Excess Workers Compensation
Midwest Employers Casualty Company's
Claim Administration and Payment Assignment Agreement

BE IT RESOLVED BY THE JEFFERSON COUNTY COMMISSION that the President be, and hereby is, authorized to execute an agreement between Jefferson County Commission and Midwest Employers Casualty Company ("MECC") to grant MECC the sole responsibility and liability for the administration and disposition of all aspects of the Assigned Claims, including without limitation, the investigation, handling, settlement, defense and appeal of the Assigned Claims and payment of all loss and expenses arising under or relating to the Assigned Claims. The Assigned Claims are claims which we have made payments that have exceeded the applicable Specific Retention of the Excess policy.

Claim Administration and Payment Assignment Agreement
Whereas, Midwest Employers Casualty Company ("MECC") and Jefferson County Commission ("INSURED") enter into this Claim Administration and Payment Assignment Agreement ("Agreement"), which shall become effective fifteen (15) days after the Insured signs the Agreement ("Effective Date").

Whereas, MECC has issued excess workers' compensation indemnity policies ("Excess Policies") to the INSURED.

Attached hereto as Exhibit A is a listing of excess claims (hereinafter "Assigned Claims") for which the INSURED has made payments that have exceeded the applicable Specific Retention of the Excess Policies. Exhibit A may be amended by the parties, from time to time, to add other excess claims in reimbursement.

MECC hereby grants and assigns to MECC authority to administer the investigation, handling settlement, defense, appeal and payment of loss and expenses arising under or relating to the Assigned Claims and such matters will be under MECC's control and within its sole discretion. MECC will bear all expenses and costs incurred by it in connection with the administration and disposition of the Assigned Claims.

In its sole discretion, MECC may select a third party administrator ("TPA") to perform claims administration services pertaining to the Assigned Claims.

INSURED will cause all information and notices regarding the Assigned Claims actually received by the INSURED after the Effective Date to be promptly reported to MECC or MECC's designated representative, and will undertake reasonable measures to ensure that all such notices are promptly delivered to MECC or MECC's designated representative.

All loss and expenses regarding the Assigned Claims that MECC determines to constitute reimbursable loss under the Excess Policies will be paid directly and promptly by MECC.

Cooperation. INSURED and MECC agree to act in good faith and cooperate with each other in effecting the assignment of the Assigned Claims provided for in this Agreement.

Upon demand by, and in accordance with instructions of MECC, INSURED shall deliver, or cause to be delivered, originals or copies of all claim file materials, records and data pertaining to the Assigned Claims to MECC or its designated representative, as are necessary for MECC to perform its obligations under this Agreement. MECC or its designated representative shall retain the claim files, and other documents received by it from INSURED as required by applicable law. Upon reasonable notice, MECC and INSURED will each be entitled to reasonable access to the books and records of the other party at any reasonable time, but only to the extent such materials pertain to the Assigned Claims under this Agreement. Each party will pay its own expenses associated with any such review of books and records.

INSURED hereby authorizes the release and disclosure of all claim file materials, records and data pertaining to the Assigned Claims directly to MECC, or its designated representative, from the INSURED's TPA or any other third party that possesses such information.

Regulatory Approval. INSURED and IVIECC shall take all actions necessary to assist each other in obtaining all requisite regulatory approvals, if any, or responding to information requests of those insurance regulatory authorities asserting jurisdiction over the transactions herein described.

Assessments. INSURED shall be responsible for any and all loss-based assessment(s) relating to loss payments made on the Assigned Claims (including, but not limited to second injury funds, guaranty funds and similar loss-related assessments), including those for loss payments made by MECC after the Effective Date. MECC shall provide the INSURED with the loss payment information necessary to calculate the amount of assessments due.

Reporting. MECC and the INSURED shall coordinate the continued regulatory claims data reporting relating to the Assigned Claims. If after the Effective Date, the INSURED continues to bear the legal responsibility of regulatory claims data reporting for the Assigned Claims, MECC shall timely provide the INSURED, or its designee, with the pertinent information necessary to meet said reporting requirements.

Indemnification and Hold Harmless. MECC agrees to indemnify, defend and hold the INSURED harmless for and against any and all claims, damages, liability, suits, actions, proceedings, costs, fines, penalties or expenses, whatsoever, including payment of reasonable attorneys' fees and costs, suffered or incurred by the INSURED in connection with or in any way arising out of MECC's actions or inactions, occurring after the Effective date, in administering the Assigned Claims. This indemnification and hold harmless shall not extend to, and MECC shall not be responsible for, any liability arising from the INSURED's failure to meet its own obligations in Section 4. Assessments.
or in Section 5. Reporting, as set forth above.

7. Other Rights Under the Policy Not Affected. The Parties recognize that this Agreement does not alter, affect, or purport to discharge any other right, duty, or obligation of INSURED or MECC under the Excess Policies both in connection with the Assigned Claims or any other workers' compensation claims against INSURED.

8. Governing Law. This Agreement shall be governed by the laws of the State of Alabama without regard to any rules of conflict or choice of laws.

9. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all, which together shall constitute one and the same instrument. The parties may sign and deliver this Agreement by electronic transmission. Facsimile signatures, signatures on an electronic image (such as .pdf or jpg format), and electronic signatures shall be deemed to be original signatures.
