3. In case the COUNTY deems it advisable or necessary in the execution of the work to make any alteration which will increase or decrease the scope of work outlined in this AGREEMENT, the time limits specified herein may be adjusted in accordance with Article IV, Section 1.

ARTICLE III - PAYMENT

Section 1 - Payment:

1. For services performed by the CONSULTANT under this AGREEMENT, and as full complete compensation therefor, including all expenditures made and all expenses incurred by the CONSULTANT in connection with this AGREEMENT, except as otherwise provided herein, subject to and in conformity with all provisions of this AGREEMENT, the COUNTY will pay the CONSULTANT as follows.

2. For the work contemplated under Article I. Section 1, compensation will be based on a Lump Sum contract amount of Ten Thousand Four Hundred Thirty-Four Dollars, ($10,434.00) as shown below and in Attachment 1 appended hereto. The contract Amount shall be subject to increases or decreases for changes in the Work as provided in Article IV, Section 1.

   Total Contract Amount $10,434.00

3. Payment shall be made, not more often than once monthly, in such amounts as evidenced by the submittal of invoices by the CONSULTANT to the Finance Department of the COUNTY, and other evidence of performance as the COUNTY may deem necessary. The COUNTY shall make payment to the CONSULTANT within thirty (30) days upon receipt of the payment request by the Finance Department.

Section 2 - Final Payment as a Release:

1. The acceptance by the CONSULTANT of the final payment shall constitute and operate as a release to the COUNTY for all claims and liability to the CONSULTANT, his representative and assigns for all things done, furnished or relating to the service rendered by the CONSULTANT under or in connection with this AGREEMENT or any part thereof provided that no unpaid invoice exists because of extra work required at the request of the COUNTY.

ARTICLE IV - MISCELLANEOUS PROVISIONS

Section 1 - Changes of Work:

1. If, during the term of this AGREEMENT, additional services are required of the CONSULTANT other than those specified above
or major changes in the work become necessary or desirable, the COUNTY may order, in writing, the CONSULTANT to perform such services or make such changes. If the CONSULTANT is of the opinion that the work he has been directed to perform is beyond the scope of their AGREEMENT and constitutes extra work, the CONSULTANT will within ten (10) days notify the COUNTY in writing and receive approval from the COUNTY prior to performing such work. In the event the COUNT determines that such work does constitute extra work, additional time for completion of contract may be given and payment for the additional work shall be negotiated by Supplemental Agreement prior to work being undertaken by the CONSULTANT.

2. Likewise, during the term of this AGREEMENT any service specified may be deleted and/or reduced at the discretion of the COUNTY. If such deletion or reduction becomes desirable, the CONSULTANT will be given advance notice and an equitable reduction in the CONSULTANT'S fee will be made on a proportionate basis.

Section 2 - Ownership of Engineering Documents:

1. Upon completion of the work covered by this AGREEMENT, the CONSULTANT shall make available to the COUNTY all documents and data pertaining to the work or to the project, which material shall become the property of the COUNTY. All data collected and prepared or generated under this agreement between the CONSULTANT and the COUNTY shall be the property of the COUNTY and shall not be released to any other party without the consent of the Jefferson County Chief Finance Officer.

Section 3 - Consultant's Endorsement:

1. The CONSULTANT shall endorse the original or cover sheet of all reports, maps and other engineering data required to be furnished by him under the terms of this AGREEMENT. All endorsements shall contain the seal and original signature of an Alabama licensed professional engineer who is a bona fide employee of the CONSULTANT.

Section 4 - Delays and Extensions:

In the event that unavoidable delays prevent completion of the services to be performed under this AGREEMENT in the time specified in Article II - Time of Beginning and Completion, the COUNTY may grant a time extension to any or all phases of the work, provided written application is made by the CONSULTANT within ten (10) days after the alleged delay has occurred. Any time extension for work authorized will be based on the ratio that the additional compensation bears to the original fee and time limit.

Section 5 - Termination or Abandonment:

1. The COUNTY shall have the right to abandon or terminate this AGREEMENT or amend its project at any time, and such action shall in no event be deemed a breach of contract.

