3. Upon receipt of notice from the COUNTY that the Contract has been terminated, the CONSULTANT shall immediately discontinue all operations, safely secure all items of the Work, and remove his equipment. 1. The CONSULTANT agrees to commence performance of services outlined under Article I of this AGREEMENT immediately after receipt of written notice from the COUNTY to proceed. The COUNTY will not notify the CONSULTANT to commence work until this AGREEMENT has been formally approved by both parties.

2. The work to be performed shall be completed within 12 six months. Should delays attributable to causes beyond the control of the CONSULTANT be encountered, such as would extend the contract work beyond the agreed upon period, the COUNTY may adjust the amount of this contract by amendment, so as to reflect the cost of additional expense items and additional fee, if any, arising from the change.

3. In case the COUNTY should deem it to be advisable or necessary in the execution of the work to make any alteration which will increase or decrease the scope of work outlined in this AGREEMENT, the time limits specified herein may be adjusted, in accordance with
Article IV, Section 1.
4. The Contract shall remain in full effect until completion of the Scope of Work and acceptance of final payment by the CONSULTANT, up to the maximum term allowed by law.

ARTICLE III - PAYMENT
SECTION 1
For services performed by the CONSULTANT under this AGREEMENT, and as full and complete compensation therefor, including all expenditures made and all expenses incurred by the CONSULTANT in connection with this AGREEMENT, except as otherwise provided herein, and subject to and in conformity with all provisions of this AGREEMENT, the COUNTY will pay the CONSULTANT as follows:

For the work contemplated under Article I, Section 1, for Design Period Services, compensation shall be computed on the basis of a Lump Sum contract to be paid by monthly invoice based on the percentage of contract that is complete. The contract shall be a cost of Six thousand five hundred dollars ($6,500.00). This contract amount shall not be exceeded except by formal amendment to this agreement.

For the work contemplated under Article I, Section 1, Bid Period Services and Construction Administration Services, compensation shall be computed on the basis of a Cost Not to Exceed contract to be paid by monthly invoice at the schedule of standard charges attached as Exhibit A. The contract shall include a maximum engineering cost of Two Thousand Dollars ($2,000.00). This contract amount shall not be exceeded except by formal amendment to this agreement.

The above represents the CONSULTANT's best estimate of anticipated hours and costs to perform Bid Period Services and Construction Administration Services. Actual project time will be determined at a later date, which could decrease the above contract amount.

Payment shall be made, not more often than once monthly, in amounts evidenced by the submittal of vouchers and invoices by the CONSULTANT to the COUNTY, and along with other evidence of performance as the COUNTY may deem necessary. The COUNTY shall pay the CONSULTANT within thirty (30) days of receipt of the Consultant's payment request by the County Finance Department.

SECTION 2
The acceptance by the CONSULTANT of the final payment shall constitute and operate as a release to the COUNTY for all claims and liability to the CONSULTANT, his representative and assigns for all things done, furnished or related to the services rendered by the CONSULTANT under or in connection with this AGREEMENT, or any part thereof, provided that no unpaid invoices exist because of extra work required at the request of the COUNTY.

ARTICLE IV - MISCELLANEOUS PROVISIONS
SECTION 1 - CHANGE OF WORK
If, during the term of this AGREEMENT, additional services are required of the CONSULTANT other than those specified above or major changes in the work become necessary or desirable, the COUNTY may order, in writing, the CONSULTANT to perform such services or make such changes. If the CONSULTANT is of the opinion that the work he has been directed to perform is beyond the scope of this AGREEMENT and constitutes extra work, the CONSULTANT shall within 10 days notify the COUNTY in writing. In the event the COUNTY determines that such work does constitute extra work, additional time for completion of contract may be given, and payment for the additional work shall be negotiated by Supplemental Agreement prior to work being undertaken by the CONSULTANT.

Likewise, during the term of this AGREEMENT any service specified may be deleted and/or reduced at the discretion of the COUNTY. If such deletion or reduction becomes desirable, the CONSULTANT will be given advance notice, and an equitable reduction in the CONSULTANT's fee will be made on a proportional basis.

