WHEREAS, the Jefferson County Workforce Investment Board (WIB) has revised the Travel Policy regarding the local WIA board travel.

NOW, THEREFORE BE IT RESOLVED by the Jefferson County Commission that the Travel Policy for the Jefferson County Workforce Investment Board is approved.

BE IT FURTHER RESOLVED by the Jefferson County Commission that the Chief Financial Officer is authorized to reimburse each board member approved for travel by the WIB for expenses incurred in accordance with the approved Board Travel Policy.

Jefferson County Workforce Investment Board
Policy No. PY05 Adm-01; Revision # 01
Travel Policy

Purpose and Background

The Governor has designated Jefferson County as a Local Workforce Investment Area (LWIA) under the federal Workforce Investment Act of 1998 (WIA). The Jefferson County Workforce Investment Board (WIB), appointed by the Jefferson County Commission, acts as the overseer of WIA programs in Jefferson County. Over half the members of the WIB are from the private sector and serve as community volunteers without financial compensation. The remaining members of this “business-led” board represent partner agencies. The WIB is staffed through the Jefferson County Department of Community & Economic Development, but financed with WIA administration funds.

The Workforce Investment Board realizes the importance of having well-informed and well-trained board members and encourages its members to participate in regional, state and national workforce related training seminars and conferences.

In an effort to minimize any financial hardship service to the WIB may cause its members and in order to sponsor and encourage member participation at training sessions and conferences, the WIB reimburses members for qualified travel expenses (as set forth by the Policy) incurred during service to the WIB. This policy is meant to set forth the guidelines for such spending and reimbursement and to reflect and accommodate the unique requirements of WIB members. It is based on the Jefferson County Staff Development Policy, as amended.

General Guidelines

WIB members traveling on WIB-related business should do so in the most reasonable economic manner possible. This would include obtaining government rates or special conference rates at hotels, “shopping” for reasonable airfares, and using public transportation if available and reasonably convenient. Carpooling is encouraged but not required.

Conference Attendance

Any WIB member wishing to attend a conference/training session should submit his/her application of interest to the WIB staff. The WIB staff will prepare an estimate of costs for the conference/training session and then submit the request to the Executive Committee. It is preferable that the applications be submitted to the Executive Committee at least 60 days prior to the conference/training. The Executive Committee will determine the funding available for any given conference/training. It is the intention of the Workforce Investment Board to offer training to as many members as possible within the funding appropriated for a particular conference or training. Attendance priority will be given to those member applicants who serve as officers of the WIB, who have not previously attended a training session or conference, and/or to those who are new to the Board. The Chair of the WIB will resolve any conflicts that may arise regarding conference attendance.

Members who represent partner organizations and who have training funds available from those organizations should use those funds, whenever possible, prior to asking for WIA sponsorship. Members who attend conferences and/or training sessions are expected to make a report to the full WIB at the next regular meeting of the WIB following the conference detailing what was learned as a result of the approved travel.
Once a member has been approved for a conference/training, staff will complete the necessary travel request forms and submit them to the fiscal division of the Department of Community & Economic Development for processing.

Travel Arrangements

Upon approval, staff will be responsible for the coordination of conference registration arrangements, hotel reservations and transportation reservations.

Conference/Training Expenses

Conference/training registration fees will be paid from WIB funds directly to the conference/training provider. No out-of-pocket expenses for conference registration fees shall be incurred by WIB members, unless, last minute registration precludes prepayment.

Hotel accommodations will be reimbursed on an actual cost basis and must be supported by a receipt. Lodging includes room rental charges, taxes, and parking (if applicable) and does not include any miscellaneous charges, i.e., tips, movies, room service, minibar, and cleaning bills.

Mileage will be reimbursed at the Jefferson County approved rate. That rate will be adjusted periodically to reflect the current rate established by the Internal Revenue Service (IRS). Odometer readings will be required indicating the beginning miles and ending miles of the trip.

Car Rental will be reimbursed in the city of the conference/training if approval is obtained in advance of the scheduled conference/training.

Intracity transportation (in city of conference/training) expenses including taxis, shuttles, and public transportation will be reimbursed.

Toll charges are reimbursable expenses up to $50.00.

Parking is a reimbursable expense. Members are encouraged to use self-park garages when possible.

Meals and other expenses are reimbursable at the per diem rate of $34.00; however in some IRS designated “higher rate” cities, the per diem will be greater. Staff will ascertain those higher rates, include them on the member’s Travel Request form, and notify the member accordingly. A maximum of two quarters of per diem will be allowed for travel to or from an event.

Prohibitions

Workforce Investment Act funds may not be used for foreign travel or for the purchase of alcoholic beverages.

Receipts

Receipts are required for reimbursement of conference/training registration, hotel accommodations, transportation fares, toll fees, parking charges, and taxi fares.

Reimbursement requests should be submitted for payment within 7 business days of returning. Receipts are not necessary for meals.

Commission Reports

Quarterly (January 1, April 1, October 1,) the WIB shall provide the Commission a summary report of travel approved by WIB, which shall for each approved trip include the name of the member who traveled, the destination city and event, the total cost of travel and the dates of the travel.
