SECTION 1 – PAYMENT:

For services performed by the CONSULTANT under this AGREEMENT, and as full and complete compensation therefor, including all expenditures made and all expenses incurred by the CONSULTANT in connection with this AGREEMENT, except as otherwise herein, subject to and in conformity with all provisions of this AGREEMENT, the OWNER will pay the CONSULTANT as follows:

For the work contemplated under Article I, Section 1, the OWNER will pay the CONSULTANT based on actual allowable expenses not to exceed the proposed costs of $56,955.00, (Fifty-Six Thousand, Nine Hundred Fifty-Five Dollars), plus a fixed professional fee of $6,745.00, (Six Thousand, Seven Hundred Forty-Five Dollars) for a total "cost plus fixed fee” contract in the amount of $63,700.00, (Sixty-three Thousand, Seven Hundred Dollars), as shown below and in Attachment 1 appended hereto. The contract Amount shall be subject to increases or decreases for changes in the Work as provided in Article IV, Section 1.

| Engineering Services | $56,205.00 |
| Other Direct Cost    | $750.00    |
| Professional Fee     | $6,745.00  |
| Total Contract Amount| $63,700.00 |

The above represents the CONSULTANT’S best estimate of anticipated hours and costs to perform this contract based on a fifteen (15) month rebid and construction time. The COST CEILING for this AGREEMENT shall not be exceeded except by a formal amendment to this AGREEMENT.

Payment shall be made, not more often than once monthly, in such amounts as evidenced by the submittal of vouchers and invoices by the CONSULTANT to the OWNER and along with other evidence of performance as the OWNER may deem necessary. The OWNER shall pay the CONSULTANT within thirty (30) days of receipt of the Consultant's payment request by the County Finance Department.

SECTION 2 – FINAL PAYMENT AS A RELEASE:

The acceptance by the CONSULTANT of the final payment shall constitute and operate as a release to the OWNER for all claims and liability to the CONSULTANT, his representative and assigns for all things done, furnished or relating to the services rendered by the CONSULTANT under or in connection with this AGREEMENT or any part thereof provided that no unpaid invoice exists because of extra work required at the request of the OWNER.

ARTICLE IV - MISCELLANEOUS PROVISIONS

SECTION 1 - CHANGES OF WORK:

If, during the term of this AGREEMENT, additional services are required of the CONSULTANT other than those specified above, or major changes in the work become necessary or desirable, the OWNER may order, in writing, the CONSULTANT to perform such services or make such changes. If the CONSULTANT is of the opinion that the work he has been directed to perform is beyond the scope of this AGREEMENT and constitutes extra work, the CONSULTANT will, within ten (10) days, notify the OWNER in writing and receive approval from the OWNER prior to performing such work. In the event the OWNER determines that such work does constitute extra work, additional time for completion of contract may be given and payment for the additional work shall be negotiated by Supplemental Agreement prior to work being undertaken by the CONSULTANT.

Likewise, during the term of this AGREEMENT, any service specified may be deleted and/or reduced at the discretion of the OWNER. If such deletion or reduction becomes desirable, the CONSULTANT will be given advance notice and an equitable reduction in the CONSULTANT’S fees or cost ceiling will be made on a proportionate basis.

SECTION 2 - OWNERSHIP OF ENGINEERING DOCUMENTS:

Upon completion of the work covered by this AGREEMENT, the CONSULTANT shall make available to the OWNER all documents and data pertaining to the work or to the project, which material shall become the property of the OWNER. All original tracings or maps and other engineering data furnished to the OWNER by the CONSULTANT shall bear thereon the endorsement of the CONSULTANT. All data collected and prepared or generated under this agreement between the CONSULTANT and the OWNER shall be the property of the OWNER.
and shall not be released to any other party without the consent of the Director of Environmental Services.

SECTION 3 - CONSULTANT'S ENDORSEMENT:

The CONSULTANT shall endorse the original title or cover sheet of all reports and engineering data required to be furnished by him under the terms of this AGREEMENT. All endorsements shall contain the seal and original signature of an Alabama licensed professional engineer who is a bona fide employee of the CONSULTANT.

SECTION 4 - DELAYS AND EXTENSIONS:

1. In the event that unavoidable delays prevent completion of the services to be performed under this AGREEMENT in the time specified in Article II - Time of Beginning and Completion, the OWNER may grant a time extension to any or all phases of the work, provided written application is made by the CONSULTANT within ten (10) days after the alleged delay has occurred.