2. The COUNTY has the right to terminate this AGREEMENT at its sole discretion upon ten- (10) day's written notice and make settlement with the CONSULTANT upon an equitable basis in accordance with the following. In determining the final compensation to the CONSULTANT, the COUNTY shall apply the following:
   a. No consideration will be given to profit which the CONSULTANT might have made on the uncompleted portion of the work.
   b. If the AGREEMENT provides for a lump sum amount, final compensation to the CONSULTANT shall be determined by the OWNER establishing the percent of satisfactory work performed by the CONSULTANT prior to the termination of the AGREEMENT multiplied by the contract amount, less any payments previously made.
   c. If the AGREEMENT does not provide a lump sum amount, final compensation to the CONSULTANT shall be determined by the OWNER confirming all reimbursable costs incurred for satisfactory work performed by the CONSULTANT prior to the termination of the AGREEMENT, less any payments previously made.

SECTION 6 - TERMINATION OF CONTRACT FOR BREACH:

1. The Contract may be terminated by the OWNER for Consultant's breach of any substantive provision of the Contract including, but not limited to, any of the following reasons:
   a. Substantial evidence and belief that the progress being made by the Consultant is insufficient to complete the Work within the specified time.
   b. Deliberate failure on the part of the Consultant to proceed with the Work when so instructed by the OWNER or to observe any requirement of these Specifications.
   c. Failure on the part of the Consultant to promptly make good any defects in the work that may be called to his attention by the OWNER.
   d. In case the Consultant becomes insolvent or is declared bankrupt, or allows any final legal judgment to stand against him unsatisfied, or shall make an assignment for the benefit of his creditors.

2. Before the Contract is terminated, the Consultant will first be notified in writing by the OWNER of the conditions which make termination of the Contract imminent. Fifteen (15) days after notice is given, if no effective effort has been made by the Consultant to correct the conditions for which complaint is made, the OWNER may declare the Contract terminated and will notify the Consultant accordingly.

3. Upon receipt of notice from the OWNER that the Contract has been terminated, the Consultant shall immediately discontinue all operations, safely secure all items of the Work, and remove his equipment. The OWNER may then proceed with completion of the Work.
in any lawful manner that it may elect, until it is finally completed. When thus finally completed, the total cost of the Work (including all previous payments made to the Consultant) will be computed and if this total cost is greater than the Contract price, the difference shall be paid to the OWNER by the Consultant.

Section 7 - Controversy:
1. In any controversy concerning a question of fact in connection with the work covered by this AGREEMENT or compensation therefor, the decision of the Jefferson County Chief Finance Officer in the matter shall be final and conclusive for both parties.

3. The CONSULTANT, without extra compensation, shall carry insurance of the kinds and in amounts set out below. All insurance shall be by companies authorized to do business in Alabama involving those types of insurance. Before beginning work, CONSULTANT shall file with the COUNTY a certificate from his insurer showing the amounts of insurance carried and the risk covered thereby or a copy of the required insurance policies.

Section 9 - General Compliance with Laws:

The CONSULTANT shall comply with the provisions of the Labor Law, all State Laws, Federal and Local Statutes, Ordinances and Regulations that are applicable to the performance of this AGREEMENT, and especially laws, ordinances and statutes prohibiting discrimination in employment of persons on account of race, creed, color or national origin, and all applicable provisions of Title 6, Code of Federal Regulations, and procure all necessary licenses and permits.

Section 10 - Subletting, Assignment or Transfer:
1. There shall be no assignment, subletting, or transfer of the interests of the CONSULTANT in any of the work covered by this AGREEMENT without the express written consent of the COUNTY. Any attempt to assign this contract without the written consent of the COUNTY is null and void. In the event the COUNTY gives such consent, the terms and conditions of this AGREEMENT shall apply to and bind the party or parties to whom such work is consigned, sublet or transferred as fully and completely as the CONSULTANT is hereby bound and obligated.

