THIS ENCROACHMENT AGREEMENT (this "Agreement") made as of the 27th day of July, 2015, by and between W. Banks Petrey and Bragan D. Petrey (the "Owners"), Jefferson County, Alabama (the "County"), and the City of Mountain Brook, Alabama (the "City").

RECITALS

A. Owners own the real property located in Jefferson County, Alabama (the "Property") which is more particularly described as follows:

Lot 10, part of Lot 9, and part of that certain street which has been vacated, said street being an extension of Winthrop Avenue, in Block 1, according to the Map and Survey of Colonial Hills, as recorded in Map Book 18, Page 22, in the Office of the Judge of Probate of Jefferson County, Alabama, more particularly described as follows:

Beginning at the Southeast corner of Lot 10, in said Block 1, and run thence North along the West line of Norman Drive, 90 feet; thence an angle to the left of 90 degrees and run West parallel with the North line of Lot 9, in said Block 1 for 150 feet to the West boundary line of said Block 1; thence South along the West boundary of said Block 1, 90 feet to the Southwest corner of Lot 10, in said Block 1, thence East along the South line of said Lot 10, 150 feet to the Point of Beginning.

B. There are presently in place active underground sewer lines along the south and west border of the Property for which easements have been described on the "Petrey Resurvey", as recorded in Map Book 18, Page 22, in the Office of the Judge of Probate of Jefferson County, Alabama.

C. The Owners and the County have created a formal written easement for the subject underground sewer lines and as referenced herein have contemporaneously entered into such a written agreement (the "Easement Agreement") that will, by its own terms, be subject and incorporate to the terms herein. By signing these documents, the County and the Owners seek to allow the County to maintain and operate the subject underground sewer lines, but at the same time preserve the ability of Owners to use, enjoy and if necessary, replace their guest house (the "Guest House") which in part overlays on the "Easement Area" as defined in the Easement Agreement.

D. The Easement Agreement shall be recorded in the Office of the Judge of Probate of Jefferson County, Alabama.

E. Owners acknowledge that the Guest House in part encroaches on the Easement and that any future improvements on the current Guest House building approved by the County may encroach on the Easement (collectively, the "Owners' Improvements"). Owners further acknowledge and agree that any future County approval is limited to the allowance/existence of the current Owners' Improvements or replacement thereof. No expansion of the current encroachment by the Guest House shall be allowed.

F. Owners and County mutually desire to enter into this Easement Agreement and address the relationship of the Guest House to the Easement.

AGREEMENT

Before electing to exercise its rights hereunder to remove all or part of the Owners' Improvements, the County shall use its best efforts to avoid taking such step and instead shall seek to perform the intended work by other trenchless means - which would seek to avoid destruction of or damage to the Guest House, or other improvements on the Property. Such obligation, however, contemplates that the County may factor in overall economics of the various options to effect the subject work, and the degree of immediacy needed to perform the subject work so as to prevent and/or stop a health hazard. In the event that Owners' Improvements within the Easement Area are damaged due to Jefferson County's proper exercise of the Easement Rights, the costs of repair or replacement of Owners' Improvements or personal property will be borne solely by Owners. Owners fully and forever release and discharge the County from any and all liability, cost, damage, or expense to Owners' Improvements or improvements located adjacent to the Easement suffered or incurred by Owners as a result of the County's proper exercise of its Easement Rights inside the Easement.

2. Subject to the terms of this Agreement, the County grants Owners a license for Owners' Improvements, as more particularly shown on Exhibit A attached hereto. Exhibit A details all of Owners' Improvements that will encroach on Easement Area, and no other greater or further improvements in the Easement Area will be allowed. No such past, present or future encroachment whatsoever will constitute an adverse possession by Owners of the Easement or Easement Rights or constitute any form of waiver or abandonment of all or any part of the Easement or of any Easement Rights. Owners expressly reserve the right set forth in the Easement to cross the Easement with tracks, roads or driveways for any purpose. over the Property subject to the Easement.

3. City agrees that, in the event the Guest House is removed or disturbed as provided in paragraph 1 hereof such that same may no longer be maintained or located in the Easement Area, Owners shall have the right to relocate the Guest House outside the Easement Area, provided that such relocated Guest House shall be situated as close as possible to the location of Guest House as of the date of this Agreement; that the relocated Guest House consists of no more square footage than that existing as of the date of this Agreement; and that the footprint of such relocated Guest House is as close as practicable to that currently existing.

4. This Agreement shall be governed by and construed in accordance with the laws of the State of Alabama.

5. Commissioner Carrington’s Statement:

My September 24, 2015 Statement on the Old South Mural, Convicted Commissioners Pictures in the Commission Chambers Entry Hall and Swastika-Like Images on the Exterior Walls of the Courthouse

Commissioners, I have frequently described our role as janitors. Whether we like it or not – whether we're comfortable with it or not – we were elected by our respective constituents to clean up the messes left by our predecessors.

In retrospect, we have not always been in unanimous agreement on each issue we've faced, but, as a body, we have been willing to collectively make difficult decisions and move on. I, like each of you, have found myself on the opposite side of a majority decision. But, as a body, we do what the majority feels is right and move on.

With that said, I believe that there are multiple Courthouse images that send the wrong signals about who we are as a community: (1) the 1934 Old South mural that is prominently displayed in the Linn Park entrance to the courthouse that depicts slaves picking cotton for a plantation owner; (2) pictures of former county commissioners who were convicted of felonies being honorably displayed in the entry hall to the Commission Chambers; and (3) swastika-like images etched into the outside walls of this very Courthouse.

Commissioners, I don't believe in human trafficking whether it happened 200 minutes ago in Thailand or 200 years ago in Africa; I don't believe in religious cleansing whether it happened 75 minutes ago at the hands of ISIS or 75 years ago at the hands of the Nazis; and I don't believe that positions of honor should ever be held by self-dealing elected officials who betrayed the public's trust.

I personally believe that these particular images belong in art museums and history books, not in our County Courthouse where the business of all the people is conducted – not just for the whites, but for the blacks and browns as well – not just for the Christians, but for the Jews and Buddhists as well – and not just for the powerful, but for the downtrodden and powerless as well.

Commissioners, I started by saying that we've faced many difficult decisions during our tenure. But, in my opinion, the modification or removal of the images I've mentioned above is not a difficult one.

We've received a settlement check from BP to restore damage to our community. I can't think of any better use for this money than to begin the re-branding of Jefferson County, starting with the careful, cost-effective modification or removal of these images as expeditiously as possible.

David Carrington

The Commission Meeting was re-convened and adjourned without further discussions or deliberations at 9:00 a.m., Thursday, October 8, 2015.