SECTION 5 - TERMINATION OR ABANDONMENT:

1. The OWNER shall have the right to abandon or terminate this AGREEMENT or to amend the AGREEMENT at any time, and such action shall, in no event, be deemed a breach of contract.

2. The OWNER has the right to terminate this AGREEMENT at its sole discretion upon ten (10) days written notice to the CONSULTANT and make settlement with the CONSULTANT upon an equitable basis in accordance with the following. In determining the final compensation to the CONSULTANT, the OWNER shall apply the following:

   A. No consideration will be given to profit which the CONSULTANT might have made on the uncompleted portion of the work.

   B. If the AGREEMENT provides for a lump sum amount, final compensation to the CONSULTANT shall be determined by the OWNER establishing the percent of satisfactory work performed by the CONSULTANT prior to the termination of the AGREEMENT multiplied by the contract amount, less any payments previously made.

   C. If the AGREEMENT does not provide a lump sum amount, final compensation to the CONSULTANT shall be determined by the OWNER confirming all reimbursable costs incurred for satisfactory work performed by the CONSULTANT prior to the termination of the AGREEMENT, less any payments previously made.

SECTION 6 – TERMINATION OF CONTRACT FOR BREACH:

1. The Contract may be terminated by the OWNER for Consultant's breach of any substantive provision of the Contract including, but not limited to, any of the following reasons:

   A. Substantial evidence and belief that the progress being made by the Consultant is insufficient to complete the Work within the specified time.

   B. Deliberate failure on the part of the Consultant to proceed with the Work when so instructed by the OWNER or to observe any requirement of these Specifications.

   C. Failure on the part of the Consultant to promptly make good any defects in the work that may be called to his attention by the OWNER.

   D. In case the Consultant becomes insolvent or is declared bankrupt, or allows any final legal judgment to stand against him unsatisfied, or shall make an assignment for the benefit of his creditors.

2. Before the Contract is terminated, the Consultant will first be notified in writing by the OWNER of the conditions which make termination of the Contract imminent. Fifteen (15) days after notice is given, if no effective effort has been made by the Consultant to correct the conditions for which complaint is made, the OWNER may declare the Contract terminated and will notify the Consultant accordingly.

3. Upon receipt of notice from the OWNER that the Contract has been terminated, the Consultant shall immediately discontinue all operations, safely secure all items of the Work, and remove his equipment. The OWNER may then proceed with completion of the Work in any lawful manner that it may elect, until it is finally completed. When thus finally completed, the total cost of the Work (including all previous payments made to the Consultant) will be computed and if this total cost is greater than the Contract price, the difference shall be paid to the OWNER by the Consultant.

SECTION 7 – CONTROVERSY:

In any controversy concerning a question of fact in connection with the work covered by this AGREEMENT, or compensation therefore, the decision of the Director of Environmental Services in the matter shall be final and conclusive for both parties.

SECTION 8 – RESPONSIBILITY FOR CLAIMS AND LIABILITY:

1. The CONSULTANT shall be responsible for all damage to life and property due to its activities and that of its subcontractors, agents or employees in connection with its services under this AGREEMENT. The CONSULTANT specifically agrees that its subcontractors, agents or employees shall possess the experience, knowledge and character necessary to qualify them individually for the particular duties they perform.

2. The CONSULTANT agrees to indemnify, hold harmless and the Jefferson County Commission, their elected officials, officers and employees (hereinafter referred to in this paragraph collectively as "OWNER"), from and against any and all loss, expense against or imposed upon OWNER because of bodily injury, death or property damage, real or personal, including loss of use thereof to the extent arising out of
or as a consequence of breach of any duty or obligation of the CONSULTANT included in this AGREEMENT, or the negligent acts, errors or omissions of the CONSULTANT in the performance of its services under this Agreement

3. The CONSULTANT, without extra compensation, shall carry insurance of the kinds in amounts set out below. All insurance shall be by companies authorized to do business in Alabama involving those types of insurance. Before beginning work, the CONSULTANT shall file with the OWNER a certificate from his insurer showing the amount of insurance carried and the risk covered thereby or a copy of the required insurance policies with a minimum as follows:

- General Liability and Property Damage: $300,000.00
- Automobile and Truck Bodily Injury Liability: $300,000.00
- Workers Compensation: Statutory
- Professional Liability: $1,000,000.00 each claim

A 30 day notification is required from the insurer to the OWNER for any current or potential claim against the CONSULTANT that could affect the limits of their policy. Also, the CONSULTANT shall notify the OWNER within 30 days about any present or future claims that could affect their policy limits. The foregoing Indemnity Agreement shall not be limited by reason of any insurance coverage provided.