SECTION 2 - OWNERSHIP OF ENGINEERING DOCUMENTS
Upon completion of the work covered by this AGREEMENT, the CONSULTANT shall make available to the COUNTY all documents and data pertaining to the work or to the project, which material shall become the property of the COUNTY. All original tracings or maps and other engineering data furnished to the COUNTY by the CONSULTANT shall bear thereon the endorsement of the CONSULTANT. All data collected and prepared or generated under this agreement between the CONSULTANT and the COUNTY shall be the property of the COUNTY and shall not be released to any other party without the consent of the Director of Environmental Services.

SECTION 3 - CONSULTANT'S ENDORSEMENT
The CONSULTANT shall endorse the original title or cover sheet of all reports and engineering data required to be furnished by him under the terms of this AGREEMENT. All endorsements shall contain the seal and original signature of an Alabama licensed professional engineer who is a bona fide employee of the CONSULTANT.

SECTION 4 - DELAYS AND EXTENSIONS
1. In the event that unavoidable delays prevent completion of the services to be performed under this AGREEMENT in the time specified in ARTICLE II - TIME OF BEGINNING AND COMPLETION, the COUNTY may grant a time extension to any or all phases of the work, provided written application is made by the CONSULTANT within 10 days after the alleged delay has occurred. Any time extension for work authorized will be based on the ratio that the additional compensation bears to the original fee and time limit.

2. In the event that the COUNTY determines that the delays are avoidable and time extensions are not granted, the CONSULTANT may
be subject to a liquidated damages charge of $100 per day for each calendar day exceeding the time specified in Article II.

SECTION 5 - TERMINATION OR ABANDONMENT
1. The COUNTY shall have the right to abandon or terminate this AGREEMENT or to amend this AGREEMENT at any time, and such action shall, in no event, be deemed a breach of contract.
2. The COUNTY has the right to terminate this AGREEMENT at its sole discretion upon ten (10) days written notice to the CONSULTANT and make settlement with the CONSULTANT upon an equitable basis in accordance with the following. In determining the final compensation to the CONSULTANT the COUNTY shall apply the following:
   A. No consideration will be given to profit which the CONSULTANT might have made on the uncompleted portion of the work.
   B. If this AGREEMENT provides for a lump sum amount, final compensation to the CONSULTANT shall be determined by the COUNTY, establishing the percent of satisfactory work performed by the CONSULTANT prior to the termination of the AGREEMENT multiplied by the contract amount, less any payments previously made.
   C. If this AGREEMENT does not provide a lump sum amount, final compensation to the CONSULTANT shall be determined by the COUNTY, confirming all reimbursable costs incurred for satisfactory work performed by the CONSULTANT prior to the termination of the AGREEMENT, less any payments previously made.

SECTION 6 – TERMINATION OF CONTRACT FOR BREACH
1. The Contract may be terminated by the COUNTY for CONSULTANT's breach of any substantive provision of the Contract including, but not limited to, any of the following reasons:
   A. Substantial evidence and belief that the progress being made by the CONSULTANT is insufficient to complete the Work within the specified time.
   B. Deliberate failure on the part of the CONSULTANT to proceed with the Work when so instructed by the COUNTY or to observe any requirement of these Specifications.
   C. Failure on the part of the CONSULTANT to promptly make good any defects in the work that may be called to his attention by the COUNTY.
   D. In case the CONSULTANT becomes insolvent or is declared bankrupt, or allows any final legal judgment to stand unsatisfied, or shall make an assignment for the benefit of his creditors.
2. Before the Contract is terminated, the CONSULTANT will first be notified in writing by the COUNTY of the conditions which make termination of the Contract imminent. Fifteen (15) days after notice is given, if no effective effort has been made by the CONSULTANT to correct the conditions for which compliant is made, the COUNTY may declare the Contract terminated and will notify the CONSULTANT accordingly.
3. Upon receipt of notice from the COUNTY that the Contract has been terminated, the CONSULTANT shall immediately discontinue all operations, safely secure all items of the Work, and remove his equipment. The COUNTY may then proceed with completion of the Work in any lawful manner that it may elect, until it is finally completed. When thus finally completed, the total cost of the Work (including all previous payments made to the CONSULTANT) will be computed and if this total cost is greater than the Contract price, the difference shall be paid to the COUNTY by the CONSULTANT.

