Maintaining business relationships with the County's vendors and suppliers is critical to the County's restructuring efforts. Accordingly, the County Commission has resolved that it will pay its trade debts that arose before the County filed for chapter 9 as and when those debts become due, so long as the vendor to whom such debt is due continues to provide goods and services to the County while it is in chapter 9 on the same terms that it provided goods and services to the County before it filed for chapter 9. Also, any goods and services provided to the County after it filed for chapter 9 will, of course, be paid by the County in accordance with the parties' agreed upon terms.

The County appreciates greatly the support that our vendors and suppliers have provided us over the years, and will continue to provide during this time of restructuring.

OCTOBER 21, 2013

1. ENGAGEMENT. Warren Averett, LLC is pleased to confirm our understanding of the services we are to provide for The Jefferson County Commission (the Commission). The agreed-upon procedures are being performed in association with the Preliminary Official Statement and the final Official Statement, respectively (together, the Official Statement) of the Jefferson County Commission Senior Lien Sewer Revenue Current Interest Warrants Series 2013-A, Senior Lien Sewer Revenue Capital Appreciation Warrants Series 2013-B, Subordinate Lien Sewer Revenue Capital Appreciation Series Warrants 2013-C, Subordinate Lien Sewer Revenue Convertible Capital Appreciation Warrants Series 2013-D and Subordinate Lien Sewer Revenue Current Interest Warrants Series 2013-E (collectively, the Series 2013 Warrants). This engagement is solely to assist the Commission and the Underwriters in connection with the Official Statement.

3. RESPONSIBILITIES OF WARRENAVERETT, LLC: Our engagement to apply agreed-upon procedures will be conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of those parties specified in the letter. Consequently, we make no representation regarding the sufficiency of the procedures described in the attached letter either for the purpose for which this letter has been requested or for any other purpose. If, for any reason, we are unable to complete the procedures, we will describe any restrictions on the performance of the procedures in our letter, or will not issue a letter as a result of this engagement.
Because the agreed-upon procedures listed in the attached letter do not constitute an examination, we will not express an opinion on any information included in the Official Statement subjected to our procedures. In addition, we have no obligation to perform any procedures—beyond those listed in the attached letter.

We will submit a letter listing the procedures performed and our findings. This letter is intended solely for the use of the parties specified in the letter, and should not be used by anyone other than these specified parties. Our letter will contain a paragraph indicating that had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

Our initial report will be dated on or before the date of the Preliminary Official Statement but prior to the execution of the Warrant Purchase Agreement and our follow-up report will be dated within five days of the scheduled closing date of the Series 2013 Warrants. These reports will be similar to that in Exhibit I. Any significant changes made in the draft report in Exhibit I will be communicated to you.

We understand that we will also be requested to provide a consent to include our report on the audited financial statements of the Commission as of and for the year ended September 30, 2012, in the Official Statement. Consequently, this engagement includes the performance of certain “keeping current” procedures that would enable us to issue a consent to include our report on the audited financial statements in the Official Statement.

This engagement will not include any procedures designed to detect fraud, theft or illegal acts and the Commission agrees that we will have no responsibility to do so.

4. MANAGEMENT RESPONSIBILITIES: You are responsible for the presentation of the information in the Official Statement in accordance with prescribed standards; and for selecting the criteria and determining that such criteria are appropriate for your purposes. You are also responsible for making all management decisions and performing all management functions; for designating an individual with suitable skill, knowledge, and/or experience to oversee any nonattest services we provide; and for evaluating the adequacy and results of those services and accepting responsibility for them.

At the conclusion of our engagement, we will require a representation letter from management that, among other things, will confirm management's responsibility for the presentation of the information included in the Official Statement in accordance with prescribed standards.

5. ENGAGEMENT ADMINISTRATION: You agree that George Tablack, your representative, will serve as our contact person for your management's responses to our inquiries, and that we may rely on such responses as being the intentions of the Commission. Carol Phillips is the engagement member and is responsible for supervising the engagement and signing the report or authorizing another individual to sign it.

We plan to begin our procedures on a date mutually agreeable to both parties and, unless unforeseeable problems are encountered, the engagement should be completed near the closing of the Series 2013 Warrants.

6. FEES: Our fees for these services will be at our standard hourly rates, plus any out of pocket costs, and will be approximately $40,000-$50,000. The fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered. Additionally, should delays in the issuance of the warrants or any other reason beyond our control, cause us to have to repeat or update procedures, you will be billed for the additional time required on our part. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

7. BILLING: Invoices are due upon receipt. In the event that payment is not received within 30 days of the due date, the Commission will be assessed interest charges of one percent per month on the unpaid balance. We reserve the right to suspend or terminate our work due to nonpayment. In the event that our work is suspended or terminated as a result of nonpayment, the Commission agrees that we will not be responsible for the Commission's failure to meet government and other filing deadlines, or for penalties or interest that may be assessed against the Commission resulting from the Commission's failure to meet such deadlines.

8. EMPLOYMENT: In the event you desire to employ a current employee of Warren Averett, LLC or a previous employee of Warren Averett, LLC whose termination date is within 6 months of the date services were provided to you by us, you agree to consult with us concerning such employment. In addition, if you employ such employee, you agree Warren Averett, LLC has the option to receive a reasonable placement fee from you, in an amount determined by us not exceeding 25% of employee's annual compensation at the time of termination.

9. LEGAL FEES: In addition to the fees for services described in this agreement, the Commission agrees to pay legal fees incurred in connection with any suit to recover fees due from you on this engagement, and legal fees incurred by Warren Averett, LLC in responding to any third-party request for production and/or subpoenas related to your records and our work done for you in connection with an engagement thereon.

If any Dispute is not arbitrated for any reason, (i) any litigation, proceedings or other legal actions related to a Dispute shall be instituted in the courts of the State of Alabama, or (if it has jurisdiction) of the United States in the State of Alabama, in either case, sitting in Birmingham, Alabama ("the Agreed Courts") and (ii) the parties, for themselves and their successors and assigns, hereby WAIVE TRIAL BY JURY OF ANY DISPUTE. Each party to this Agreement irrevocably submits to the exclusive jurisdiction of the Agreed Courts in connection with any such litigation, action or proceeding. If the Commission recovers less than that which may be offered by Warren Averett, LLC or its representatives prior to, or during the course of, any such arbitration, litigation, mediation or other settlement negotiation, then the Commission agrees to reimburse Warren Averett, LLC for any legal fees or costs incurred in the defense by Warren Averett, LLC relating to the resolution of the Dispute, discontinuance, and/or abandonment of the Dispute presented by the Commission within 90 days subsequent to the issuance of any arbitration award or final judgment, the effective date of any mediation/settlement agreement, or the date of abandonment of the Dispute by the Commission as perceived by Warren Averett, LLC.