SECTION 9 - GENERAL COMPLIANCE WITH LAWS:

The CONSULTANT shall comply with the provisions of the Labor Law, all State Laws, Federal and Local Statutes, Ordinances and Regulations that are applicable to the performance of this AGREEMENT, and especially laws, ordinances and statutes prohibiting discrimination in employment of persons on account of race, creed, color or national origin, and all applicable provisions of Title 6, Code of Federal Regulations, and procure all necessary licenses and permits.

SECTION 10 - SUBLETTING, ASSIGNMENT OF TRANSFER:

No portion of this contract may be sold, assigned, or transferred to a third party without the express written consent of the OWNER. Any attempt to assign this contract without the written consent of the OWNER is null and void. In the event the OWNER gives such consent, the terms and conditions of this AGREEMENT shall apply to and bind the party or parties to whom such work is consigned, sublet or transferred as fully and completely as the CONSULTANT is hereby bound and obligated.

SECTION 11 - EMPLOYMENT OF OWNER WORKERS:

1. The CONSULTANT shall not engage, on full or part time or other basis during the period of the AGREEMENT, any professional or technical personnel who are or have been at any time during the period of this AGREEMENT in the employment of the OWNER, except regularly retired employees, without written consent of the public employer of such person.

2. The CONSULTANT warrants that he has not employed or retained any company, or person other than a bona fide employee working solely for the CONSULTANT, to solicit or secure this AGREEMENT, and that he has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the CONSULTANT, any fee, commission, percentage brokerage fee, gifts or any other consideration contingent upon or resulting from the award or making of this AGREEMENT. For breach or violation of this warranty, the OWNER shall have the right to annul this contract without liability or, at its discretion, deduct from the contract price or consideration or otherwise recover the full amount of such fee, commission, percentage, brokerage fee, gifts or contingent fee.

3. No OWNER official, employee of the OWNER, Jefferson County Commission official, or employee of the Jefferson County Commission shall be admitted to any share or part of this AGREEMENT, or to any benefit that may arise there from, except the use of the facility being designed as enjoyed by the general public.

SECTION 12 – CONTROL:

All work by the CONSULTANT shall be done in a manner satisfactory to the OWNER and in accordance with the established policies, practices and procedures of the Jefferson County Environmental Services Department.

SECTION 13 - CONDITIONS AFFECTING WORK:

1. The CONSULTANT shall be responsible for having taken steps reasonably necessary to ascertain the nature, location, scope and type of work hereunder and the general and local conditions which can affect the work or the cost hereof. Any failure by the CONSULTANT to do so will not relieve him from responsibility for successfully performing the work without additional expense to the OWNER. The OWNER assumes no responsibility for any understanding or representation by any of its officials or agents prior to the execution of this AGREEMENT, unless such understandings or representation by the OWNER are expressly stated herein.

2. The CONSULTANT and subcontractor shall maintain all books, documents, papers, accounting records and other evidences pertaining to costs incurred for this project, and to make such material available at their respective offices at all times during the contract period and for three (3) years from the date of final payment of the OWNER funds under the terms of the contract, for inspection by the OWNER, or any authorized representative of the OWNER, and copies thereof shall be furnished if requested.

3. During the performance of this contract, the CONSULTANT or itself, its assignees and successors in interest, agree as follows:

A. Non-Discrimination:
The CONSULTANT, with regard to the work performed by it after award and prior to completion of the contract work, will not discriminate on the grounds of race, color or national origin in the selection and detention of subcontractors, including procurement of materials and lease of equipment. The CONSULTANT will not participate either directly or indirectly in the discrimination prohibited by or pursuant to Title VI of the Civil Rights Act of 1964 or the Equal Opportunity Provisions of Executive Order 11246 of September 24, 1965. The CONSULTANT will abide by all clauses and stipulations in, and as required by Jefferson County Commission Administrative Order 08-4 including the execution of the EEO certification.

