ALABAMA FARM-CITY WEEK-2015

PROCLAMATION

Psalm 104:14:

He causes the grass to grow for the cattle, And vegetation for the labor of man, So that he may bring forth food from the earth.

WHEREAS, it is the Tradition of the Jefferson County Commission to honor individuals in our community for outstanding service and accomplishments; and

WHEREAS, For the past 59 years during Thanksgiving week, the American people have observed Farm-City Week to express gratitude for the bounty with which God has blessed our land and to recognize the achievements of the farmers, rural townspeople, and city residents who make our Nation's agricultural production and distribution system so successful. Truly this cooperation between rural and city dwellers for mutual benefit helps ensure our country's well-being.

WHEREAS, America's farmers have provided food and fiber to sustain our people throughout decade and after decade of progress. Farmer's productivity has increased steadily, thanks largely to their initiative in supporting and adopting the methods and materials developed by scientific research. WHEREAS, American Agriculture, and the many service industries that depend upon it in cities and towns and along all the routes in between, is a story of extraordinary labor creating extraordinary abundance. At this time of year, it is only fitting that all Americans offer some special sign of thanks to those who grow, harvest, and bring to our Nation's tables the fruits of sun, seed, and soil.
