BE IT RESOLVED BY THE JEFFERSON COUNTY COMMISSION that the President be, and hereby is, authorized to execute an Amendment #1 to the Agreement to Provide Engineering Services for Collection System Asset Management Program between Jefferson County, Alabama and Hazen & Sawyer, P.C. This Amendment increases the contract value by $625,000.00 to an amended total of $3,551,000.00.

AMENDMENT NO. 1
TO AGREEMENT TO PROVIDE
ENGINEERING SERVICES FOR
COLLECTION SYSTEM ASSET MANAGEMENT PROGRAM

This is an Amendment to the Contract by and between Jefferson County, Alabama through the Environmental Services Department, hereinafter called "the OWNER" and Hazen and Sawyer, P.C., hereinafter called "the CONSULTANT" to provide engineering services related to the Collection System Asset Management Program.

WITNESSETH:

WHEREAS, the OWNER agrees that additional work was necessary to complete the program under the provisions of ARTICLE IV – MISCELLANEOUS PROVISIONS, SECTION 1 – CHANGES OF WORK; and
WHEREAS, the OWNER desires to amend the contract; and
WHEREAS, the CONSULTANT wishes to amend the contract.

NOW, THEREFORE, in consideration of the above, the parties hereto agree as follows:
The agreement between the parties which was approved by the Jefferson County Commission on February 14, 2012, is hereby amended as follows:

I. AMENDMENT TO ARTICLE I – SCOPE OF WORK
Amend Article I – Scope of Work, Section 1 – Obligation of the CONSULTANT to the OWNER to include the following engineering services:
1. Design of an additional 27,000 Linear Feet of Gravity Sewer. This additional footage shall include replacing existing defective sewers, structurally unsound sewers, sewers with existing sags, and upsizing of capacity limited sewer sections. This additional design shall include any required surveys that are not performed by the OWNER.
2. Lincoln Avenue – The subject gravity sewer line will be replaced to upsize the capacity limited sewer line and eliminate siphons and improve long term reliability. The new gravity sewer line will be approximately 6,800 linear feet in length and include 8-inch and 20-inch ductile iron sewer and 15-inch PVC sewer. This task also includes part-time inspection (approximately half time) assuming this contract and Contract A run in parallel and that the inspector for Contract A can assist with inspection services as needed.
3. Chapel 2 Rehabilitation Design – The pump station that serves this area has had Sanitary Sewer Overflows and the gravity sewer that discharges into the pump station is in need of rehabilitation to reduce the volume of infiltration and inflow (I/I). JCESD will provide the CCTV data and the Consultant will design the rehabilitation project. The goal is to include this design in Contract A.
4. Emergency Manhole Repair – This task includes the design of emergency repairs to six (6) manholes upstream from Hackberry Lane that were damaged during the flooding of April 6, 2014.
5. Construction Services – This task provides additional engineering services during construction for the pilot construction project. The original pilot construction project was anticipated to take 6 months. Due to the size of the pilot area and deficiencies, the pilot project construction projects (Contract A and B) will now have a construction period of 11 months. This task provides additional inspection services and construction administration for the added construction duration.
6. Eastern Valley Road Forcemain Replacement – This task replaces the existing forcemain with an HDPE forcemain due to numerous forcemain breaks and the resulting Sanitary Sewer Overflows (SSOs). The existing 6-inch forcemain was constructed of Ductile Iron Pipe (DIP) which is susceptible to corrosion from sewer gases (H2S) unless the pipe is specially coated to prevent corrosion. The exiting DIP is corroding to the point that it is breaking on a fairly regular basis. The replacement project was initiated to replace the known problem areas with High Density Polyethylene (HDPE) pipe which is more suitable for transporting sewage and the resulting sewer gases.
7. Construction Practices Evaluation – This task is to evaluate and make recommendations to improve the efficiency of the Construction Group with the goal of making the Construction Group more productive. This task does not include Construction Training.
8. 2014 TVI Assistance – This task is needed to CCTV areas with a high likelihood of infiltration and inflow (I/I). This task will include preparation of plans and specifications, limited construction administration, and quality control evaluations. No inspection services will be provided.