B. Solicitations of Subcontractor, Including Procurement or Materials and Equipment:

In all solicitations, either by competitive bidding or negotiations made by CONSULTANT for work to be performed under a subcontract, including procurement of materials or equipment, each potential subcontractor or supplier shall be notified by the CONSULTANT of the CONSULTANT’S obligations under this contract and the regulations relative to nondiscrimination on the grounds of race, color or national origin.

C. Sanctions of Noncompliance:

In the event of the CONSULTANT'S noncompliance with any provisions of this contract, the OWNER shall impose such contract sanctions as it may determine to be appropriate, including, but not limited to:

This AGREEMENT made this day of , 2014 by and between Jefferson County, in the State of Alabama, as party of the First Part, hereinafter referred to as the COUNTY, and ENGINEERING SERVICE ASSOCIATES, INC., as party of the Second Part, hereinafter referred to as the CONSULTANT.

WHEREAS, the said CONSULTANT has agreed and by these presents does agree with the COUNTY for consideration hereinafter mentioned with payment to be administered by the COUNTY to furnish professional engineering services associated with the LANDFILL FINANCIAL ASSURANCE DETERMINATION, FY 2013/2014.

NOW, THEREFORE, for and in consideration of the mutual covenants hereinafter stipulated to be kept and performed, it is agreed between the parties as follows.

ARTICLE I - SCOPE OF WORK

The CONSULTANT, in the accomplishment of work under this AGREEMENT, shall meet the requirements for conformance with the standards adopted by the Jefferson County Commission and shall ascertain the written practices of the Jefferson County Finance Department prior to beginning any of the work on this project. All work required under this AGREEMENT shall be performed in accordance with these standard practices and any special requirements herein set forth.

Section 1 - Obligation of CONSULTANT to COUNTY:

The CONSULTANT will provide necessary engineering, reporting, and administrative services as required by the COUNTY to provide information concerning financial assurance costs for the active solid waste disposal facilities for the fiscal year 2013/2014. The engineering, reporting, and administrative tasks will consist of the following activities:

1. The CONSULTANT will determine the COUNTY'S contribution in the Financial Assurance Fund for Landfill No. 1 and Landfill No. 2 as of September 30th 2014.
2. The CONSULTANT will incorporate Santek Environmental's data concerning the overall and remaining airspace in the two landfills and their estimate of the waste volumes disposed as of the cutoff date.
3. The CONSULTANT will incorporate any in-house data pertinent to this report into the analysis.
4. The CONSULTANT will determine the total required value in the Financial Assurance Fund based upon the estimated costs to close each landfill (using a third party contractor) plus the post-closure maintenance and monitoring costs for 30 years following closure.
5. The CONSULTANT will determine the difference in what the COUNTY has already contributed and the revised COUNTY share.

Section 2 - Obligation of the COUNTY to the CONSULTANT:

It is understood that the COUNTY will:

1. Assist the CONSULTANT by placing at their disposal all available information pertinent to the project.
2. The COUNTY agrees that the format used for the FY2012-2013 Financial Assurance Report is acceptable.
3. The COUNTY will inform the CONSULTANT of what individuals or groups within the COUNTY hierarchy are to be briefed on the results of this study, and what format and venue this briefing should take.
4. The COUNTY will identify a Primary Contact at the COUNTY who the CONSULTANT will report to and coordinate with.
5. The COUNTY will authorize Santek Environmental to cooperate fully with the CONSULTANT in the development of this report.

Section 3 - Conferences and Visits to Site:

Conferences will be held at the request of either the COUNTY or the CONSULTANT to discuss matters pertinent to the project.

ARTICLE II - TIME OF BEGINNING AND COMPLETION

Section 1:

1. The CONSULTANT agrees to start work on the professional services outlined under Article I of this AGREEMENT within five (5) days after receipt of written notice from the COUNTY to proceed. The COUNTY will not notify the CONSULTANT to commence work until both parties have formally approved this AGREEMENT.
2. Provided that the data furnished by others is done so in a timely manner and is in a readily usable format, CONSULTANT will
complete the scope of work as outlined in this AGREEMENT within thirty (30) days, exclusive of County review time, after receipt of the year's data.

