ADDENDUM TO ACCOUNTING SERVICES CONTRACT
January 10, 2012

1. ENGAGEMENT: Warren, LLC and its affiliates ("Warren Averett") are pleased to confirm our understanding of the audit services we are to provide for Jefferson County, Alabama ("the County"). This addendum to the Accounting Services Contract dated January 10, 2012 with Jefferson County, Alabama confirms our understanding of the terms and objectives of our audit engagement and the nature and limitations of the auditing services we will provide.

   In the following sections, "we" refers to Warren Averett and "you" refers to Jefferson County, Alabama.

2. SERVICES PROVIDED: We will perform auditing services as described in paragraph 2 of the Accounting Services Contract.

   The objective of our audit is the expression of an opinion as to whether your Schedule of Education Tax Proceeds Receipts and Disbursements (the Schedule) is fairly presented, in all material respects, in conformity with the cash basis of accounting. Our audit will be conducted in accordance with U.S. generally accepted auditing standards and will include tests of your accounting records and other procedures we consider necessary to enable us to express such opinion. If our opinion is other than unqualified, we will discuss the reasons
with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or to issue a report as a result of this engagement. Our procedures will include tests of the documentary evidence supporting the transactions recorded in the accounts. We will request written representations from your attorneys as part of the engagement. At the conclusion of our audit, we will require certain written representations from you about the Schedule and related matters.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Schedule; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. Also, we will plan and perform the audit to obtain reasonable assurance about whether the Schedule is free of material misstatement. Because an audit is designed to provide reasonable, but not absolute, assurance and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us. In addition, an audit is not designed to detect errors, fraud, or other illegal acts that are immaterial to the Schedule. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the Schedule. However, we will inform you of any material errors that come to our attention, and we will inform you of any fraudulent financial reporting or misappropriation of assets that come to our attention. We will also inform you of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our audit will include obtaining an understanding of internal control sufficient to plan the audit and to determine the nature, timing, and extent of audit procedures to be performed. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. However, during the audit, we will communicate to you internal control related matters that are required to be communicated under professional standards.

You are responsible for establishing and maintaining internal controls, including monitoring ongoing activities; for the selection and application of accounting principles; and for the fair presentation of the Schedule in conformity with the cash basis of accounting. You are also responsible for management decisions and functions; for designating an individual with suitable skill, knowledge, or experience to oversee any other non-attest services we provide; and for evaluating the adequacy and results of those services and accepting responsibility for them.

You are responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. Your responsibilities include adjusting the Schedule to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the Schedule taken as a whole.

Management is responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the County involving management, employees who have significant roles in internal control, and others where the fraud could have a material effect on the Schedule. Management is also responsible for informing us of your knowledge of any allegations of fraud or suspected fraud affecting the entity received in communications from employees, former employees, regulators or others. Management is also responsible for identifying and ensuring that the entity complies with applicable laws and regulations.

We understand that your employees will locate any documents selected by us for testing.

3. DETECTION: The audit engagement will not include any procedures designed to detect theft or illegal acts that are immaterial to the Schedule, and the County agrees that we will have no responsibility to do so. However, if during the ordinary course of the audit, such acts are in fact detected, they will be reported to appropriate County personnel upon discovery.

4. FEES: Our fees for these services are outlined in the accompanying Accounting Services Contract. If unusual circumstances or transactions are encountered outside the scope of the audit, we will discuss them with you in advance and agree on any additional fees before we incur any time.

5. BILLING: Billing terms are outlined in the accompanying Accounting Services Contract dated January 10, 2012. Invoices are due within 15 days of the invoice date. In the event that payment is not received within 15 days of the due date, the County will be assessed interest charges of 1.0 percent per month on the unpaid balance. We reserve the right to suspend or terminate our work due to nonpayment. In the event that our work is suspended or terminated as a result of nonpayment, the County agrees that we will not be responsible for the County's failure to meet government and other filing deadlines, or for penalties or interest that may be assessed against the County resulting from the County's failure to meet such deadlines.

6. LEGAL FEES: In addition to the fees for services described in this agreement, the County agrees to pay legal fees incurred by Warren Averett in responding to any third-party request for production and/or subpoena related to your records and our work done for you in connection with an engagement thereon. However, in no event, shall the County be responsible for fees incurred by Warren Averett in defense of its own work.

7. LIABILITY: Warren Averett's maximum liability to the County for any reason shall be limited to the fees paid by the County for the services or work product giving rise to the liability except and to the extent finally determined to have resulted from our gross negligence.
or our willful misconduct.
8. **INDEMNITY**: The County agrees to release, defend, indemnify and hold Warren Averett and its members, managers, officers and employees and the respective heirs, executors, personal representatives, successors, and assigns of each of them harmless from any and all claims which arise from knowing misrepresentations to Warren Averett by the County, or intentional withholding or concealment of information from Warren Averett by the County.
9. **ALTERNATIVE DISPUTE RESOLUTION**: By signing this agreement, both parties agree to submit to mediation at the option of either party for the resolution of any disputes or claims.
10. **INVALIDATION**: In the event that any portion of this agreement is deemed invalid or unenforceable, said finding shall not operate to invalidate the remainder of this agreement.

IN WITNESS WHEREOF: the Parties have hereunto set their hands and seals or caused these to be executed by their duly authorized representative.
