Dear Mr. Ronca:

Jefferson County through its Office of Community & Economic Development (JOCED) is pleased to inform you that The Flats at Colebridge, Ltd. (hereinafter referred to as "Owner") has been awarded HOME funds for the above referenced development to be utilized as construction financing for the development of fifty-six (56) units of affordable elderly housing (100% elderly) in the City of Tarrant as described in your Proposal dated January 27, 2012. This award is contingent upon the following basic terms and requirements:

Amount: $840,000.00
The Owner/Developer is required to apply for and receive Low income Housing Tax Credits and State HOME Program funds from the Alabama Housing Finance Authority (AHFA) as submitted in the Finance Department procedures and will coordinate with the disbursement of other construction financing sources.

Repayment: Construction Second Mortgage: $840,000.00 twenty-four (24) month loan at 0.5% interest. Principal and interest are payable at project completion and close of permanent financing. Jefferson County agrees to subordinate the second mortgage to a construction first mortgage from a private lender in an amount approved by JOCED prior to closing. Construction loan must close within 18 months of the date of this commitment unless an extension is approved in writing by JOCED.

Security: The loan must be secured by a second construction mortgage on the land and the existing or proposed improvements. A Land Use Restrictive Covenant (LURA) and a use agreement as required by HOME regulations which specifies compliance with applicable HOME Program regulations for the twenty (20) year Period of Affordability is required. The LURA must be recorded superior to any other lien or encumbrance. JOCED will cooperate with AHFA in the enforcement of HOME Program requirements.

Recourse: Full recourse until full occupancy. Personal guarantees required. Full occupancy required at six (6) months. An extension may be granted for an additional 12 months or as allowed by current HOME Program regulations. Guarantees will be released based upon percent of occupancy.

Disbursement: Funds will be disbursed based upon completion of construction and in accordance with JOCED/Finance Department procedures and will coordinate with the disbursement of other construction financing sources.

Requirements: 1. Owner/Developer must receive and maintain an award from the Alabama Housing Finance Authority of Low Income Housing Tax Credits and State HOME funds in an amount acceptable to JOCED.
2. This commitment is further contingent upon completion of an Environmental Review and receipt of a release of funds from the U.S. Department of Housing and Urban Development (HUD) under 24 CFR Part 58 prior to closing.
3. Submission to JOCED of a copy of your LIHTC/HOME Application and Reservation Documents.
4. JOCED will assist the Owner/Developer and its team members in encouraging participation by qualified businesses owned and operated by minorities and women. Jefferson County uses best faith efforts, consistent with applicable federal regulations and executive orders, to fully promote participation and utilization of disadvantaged and historically under-utilized businesses in all areas of housing contracting. Owner/Developer is expected to demonstrate diligence to achieve participation and utilization of MBE/WBE/DBE firms.
5. Approval by JOCED of complete plans and specifications. All change orders will be submitted to JOCED for review and approval.
6. All units must be either handicapped adaptable or fully handicapped accessible.
7. JOCED reserves the right to approve any changes to the number of units and bedroom distribution.
8. No units may have more than 2 bedrooms or have a room, such as a den, that can be converted into a 3rd bedroom.
9. Owner/Developer shall provide a transportation and tenant services plan acceptable to both AHFA and JOCED. This plan will describe those steps needed to meet the transportation needs of tenants as well as providing a well-rounded social program.
10. Owner/Developer shall provide an emergency monitoring plan for tenants. This plan will be designed to recognize that elderly and disabled tenants have special needs and are more likely to experience health care emergencies than non-elderly individuals.
11. 100% of all units will be occupied by elderly tenants 62 years of age and older whose incomes are at 50% and 60% of area median income as required by HOME Program regulations. The development shall be designated as Senior Housing.
12. Maximum rents are to be approved by JOCED and shall be in compliance with HOME Program regulations.
13. The Flats at Colebridge, Ltd. and the development team must comply with all applicable HOME Program rules and regulations at all times during construction, lease-up and occupancy of the project for the twenty (20) year Period of Affordability. Applicable HOME regulations shall be a part of all loan documents. A Land Use Restrictive Covenant (LURA) and a use agreement as required by HOME regulations which specifies compliance with applicable HOME Program regulations is required.
14. Any changes to the development from the proposal as submitted on January 27, 2012 must be approved by JOCED.
15. Owner/developer must provide a certified copy of the Limited Partnership Agreement, documentation of the identity of the general and limited partners, any and all articles of incorporation or other organizations documents as applicable, Federal Tax ID numbers, borrowing resolutions, evidence of zoning compliance, as-built appraisal and survey and acceptable title and hazard insurance listing Jefferson County, Alabama as mortgagee and loss payee.
16. All construction must be inspected and approved by JOCED. Owner/developer must coordinate and require general and subcontractors to coordinate with JOCED during construction for progress inspections and documentation of Davis-Bacon compliance. Owner/developer is responsible for all issues of noncompliance. A Certificate of Occupancy must be provided.

Attached you will find the authorizing Resolution approved by the Jefferson County Commission. The Director of Community & Economic Development shall represent the County in all instances regarding this commitment.