3. In case the COUNTY deems it advisable or necessary in the execution of the work to make any alteration which will increase or decrease the scope of work outlined in this AGREEMENT, the time limits specified herein may be adjusted in accordance with Article IV, Section 1.

ARTICLE III - PAYMENT

Section 1 - Payment:

1. For services performed by the CONSULTANT under this AGREEMENT, and as full complete compensation therefor, including all expenditures made and all expenses incurred by the CONSULTANT in connection with this AGREEMENT, except as otherwise provided herein, subject to and in conformity with all provisions of this AGREEMENT, the COUNTY will pay the CONSULTANT as follows.

   Total Contract Amount $11,200.00

   The above represents the CONSULTANT's best estimate of anticipated hours and costs to perform this contract based on a thirty (30) day time frame. The contract amount will not be exceeded except by formal amendment to this AGREEMENT.

2. For the work contemplated under Article I, Section 1, compensation will be based on a Lump Sum contract amount of Eleven Thousand Two Hundred Dollars, ($11,200.00) as shown below and in Attachment 1 appended hereto. The contract Amount shall be subject to increases or decreases for changes in the Work as provided in Article IV, Section 1.

   Payment shall be made, not more often than once monthly, in such amounts as evidenced by the submittal of invoices by the CONSULTANT to the Finance Department of the COUNTY, and other evidence of performance as the COUNTY may deem necessary. The COUNTY shall make payment to the CONSULTANT within thirty (30) days upon receipt of the payment request by the Finance Department.

Section 2 - Final Payment as a Release:

1. The acceptance by the CONSULTANT of the final payment shall constitute and operate as a release to the COUNTY for all claims and liability to the CONSULTANT, his representative and assigns for all things done, furnished or relating to the service rendered by the CONSULTANT under or in connection with this AGREEMENT or any part thereof provided that no unpaid invoice exists because of extra work required at the request of the COUNTY.

ARTICLE IV - MISCELLANEOUS PROVISIONS

Section 1 - Chances of Work:

1. If, during the term of this AGREEMENT, additional services are required of the CONSULTANT other than those specified above or major changes in the work become necessary or desirable, the COUNTY may order, in writing, the CONSULTANT to perform such services or make such changes. If the CONSULTANT is of the opinion that the work he has been directed to perform is beyond the scope of their AGREEMENT and constitutes extra work, the CONSULTANT will within ten (10) days notify the COUNTY in writing and receive approval from the COUNTY prior to performing such work. In the event the COUNTY determines that such work does constitute extra work, additional time for completion of contract may be given and payment for the additional work shall be negotiated by Supplemental Agreement prior to work being undertaken by the CONSULTANT.

2. Likewise, during the term of this AGREEMENT any service specified may be deleted and/or reduced at the discretion of the COUNTY. If such deletion or reduction becomes desirable, the CONSULTANT will be given advance notice and an equitable reduction in the CONSULTANT'S fee will be made on a proportionate basis.

Section 2 - Ownership of Engineering Documents:

1. Upon completion of the work covered by this AGREEMENT, the CONSULTANT shall make available to the COUNTY all documents and data pertaining to the work or to the project, which material shall become the property of the COUNTY. All data collected and prepared or generated under this agreement between the CONSULTANT and the COUNTY shall be the property of the COUNTY and shall not be released to any other party without the consent of the Jefferson County Chief Finance Officer.

Section 3 - Consultant's Endorsement:

1. The CONSULTANT shall endorse the original title or cover sheet of all reports, maps and other engineering data required to be furnished by him under the terms of this AGREEMENT. All endorsements shall contain the seal and original signature of an Alabama licensed professional engineer who is a bona fide employee of the CONSULTANT.

Section 4 - Delays and Extensions:

1. In the event that unavoidable delays prevent completion of the services to be performed under this AGREEMENT in the time specified in Article II - Time of Beginning and Completion, the COUNTY may grant a time extension to any or all phases of the work, provided written application is made by the CONSULTANT within ten (10) days after the alleged delay has occurred. Any time extension for work authorized will be based on the ratio that the additional compensation bears to the original fee and time limit.

Section 5 - Termination or Abandonment:
1. The COUNTY shall have the right to abandon or terminate this AGREEMENT or amend its project at any time, and such action shall in no event be deemed a breach of contract.