I. AMENDMENT TO ARTICLE II – TIME OF BEGINNING AND COMPLETION
Amend Article II – Time of Beginning and Completion as follows:
1. Exhibit C shall be modified to reflect the following:
The Contract time shall be extended from 36 months to 43 months or until September 14, 2015.

I. AMENDMENT TO ARTICLE III – PAYMENT
Amend Article III – Payment, Section 1 as follows:
1. In consideration of the change in the Scope of Work of the project as described by this AMENDMENT, the contract amount shall be increased by $625,000 to a revised maximum engineering cost of $3,551,000.00.

ARTICLE VI
IN WITNESS WHEREOF, the Parties have hereunto affixed their signatures, Hazen and Sawyer, P.C., on the _____ day of ________________________, 2014, and the OWNER on the _____________ day of ____________, 2014.

Any time extension for work authorized will be based on the ratio that the additional compensation bears to the original fee and time limit.

2. In the event that the COUNTY determines that the delays are avoidable and time extensions are not granted, the CONSULTANT may be subject to a liquidated damages charge of $100 per day for each calendar day exceeding the time specified in Article II.

SECTION 5 - TERMINATION OR ABANDONMENT

   C. If this AGREEMENT does not provide a lump sum amount, final compensation to the CONSULTANT shall be determined by the COUNTY, confirming all reimbursable costs incurred for satisfactory work performed by the CONSULTANT prior to the termination of the AGREEMENT, less any payments previously made.

SECTION 6 – TERMINATION OF CONTRACT FOR BREACH

1. The Contract may be terminated by the COUNTY for CONSULTANT's breach of any substantive provision of the Contract including, but not limited to, any of the following reasons:
   A. Substantial evidence and belief that the progress being made by the CONSULTANT is insufficient to complete the Work within the specified time.

   D. In case the CONSULTANT becomes insolvent or is declared bankrupt, or allows any final legal judgment to stand against him unsatisfied, or shall make an assignment for the benefit of his creditors.

1. Before the Contract is terminated, the CONSULTANT will first be notified in writing by the COUNTY of the conditions which make termination of the Contract imminent. Fifteen (15) days after notice is given, if no effective effort has been made by the CONSULTANT to correct the conditions for which compliant is made, the COUNTY may declare the Contract terminated and will notify the CONSULTANT accordingly.

2. Upon receipt of notice from the COUNTY that the Contract has been terminated, the CONSULTANT shall immediately discontinue all operations, safely secure all items of the Work, and remove his equipment. The COUNTY may then proceed with completion of the Work in any lawful manner that it may elect, until it is finally completed. When thus finally completed, the total cost of the Work (including all
previous payments made to the CONSULTANT) will be computed and if this total cost is greater than the Contract price, the difference shall be paid to the COUNTY by the CONSULTANT.

In the event the COUNTY determines that such work does constitute extra work, additional time for completion of contract may be given, and payment for the additional work shall be negotiated by Supplemental Agreement prior to work being undertaken by the CONSULTANT.

Likewise, during the term of this AGREEMENT any service specified may be deleted and/or reduced at the discretion of the COUNTY. If such deletion or reduction becomes desirable, the CONSULTANT will be given advance notice, and an equitable reduction in the CONSULTANT's fee will be made on a proportional basis.

Any time extension for work authorized will be based on the ratio that the additional compensation bears to the original fee and time limit.

2. In the event that the COUNTY determines that the delays are avoidable and time extensions are not granted, the CONSULTANT may be subject to a liquidated damages charge of $100 per day for each calendar day exceeding the time specified in Article II.

SECTION 5 - TERMINATION OR ABANDONMENT

1. The COUNTY shall have the right to abandon or terminate this AGREEMENT or to amend this AGREEMENT at any time, and such action shall, in no event, be deemed a breach of contract.

If this AGREEMENT provides for a lump sum amount, final compensation to the CONSULTANT shall be determined by the COUNTY, establishing the percent of satisfactory work performed by the CONSULTANT prior to the termination of the AGREEMENT multiplied by the contract amount, less any payments previously made.