SECTION 7 - CONTROVERSY
In any controversy concerning a question of fact in connection with the work covered by this AGREEMENT, or compensation therefor, the decision of the Director, Environmental Services Department, Jefferson County, Alabama, in the matter shall be final and conclusive for both parties.

SECTION 8 - RESPONSIBILITY FOR CLAIMS AND LIABILITY

Nothing contained in this paragraph should be construed to obligate CONSULTANT to indemnify the COUNTY for its own negligence, the negligence of its contractors, or subcontractors, or others.

CONSULTANT, without extra compensation, shall carry insurance of the kinds and in amounts set out below. All insurance shall
be by companies authorized to do business in Alabama involving those types of insurance. Before beginning work CONSULTANT shall file with the COUNTY a certificate from his insurer showing the amounts of insurance carried and the risk covered thereby, or a copy of the required insurance policies.

Also, the CONSULTANT shall notify the COUNTY within 30 days about any present or future claims that could affect their policy limits. The foregoing Indemnity Agreement shall not be limited by reason of any insurance coverage provided.

SECTION 9 - GENERAL COMPLIANCE WITH LAWS

The CONSULTANT shall comply with the provision of the Labor Law, all State Laws, Federal and Local Statutes, Ordinances and Regulations that are applicable to the performance of this AGREEMENT, and especially laws, ordinances and statutes prohibiting discrimination in employment of persons on account of race, creed, color, or national origin, and all applicable provisions of Title 6, Code-of-Federal-Regulations, and procure all necessary licenses and permits required to do business as a CONSULTANT.

SECTION 10 - SUBLETTING, ASSIGNMENT OR TRANSFER

There shall be no subletting, assignment or transfer of the interests of the CONSULTANT in any of the work covered by this AGREEMENT without written consent of the COUNTY. SECTION 11 - EMPLOYMENT OF COUNTY WORKERS

1. The CONSULTANT shall not engage, on full or part time or other basis, during the period of this AGREEMENT, any professional or technical personnel who are or have been at any time during the period of this AGREEMENT in the employ of the COUNTY except regularly retired employees, without written consent of the COUNTY.

2. The CONSULTANT warrants that he has not employed or retained any company, or person, other than a bona fide employee working solely for the CONSULTANT, to solicit or secure this AGREEMENT, and that he has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the CONSULTANT, any fee, commission, percentage, brokerage fee, gifts, or any other consideration contingent upon or resulting from the award or making of this AGREEMENT. Any failure by the CONSULTANT to do so will not relieve him from responsibility for successfully performing the work without additional expense to the COUNTY. The COUNTY assumes no responsibility for any understanding or representation by any of its officials or agents prior to the execution by the COUNTY as expressly stated herein. The CONSULTANT and Subcontractors are to maintain all books, documents, papers, accounting records and other evidences pertaining to cost incurred for this project, and to make such material available at all times during the contract period and for three (3) years from the date of final payment of COUNTY Funds under the terms of this AGREEMENT, for review by the COUNTY, or any authorized representative of the COUNTY, and copies thereof shall be furnished if requested.

WHEREAS, under the Consent Decree entered on December 29, 1982 (and amended and restated November 12, 2013) in the lawsuit United States v. Jefferson County, Alabama, Civil Action No. 75-666 (N.D. Alabama), Jefferson County, Alabama (“Jefferson County”) and the Sheriff of Jefferson County (“the Sheriff”) are required to have an Affirmative Action Officer; and

WHEREAS, the Consent Decree does not prohibit a single person from simultaneously serving as the Affirmative Action Officer both for Jefferson County and for the Sheriff, and in fact, cost savings and efficiencies could be realized by having one person serve in this role for both entities, and

WHEREAS, Jefferson County, Dr. Ronald Sims, in his official capacity as the Receiver for Jefferson County (the “Receiver”), and Mike Hale, in his official capacity as the Sheriff have discussed memorializing their understanding with respect to a joint Affirmative Action Officer position.