2. The COUNTY has the right to terminate this AGREEMENT at its sole discretion upon ten- (10) day's written notice and make settlement with the CONSULTANT upon an equitable basis in accordance with the following. In determining the final compensation to the CONSULTANT, the COUNTY shall apply the following:
   a. No consideration will be given to profit which the CONSULTANT might have made on the uncompleted portion of the work.
   b. If the AGREEMENT provides for a lump sum amount, final compensation to the CONSULTANT shall be determined by the OWNER establishing the percent of satisfactory work performed by the CONSULTANT prior to the termination of the AGREEMENT multiplied by the contract amount, less any payments previously made.
   c. If the AGREEMENT does not provide a lump sum amount, final compensation to the CONSULTANT shall be determined by the OWNER confirming all reimbursable costs incurred for satisfactory work performed by the CONSULTANT prior to the termination of the AGREEMENT, less any payments previously made.

SECTION 6 - TERMINATION OF CONTRACT FOR BREACH:

1. The Contract may be terminated by the OWNER for Consultant's breach of any substantive provision of the Contract including, but not limited to, any of the following reasons:
   a. Substantial evidence and belief that the progress being made by the Consultant is insufficient to complete the Work within the specified time.
   b. Deliberate failure on the part of the Consultant to proceed with the Work when so instructed by the OWNER or to observe any requirement of these Specifications.
   c. Failure on the part of the Consultant to promptly make good any defects in the work that may be called to his attention by the OWNER.
   d. In case the Consultant becomes insolvent or is declared bankrupt, or allows any final legal judgment to stand unsatisfied, or shall make an assignment for the benefit of his creditors.

2. Before the Contract is terminated, the Consultant will first be notified in writing by the OWNER of the conditions which make termination of the Contract imminent. Fifteen (15) days after notice is given, if no effective effort has been made by the Consultant to correct the conditions for which complaint is made, the OWNER may declare the Contract terminated and will notify the Consultant accordingly.

3. Upon receipt of notice from the OWNER that the Contract has been terminated, the Consultant shall immediately discontinue all operations, safely secure all items of the Work, and remove his equipment. The OWNER may then proceed with completion of the Work in any lawful manner that it may elect, until it is finally completed. When thus finally completed, the total cost of the Work (including all previous payments made to the Consultant) will be computed and if this total cost is greater than the Contract price, the difference shall be paid to the OWNER by the Consultant.

Section 7 - Controversy:

1. In any controversy concerning a question of fact in connection with the work covered by this AGREEMENT or compensation therefor, the decision of the Jefferson County Chief Finance Officer in the matter shall be final and conclusive for both parties.

Section 8 - Responsibility for Claims and Liability:

1. The CONSULTANT shall be responsible for all damage to life and property due to its activities and that of its subcontractors, agents, or employees in connection with its services under this AGREEMENT. CONSULTANT specifically agrees that its subcontractors, agents or employees shall possess the experience, knowledge and character necessary to qualify them individually for the particular duties they perform.

2. The CONSULTANT agrees to indemnify, hold harmless and defend the Jefferson County Commission, their elected officials, officers and employees (hereinafter referred to in this paragraph collectively as "COUNTY"), from and against any and all loss, expense against or imposed upon COUNTY because of bodily injury, death or property damage, real or personal, including loss of use thereof arising out of or as a consequence of breach of any duty or obligation of the CONSULTANT included in this AGREEMENT, or the negligent acts, errors or omissions of the CONSULTANT in the performance of its services under this Agreement.

3. The CONSULTANT, without extra compensation, shall carry insurance of the kinds and in amounts set out below. All insurance shall be by companies authorized to do business in Alabama involving those types of insurance. Before beginning work, CONSULTANT shall file with the COUNTY a certificate from his insurer showing the amounts of insurance carried and the risk covered thereby or a copy of the required insurance policies.

The foregoing Indemnity Agreement shall not be limited by reason of any insurance coverage provided.

Section 9 - General Compliance with Laws:
1. The CONSULTANT shall comply with the provisions of the Labor Law, all State Laws, Federal and Local Statutes, Ordinances and Regulations that are applicable to the performance of this AGREEMENT, and especially laws, ordinances and statutes prohibiting discrimination in employment of persons on account of race, creed, color or national origin, and all applicable provisions of title 6, Code of Federal Regulations, and procure all necessary licenses and permits.