Section 11 - Employment of County Workers:
1. The CONSULTANT shall not engage, in full or part time or other basis during the period of the AGREEMENT, any professional or technical personnel who are or have been at any time during the period of this AGREEMENT in the employment of the COUNTY, except regularly retired employees, without written consent of the public employer of such person.
2. The CONSULTANT warrants that he has not employed or retained any company, or person, other than a bona fide employee working solely for the CONSULTANT, to solicit or secure this AGREEMENT, and that he has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the CONSULTANT, any fee, commission, percentage brokerage fee, gifts, or any other consideration contingent upon or resulting from the award or making of this AGREEMENT. For breach or violation of this warranty the COUNTY shall have the right to annul this contract without liability or at its discretion deduct from the contract price or consideration or otherwise recover the full amount of such fee, commission, percentage, brokerage fee, gifts, or contingent fee.
3. Section 13 - Conditions Affecting Work:
1. The CONSULTANT shall be responsible for having taken steps reasonably necessary to ascertain the nature, location, scope, and type of work hereunder and the general and local conditions, which can affect the work or the cost hereof. Any failure by the CONSULTANT to do so will not relieve him from responsibility for successfully performing the work without additional expense to the COUNTY. The COUNTY assumes no responsibility for any understanding or representation by any of its officials or agents prior to the execution of this AGREEMENT, unless such understandings or representations by the COUNTY are expressly stated herein.
2. The CONSULTANT and subcontractor are to maintain all books, documents, papers, accounting records and other evidences pertaining to cost incurred for this project, and to make such material available at their respective offices at all times during the contract period and for three (3) years from the date of final payment of the COUNTY Funds under the terms of the contract, for inspection by the COUNTY, or any authorized representative of the COUNTY Government, and copies thereof shall be furnished if requested.
3. During the performance of this contract, the CONSULTANT or itself, its assignees and successors in interest, agree as follows:
   a. Non-Discrimination: The CONSULTANT, with regard to the work performed by it after award and prior to completion of the contract work, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurement of materials and lease of equipment. The CONSULTANT will not participate either directly or indirectly in the discrimination prohibited by or pursuant to Title VI of the Civil Rights Act of 1964 or the Equal Opportunity provisions of Executive Order 11246 of September 24, 1965. The CONSULTANT will abide by all clauses and stipulations in, and as required by Jefferson County Commission Administrative Order 08-4.
   b. Solicitations of Subcontractor, Including Procurement of Materials and Equipment: In all solicitations, either by competitive bidding or negotiations made by CONSULTANT for work to be performed under a subcontract, including procurement of materials or equipment, each potential subcontractor or supplier shall be notified by the CONSULTANT of the CONSULTANT’S obligations under this contract and the regulations relative to nondiscrimination on the grounds of race, color, or national origin.
   c. Sanctions of Noncompliance: In the event of the CONSULTANT’S noncompliance with any provisions of this contract, the COUNTY shall impose such contract sanctions as it may determine to be appropriate, including but not limited to:

The interpretation and enforcement of this Agreement will be governed by the laws of the State of Alabama, without giving effect to the conflict of laws rules thereof. BE IT RESOLVED BY THE JEFFERSON COUNTY COMMISSION that the President is authorized to execute a Memorandum of Understanding between Jefferson County, Alabama, d/b/a the Board of Equalization (BOE), the Alabama Department of Revenue and the District Attorney for the Tenth Judicial Circuit of Alabama to represent the State of Alabama and/or the BOE in all tax appeals filed.

MEMORANDUM OF UNDERSTANDING

The following Memorandum of Understanding ("MOU") is entered into between the Alabama Department of Revenue (hereinafter the "Revenue Department"), the District Attorney for the Tenth Judicial Circuit of Alabama (hereinafter the "District Attorney"), and Jefferson County, Alabama d/b/a the Board of Equalization (hereinafter the "BOE"), and is intended to memorialize an agreement whereby the District Attorney will provide and assign a full-time Deputy District Attorney position to be funded by the Reappraisal Fund to represent the State of Alabama and/or the BOE in all tax appeals filed pursuant to Alabama Code §40-3-25 and/or the Expeditious and Economical Tax Appeals Act. The Revenue Department, the District Attorney, and the BOE expressly acknowledge and agree to the following:

1. At all times prior to this MOU, Deputy District Attorneys employed in the Birmingham Division and the Bessemer Divisions of Jefferson County defended the State of Alabama and/or the BOE in all tax appeals filed in the Birmingham and Bessemer Divisions of Jefferson County pursuant to Alabama Code §40-3-26. In order to accomplish this, a Deputy District Attorney employed in the Birmingham Division and a Deputy District Attorney employed in the Bessemer Division were assigned to defend the State of Alabama and/or the BOE, in conjunction with all other civil and criminal responsibilities.

2. Due to the increasing number of appeals and the inherent complexity of the litigation, the parties believes it is in the best interest of the Revenue Department, the District Attorney, and the BOE to provide a dedicated representation of the State of Alabama and/or the BOE, in both the Birmingham and Bessemer Divisions of Jefferson County.

3. Therefore, it is hereby agreed that the District Attorney will provide a designated Deputy District Attorney (hereinafter the "BOE Attorney") who will represent the State of Alabama and/or the BOE in all tax appeals filed in the Birmingham and Bessemer Divisions of Jefferson County pursuant to Alabama Code §40-3-25 and/or the Expeditious and Economical Tax Appeals Act.

