability Analysis:
   - Create a slope stability model of the failed slope surface using software analysis tools.

The engineering evaluation would consider the following:
   - Existing failed slope geometry (from field surveying profiles)
   - Soil conditions within the failed zone and the underlying firm ground (from subsurface exploration and laboratory testing)
   - Presence of groundwater
   - Evaluate alternatives for slope repair.
   - Present possible alternate(s) in a written report.

Prepare Slope Repair Specifications and Construction Drawings:
   - Prepare construction specification for issuance with bid documents for slope repair.
   - Provide AutoCAD drawings per requirements including cross-sections and construction details regarding stabilization of the slope failure for bidding of the slope repair work scope. Conduct pre-bid meetings and assist with bid evaluation as needed.

The work to be performed by the COUNTY will include the following:
   A. Locate all right-of-way limits.
   B. Review Traffic Control Plans.
   C. Review alternatives for slope failure remedy.
   D. As far as possible, cooperate with the CONSULTANT in making necessary arrangements with public officials and with such individuals, as the CONSULTANT may need to contact for advice, counsel, and information.

ARTICLE IV – TIME OF BEGINNING AND COMPLETION

A. The CONSULTANT agrees to start work on the professional services outlined under Article I of this AGREEMENT with ten (10) days after the written Notice to Proceed from the COUNTY. The COUNTY will not notify the CONSULTANT to commence work until both parties have formally approved this AGREEMENT.
B. The execution of the work shall be completed within 8 months after written "Notice to Proceed" exclusive of any review time.

C. In case the COUNTY deems it advisable or necessary in the execution of the work to make any alteration that will increase or decrease the Scope of Work outlined in this Agreement, the time limits specified herein may be adjusted in accordance with Article VI, Section 1.