NOW THEREFORE BE IT RESOLVED BY THE JEFFERSON COUNTY COMMISSION as follows:

1. The President of the County Commission is hereby authorized to enter into a Memorandum of Understanding with the Receiver and Sheriff regarding the Affirmative Action Officer position, a copy of which is attached.

MEMORANDUM OF UNDERSTANDING

REGARDING THE AFFIRMATIVE ACTION OFFICER

This Memorandum of Understanding Regarding the Affirmative Action Officer (this "MOU") is made and entered into by Jefferson County, Alabama ("Jefferson County"), Dr. Ronald Sims, in his official capacity as the Receiver for Jefferson County (the "Receiver"), and Mike Hale, in his official capacity as Sheriff of Jefferson County ("the Sheriff"), wherein the parties hereto agree as follows:

WHEREAS, more than 40 years ago, various private individual plaintiffs, the Ensley Branch of the National Association for the Advancement of Colored People, and the United States filed civil rights complaints against the City of Birmingham, the Personnel Board of Jefferson County, Jefferson County, and other local governmental agencies and officials, alleging discriminatory employment practices;

WHEREAS, on December 29, 1982, the plaintiffs agreed to resolve their claims against Jefferson County and the Sheriff by entering into a Consent Decree, which was amended and restated November 12, 2013, nunc pro tunc October 16, 2013 (Doc. No. 1842, hereinafter "the Consent Decree");

WHEREAS, the Consent Decree requires the appointment of "an Affirmative Action Officer" and requires that person to perform certain specified tasks, duties, and functions;

WHEREAS, on October 25, 2013, the United States District Court appointed Dr. Ronald R. Sims as Receiver over the human resource functions of Jefferson County, and empowered the Receiver, among other things, to bring the County into full compliance with those provisions of the Consent Decree relating to the Affirmative Action Officer; and

WHEREAS, the Consent Decree does not prohibit a single person from simultaneously serving as the Affirmative Action Officer both for Jefferson County and for the Sheriff.

NOW THEREFORE, Jefferson County, the Receiver, and the Sheriff agree as follows:

1. The person who serves as the Affirmative Action Officer for Jefferson County, including, but not limited to, any such person now or hereafter appointed Affirmative Action Officer by and serving at the direction of the Receiver, shall also serve as the Affirmative Action Officer for the Sheriff and the Jefferson County Sheriff’s Office, and shall perform all of the tasks, duties, and functions required of him or her by the Consent Decree with respect to the Sheriff.

2. The Receiver will include the Jefferson County Sheriff's Office in any workforce analysis or semiannual workforce assessment that the Receiver hereafter conducts, or arranges to have conducted, for Jefferson County pursuant to the final sentences of Paragraphs 9 and 11, respectively, of the Consent Decree. The Receiver will provide the Sheriff and the designated attorney for the Jefferson County Sheriff's
Office with the results of any such workforce analysis or semiannual workforce assessment that pertain to the Jefferson County Sheriffs Office. At the conclusion of the Receivership, Jefferson County will have no continuing obligation to perform workforce analyses or semiannual workforce assessments for the Sheriff under the Consent Decree.

3. Without limiting the tasks, duties, and functions that may be required of the Affirmative Action Officer or the Sheriff by the Consent Decree, with respect to the Sheriff and the Jefferson County Sheriffs Office, the Affirmative Action Officer shall:

   A. Advise black and female employees of the Jefferson County Sheriffs Office of the terms of the Consent Decree and any subsequent modifications thereto.
   B. Post his or her office hours and location and copies of the Consent Decree and any subsequent modifications thereto in conspicuous places within the divisions of the Jefferson County Sheriffs Office.
   C. Receive and investigate oral or written complaints of race and sex discrimination regarding the Jefferson County Sheriffs Office and conciliate such complaints when appropriate. The Sheriff and his subordinates will cooperate with the Affirmative Action Officer's efforts to investigate and conciliate such claims by, inter alia, responding in good faith to the Affirmative Action Officer's requests for documents and information, permitting the Affirmative Action Officer to interview employees of the Jefferson County Sheriffs Office, and by participating in good faith in meetings convened by the Affirmative Action Officer to conciliate such claims. In any such conciliation efforts, the Sheriff retains the authority to make the final decision on all personnel matters with regard to the Jefferson County Sheriffs Office.
   D. Establish a written procedure which shall govern the complaints specified in Section 3(C), with said procedure to include the following:
      i. After the completion of any investigation into the complaints specified in Section 3(C), the Affirmative Action Officer will generate or have generated a written report that will contain factual findings, a determination, and a recommended course of action; and
      ii. The Affirmative Action Officer shall present any such written report to the Sheriff, and the Sheriff shall thereafter make the final determination as to the course of action that shall be taken with regards to any Jefferson County Sheriff's Office personnel. Jefferson County will have no role in determinations as related to any complaint specified in Section 3(C) regarding Jefferson County Sheriffs Office personnel.
   E. Meet periodically with the Sheriff and appropriate Jefferson County Sheriffs Office personnel to assess their progress in meeting the objectives of the Consent Decree and any subsequent modifications thereto.
   F. Maintain a complete record of all actions taken in pursuit of his or her responsibilities with regard to the Sheriff and the Jefferson County Sheriff's Office, including correspondence directed to or from the Jefferson County Sheriffs Office with respect to complaints or investigations undertaken pursuant to the Consent Decree (and any subsequent modifications thereto) and any investigatory files.
   G. Review the Jefferson County Sheriff's Office's future selection decisions in the job(s) within the Jefferson County Sheriffs Office where the Sheriff has determined that the Jefferson County Sheriff's Office is failing to meet the applicable objectives of Part 11, Subpart A of the Consent Decree or any subsequent modifications thereto. Part of any such review shall include at least the following:
      i. Reviewing the written justification for not selecting certified black or female applicants in the jobs) for which the applicable objectives of the Consent Decree, or any subsequent modifications thereto, were not met; and
      ii. Submitting his or her written comments together with the Jefferson County Sheriffs Office's written justification to the designated attorney for the Jefferson County Sheriffs Office.
   H. Report at least semiannually to the Sheriff on his or her findings with respect to any investigations undertaken with respect to the Affirmative Action Officer's responsibilities regarding the Jefferson County Sheriffs Office.

4. The parties to this MOU anticipate that the Affirmative Action Officer's responsibilities with respect to the Jefferson County Sheriffs Office, as set forth herein, will continue as long as the Consent Decree requires both the County and the Sheriff to employ an Affirmative Action Officer. Notwithstanding that expectation, however:

   A. The Sheriff may terminate this MOU at any time if he concludes that the Affirmative Action Officer is not fully or properly performing the obligations of the Consent Decree as outlined in this MOU with regard to the Sheriff. In the event of any such termination under this paragraph A., the Sheriff shall provide written notice thereof to the County, the Receiver, and the plaintiffs in the Consent Decree litigation, and shall provide any notice required by Paragraph 33(h) of the Consent Decree.
   B. Any party to this MOU may terminate this MOU at any time by providing 60 days advance written notice to all other parties to this MOU. If the party seeking to terminate this MOU remains subject to the Consent Decree, the terminating party shall also provide written notice to the plaintiffs in the Consent Decree litigation. Any party whose Affirmative Action Officer will change as a result of such termination and who remains subject to the Consent Decree shall be responsible for providing any notice required by Paragraph 33(h) of the Consent Decree.

   Upon any termination or modification of the Consent Decree affecting the obligation of the County and/or the Sheriff to employ an Affirmative Action Officer, the County and the Jefferson County Sheriffs Office may renew the MOU or separately address the Affirmative Action Officer position. This MOU may not be amended or modified except by a writing signed by authorized officials of all parties.