4. The BOE Attorney shall enter an appearance and provide a defense of the State of Alabama and/or the BOE in every case as described in paragraph 3 herein. CONTRACT NO: 0000
RFP NO.101-13

LAUNDRY SERVICE

THIS AGREEMENT entered into this 1st day of October 2013, by and between Jefferson County, Alabama, hereinafter called "the County", and Blount Linen Services located at 402 Blue Bell St, Oneonta, AL 35121 hereinafter called "the Contractor". The effective date of this agreement shall be October 1, 2013.

WHEREAS, the County desires to contract for Laundry Service for Jefferson County Cooper Green Mercy Health Services, hereinafter called "Cooper Green Mercy Health Services", and

WHEREAS, the Contractor desires to furnish said services to the County.

NOW, THEREFORE, the parties hereto do mutually agree as follows:

1. ENGAGEMENT OF CONTRACTOR: The County hereto agrees to engage the Contractor and the Contractor hereby agrees to perform the services hereinafter set forth.

2. SCOPE OF SERVICES: This Contract results from Jefferson County's Request for Proposal No. 101-13 dated May 6, 2013, the terms of which are included herein by reference. Jefferson County, Alabama d/b/a Jefferson County Cooper Green Mercy Health Service desires to enter into contract with a Contractor to provide laundry services for their facility on an as needed basis as described below:

   - Clean Linen Delivery and Soiled Linen Pick-Up Service The contractor will be expected to provide consistent pick-up and delivery services in accordance with schedule as provided by the location. Clean linen will be delivered in bulk and soiled linen will be collected based on the facility's needs.
   - Soiled Sorting/Handling To ensure the best possible washing and finishing quality, all linens need to be pre-sorted into distinct categories in accordance with item specifications, while all waste is removed before processing. The bidder is expected to observe universal precautions at all times as it pertains to the handling of soiled healthcare linens.
   - Linen Processing Linens are processed daily on a fixed schedule. As linens are received, soiled weights are recorded; as goods are finished and packed for delivery, clean weights and pieces are also recorded.
   - Linen Reclamation Normal rewashing is provided for linen that is not satisfactorily clean after regular processing.
- **Stained/Torn Linen Rejects** The provider will be expected to pull all “unacceptable stained/torn” linen before shipment to any facility. Any linen received and deemed unacceptable by the facilities shall be returned and accepted for full credit.

- **Cart Packing**
  After sanitizing, linen carts are filled with clean linens. Carts are to be covered for protection during transport with a heavy-gauge poly liner, or cart cover for the unit specific order carts, which holds linen securely while providing a deterrent to pilferage as well. Any and all coverings used by the provider must be approved by the facility before use. A complete description must be included with the proposal package.

- **Shipping Documentation**
  Each linen cart has a packing list that specifies the quantity of each linen item per cart, the weight of the cart and the weight of the clean linen. Each delivery is accompanied by a manifest, which provides a summary of all carts delivered that day.

- **Circulating Linen Inventory**
  It is a generally accepted principle that adequate supplies of circulating linen inventory are essential to an effective service program. The contractor will jointly establish par levels for each linen item, and the contractor must continually monitor these to ensure needs and requirements are met.

- **Internal Linen Distribution**
  The facilities will retain internal clean linen distribution and soiled linen collections responsibilities unless otherwise specified. Timely and full collection of all soiled linens is essential to ensure the circulating linen inventory is not compromised. The Contractor should be prepared to assume responsibility and quote services based on the specific needs of the facility if needed.

- **Linen Program Coordinator**
  The provider must assign a customer service representative who will work directly with the facilities authorized contact person. The customer service representative will ensure customer satisfaction and facilitate linen utilization programs and systems. The customer service representative should also be empowered to satisfy service needs and will be fully supported by the vendor's management team.

- **Quality Assurance**
  Each user of this service places a high value on quality and service excellence. The provider's approach to quality assurance shall be provided in the proposal. The quality program should include monitoring and measure indicators to ensure service excellence including customer feedback.

**Quality Assurance (cont.)**
  The quality program should include monitoring processes to ensure the production of clean, bright linen and identify and appropriately handle stained and torn linen. This program consists of, but is not limited to:
  - The use and testing of wash formulas to ensure sanitization, with regular monitoring to ensure wash solutions have the correct pH to preserve linen life and to enhance patient comfort.
  - The treatment of stained linens with special formulas for stain removal, to facilitate return of the linens to useful life.
  - Routine determination to ensure water hardness levels are not interfering with the proper functioning of chemicals in the wash formulas.
  - Periodic inspections of clean linens prior to shipment. Each piece must be inspected.
  - Results of inspection findings must be recorded and an internal preshipment reject rate must be tracked.
  - Taking cultures of linen, machinery, and material handling equipment and submitting to an independent laboratory for analysis when requested.