Section 10 - Subletting, Assignment or Transfer:
1. There shall be no assignment, subletting, or transfer of the interests of the CONSULTANT in any of the work covered by this AGREEMENT without the express written consent of the COUNTY. Any attempt to assign this contract without the written consent of the COUNTY is null and void. In the event the COUNTY gives such consent, the terms and conditions of this AGREEMENT shall apply to and bind the party or parties to whom such work is consigned, sublet or transferred as fully and completely as the CONSULTANT is hereby bound and obligated.

Section 11 - Employment of County Workers:
1. The CONSULTANT shall not engage, in full or part time or other basis during the period of the AGREEMENT, any professional or technical personnel who are or have been at any time during the period of this AGREEMENT in the employment of the COUNTY, except regularly retired employees, without written consent of the public employer of such person.
2. The CONSULTANT warrants that he has not employed or retained any company, or person, other than a bona fide employee working solely for the CONSULTANT, to solicit or secure this AGREEMENT, and that he has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the CONSULTANT, any fee, commission, percentage brokerage fee, gifts, or any other consideration contingent upon or resulting from the award or making of this AGREEMENT. For breach or violation of this warranty the COUNTY shall have the right to annul this contract without liability or at its discretion deduct from the contract price or consideration or otherwise recover the full amount of such fee, commission, percentage brokerage fee, gifts, or contingent fee.
3. NO COUNTY official, employee of the COUNTY, Jefferson County Commission official, or employee of the Jefferson County Commission shall be admitted to any share or part of this AGREEMENT, or to any benefit that may arise there from, except the use of the facility being designed as enjoyed by the general public.

Section 12 - Control:
1. All work by the CONSULTANT shall be done in a manner satisfactory to the COUNTY and in accordance with the established policies, practices, and procedures of the COUNTY.

Section 13 - Conditions Affecting Work:
1. The CONSULTANT shall be responsible for having taken steps reasonably necessary to ascertain the nature, location, scope, and type of work hereunder and the general and local conditions, which can affect the work or the cost hereof. Any failure by the CONSULTANT to do so will not relieve him from responsibility for successfully performing the work without additional expense to the COUNTY. The COUNTY assumes no responsibility for any understanding or representation by any of its officials or agents prior to the execution of this AGREEMENT, unless such understandings or representations by the COUNTY are expressly stated herein.
2. The CONSULTANT and subcontractor are to maintain all books, documents, papers, accounting records and other evidences pertaining to cost incurred for this project, and to make such material available at their respective offices at all times during the contract period and for three (3) years from the date of final payment of the COUNTY Funds under the terms of the contract, for inspection by the COUNTY, or any authorized representative of the COUNTY Government, and copies thereof shall be furnished if requested.
3. During the performance of this contract, the CONSULTANT or itself, its assigns and successors in interest, agree as follows:
   a. Non-Discrimination: The CONSULTANT, with regard to the work performed by it after award and prior to completion of the contract work, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurement of materials and lease of equipment. The CONSULTANT will not participate either directly or indirectly in the discrimination prohibited by or pursuant to Title VI of the Civil Rights Act of 1964 or the Equal Opportunity provisions of Executive Order 11246 of September 24, 1965. The CONSULTANT will abide by all clauses and stipulations in, and as required by Jefferson County Commission Administrative Order 08-4.
   b. Solicitations of Subcontractor, Including Procurement of Materials and Equipment: In all solicitations, either by competitive bidding or negotiations made by CONSULTANT for work to be performed under a subcontract, including procurement of materials or equipment, each potential subcontractor or supplier shall be notified by the CONSULTANT of the CONSULTANTS obligations under this contract and the regulations relative to nondiscrimination on the grounds of race, color, or national origin.
c. **Sanctions of Noncompliance**: In the event of the CONSULTANT’S noncompliance with any provisions of this contract, the COUNTY shall impose such contract sanctions as it may determine to be appropriate, including but not limited to:

This Contract may be amended or modified only by a writing signed by all of the parties. In the absence of such mutually-agreed modification, all provisions of this Contract are indispensable, and this Contract would not have been agreed upon but for the inclusion of each and every one of its provisions. If any provision of this Contract is found to be invalid or unenforceable by any court of competent jurisdiction, then the remaining provisions of this Contract shall likewise be void. All items of consideration provided herein by each party are explicitly conditioned on and made in exchange for all items of consideration provided by the other party.