   C. If this AGREEMENT does not provide a lump sum amount, final compensation to the CONSULTANT shall be determined by the COUNTY, confirming all reimbursable costs incurred for satisfactory work performed by the CONSULTANT prior to the termination of the AGREEMENT, less any payments previously made.

1. Before the Contract is terminated, the CONSULTANT will first be notified in writing by the COUNTY of the conditions which make
termination of the Contract imminent. Fifteen (15) days after notice is given, if no effective effort has been made by the CONSULTANT to correct the conditions for which compliant is made, the COUNTY may declare the Contract terminated and will notify the CONSULTANT accordingly.

2. Upon receipt of notice from the COUNTY that the Contract has been terminated, the CONSULTANT shall immediately discontinue all operations, safely secure all items of the Work, and remove his equipment. The COUNTY may then proceed with completion of the Work in any lawful manner that it may elect, until it is finally completed. When thus finally completed, the total cost of the Work (including all previous payments made to the CONSULTANT) will be computed and if this total cost is greater than the Contract price, the difference shall be paid to the COUNTY by the CONSULTANT.

Nothing contained in this paragraph should be construed to obligate CONSULTANT to indemnify the COUNTY for its own negligence, the negligence of its contractors, or subcontractors, or others.

Section 2. Findings and Recitals. Following due investigation and study, the Board has found and determined and does hereby find and declare as follows:

BE IT RESOLVED BY THE JEFFERSON COUNTY COMMISSION that the President is authorized to execute the following agreement between Jefferson County, Alabama and the District Attorney and Deputy District Attorney ____________ to have the County provided compensation, pension contribution and health insurance amounts paid directly to the Office of Prosecution Services and merged with State provided compensation and paid to the Deputy District Attorney on the OPS payroll so that the entire compensation may be considered for the State pension.

David Keel Holly Clemente Natalie Vann

PAYROLL AUTHORIZATION

RECITAL:

Alabama law requires Jefferson County to pay specified annual compensation to the Birmingham and Bessemer District Attorneys and their deputies. The law also requires the State to pay a portion of the compensation for the District Attorneys and for some of the Deputy District Attorneys. Where the compensation responsibility is divided between the County and the State, the Attorneys' pension membership is also divided between the County pension and the State pension. Through this Agreement, the parties establish an option for the District Attorneys and the Deputy District Attorneys to elect to have the County provided compensation, pension contribution and health insurance amounts for single or family coverage paid directly to the Office of Prosecution Services (OPS) and merged with the State provided compensation and paid to the Deputy District Attorney on the OPS payroll so that the entire compensation may be considered for the State pension.

WITNESSETH:

IN CONSIDERATION OF THE PREMISES, Jefferson County (the County), the District Attorney and the Deputy District Attorney agree as set out below:

Definition: As used herein the term "County provided compensation/benefits" shall mean:

a) The respective salary amounts for DDA's established by legislative act (and as amended) applicable to the Birmingham and Bessemer District Attorneys Offices and directed to be payable by Jefferson County as salary compensation;

b) An amount equal to 3% of the salary compensation representing an employer pension match;

c) An amount equal to 75% of the amount paid by the State toward the cost of State health insurance for either single or family coverage elected by the DDA.

* In accordance with past practice, the County shall include an amount for FICA upon the condition that the County will be reimbursed by the State.

1) By execution below, the Deputy District Attorney hereby elects to have his County-provided compensation/benefits paid directly to the Office of Prosecution Services and merged with his State-provided compensation and paid to him on the OPS payroll.

2) By execution below, the District Attorney hereby endorses and approves the above election of the Deputy District Attorney.

3) The County hereby agrees to make the quarterly payments in advance, no later than the 10th day of the months January, April, July and October of each year, of the County-provided compensation/benefits, directly to the Office of Prosecution Services for merger with the State-provided compensation and paid to the deputy district attorney on the OPS payroll.

4) The amount initially to be paid by the County is set out on the attachment. Provided however, the amounts shall be automatically
amended to reflect changes in the compensation to be paid by the County; i.e., the annual step raises and promotions for Deputy District Attorneys and changes in insurance coverage and the amount paid by the State.

5) The effective date of this Agreement shall be _______, 2014.

IN WITNESS WHEREOF, the parties have executed this Agreement as reflected below.