This program consists of, but is not limited to:
  - Tracking of our delivery and pick-up times at the locations we serve. Tracking and measurement of our fill-rate performance (i.e., are we delivering the quantities of linen requested).
  - Routine sampling of end-user satisfaction through use of a questionnaire. We have procedures in place for correcting those areas found to be deficient and our quality assurance tools are available for customer review.
  - Linen Utilization
    The provider is expected to take an active role in working with each facility in an effort to reduce linen usage. Less linen used translates into immediate cost savings. In concert with each facility, and provide resources, education, and training aids in an ongoing campaign to continually reduce linen use.

The provider is expected to work with each facility to design a program with the intent of identifying opportunities to reduce linen usage without compromising patient care.

- **Linen Usage Software**
  The provider is expected to provide a user-friendly linen usage Web-based software program for use at each facility. The software tracks usage by user areas and calculates maximum and minimum delivery levels for each item. The system not only recommends...
pars for each area or unit specific order cart but also provides information to allow examination of each unit's linen costs. The software should have the capability to be used to charge back linen costs to user areas. This tool should also help target units with exceptionally high linen utilization and help identify usage trends.

• Lost and Found Articles
Provider will ensure that any items found in the incoming soiled linen are set aside, marked with the customer's name for safe keeping, and returned.

• Emergency Back Up Support
Provider must explain preparation and contingency planning in proposal section entitled "project approach". Contingency and Emergency Plans must address; 1) Bad weather, 2) equipment or utility failures in the laundry or Plant emergency, 3) transportation or accident delays, or 4) specific crisis affecting individual facilities.

MEMORANDUM OF AGREEMENT
BETWEEN THE ADMINISTRATIVE OFFICE OF COURTS
AND
THE JEFFERSON COUNTY COMMISSION

This agreement is between the Alabama Administrative Office of Courts (A.O.C.) and the Jefferson County Commission ("Commission"). This agreement is entered into as a result of the recognition by the parties that court security is the responsibility of both the A.O.C. and the County and the Sheriff. The bailiffs and other court personnel who provide such security are employees of the State of Alabama but the Commission is making this commitment because without it the Courts of Jefferson County could not continue to operate at their current level of security.

1. The Commission agrees to reimburse the A.O.C. for the total costs of bailiffs working in the Courts of Jefferson County, Birmingham and Bessemer Divisions (the "Jefferson County Courts"), in a maximum amount not to exceed $833,293.89.

The specific employees who will be paid from the funds furnished by the Commission are those employees of the Circuit and District Criminal Judges and the Family Court Judges of the Birmingham and Bessemer Divisions of the Court and have been selected and designated by the Presiding Judge of Jefferson County and identified with salaries on Exhibit A attached. Some of these employees will be entitled to specific individual merit increases during the term hereof which amounts shall be added as appropriate. As these individuals leave the employment of the Jefferson County Courts, the Commission's obligation will be reduced correspondingly. As the vacancies are filled, the County's obligation shall be increased correspondingly, but not to exceed the maximum amount set out in paragraph one, above.
3. This agreement is for the State Fiscal Year of October 1, 2013 until September 30, 2014 and will expire at that time.
4. In a timely manner, the A.O.C. will send an itemized bill to the Presiding Judge of the Tenth Judicial Circuit for audit and preparation for payment.
5. The A.O.C. will immediately notify the Presiding Judge of the Tenth Judicial Circuit and the Chairman of the Commission in the event that the A.O.C. receives funding from the Alabama Legislature or any other source for the purpose of paying security personnel and/or additional operating costs of the Unified Court System. Thereupon, A.O.C. and the Commission shall confer and consider a reduction or termination of the Commission's participation herein.
6. This agreement may be cancelled at will by the Commission upon giving written notice to the A.O.C. at least thirty (30) days prior to such termination.
7. It is understood by the parties that Section I I of Act No. 2004-562, the General Fund Appropriations Act, authorized counties to make donations, gifts or contributions to state departments and other entities to be automatically re-appropriated to such state departments and other entities for purpose or purposes for which the grant or contribution was or shall be made.

8. It is also understood that failure of any entity or official to make the payments set forth, above will result in the layoff (merit) or termination without prejudice (non-merit) of the affected employees.
