and Jefferson County, Alabama, which will be represented by its Office of Community & Economic Development, (herein called "the County").

WITNESSETH THAT:

NOW, THEREFORE, the parties hereto do mutually agree as follows:

(1) The City hereby authorizes the County to make application for and receive Community Development Block Grants and HOME funds from the U. S. (2) The City and the County agree to cooperate to undertake, or assist in undertaking, community renewal and lower income housing assistance activities, specifically urban renewal and publicly assisted housing.

(3) The County shall, at no cost to the City, provide the staff resources and other services necessary for planning and administering housing assistance and community development programs on behalf of the City out of Community Development Block Grants and HOME funds.

(13) This Agreement shall be effective and binding upon the parties thereto for three program years funded from annual Community Development Block Grants and Home funds from Federal Fiscal Years 2012, 2013, and 2014 appropriations and from any program income generated from the expenditure of such funds; and for such additional time as may be required for the expenditure of funds granted to the County for such period.

(14) This Agreement shall be automatically renewed in successive three-year qualification periods, unless changes to the Agreement are required by HUD that would require the execution of a new Agreement. Either the County or the City may exercise the option to terminate the Agreement at the end of said three-year period. If either the County or the City fails to exercise that option, in writing, prior to the end of said three-year period, it will not have another opportunity to exercise that option until the end of the subsequent three-year period.

If the City wishes to be excluded from the County, it must notify the County and HUD in writing, of its election to be excluded. Prior to the renewal of the next three year period beginning in Fiscal Year 2015; the County will advise the City in writing of this date.

b. May receive a formula allocation under the HOME Program only through the County. Thus, even if the County does not receive a HOME formula allocation, the City cannot form a HOME consortium with other local governments. This does not preclude the urban county or a unit of government from applying for State HOME funds.

c. May receive a formula allocation under the ESG Program only through the County. This does not preclude the urban county or a unit of government participating with the urban county from applying to the State for ESG funds, if the state allows.

(16) The City and the County agree that failure by either party to adopt and submit to HUD any amendment to the Agreement incorporating all changes necessary to meet the requirements for Cooperation Agreements set forth in the Urban County Qualification Notice (U. S. Department of Housing and Urban Development Notice) applicable for the year in which the next qualification of Jefferson County is scheduled shall automatically terminate the Agreement following the expenditure of all CDBG funds and HOME funds allocated for use
in either jurisdiction failing to comply.

(17) Certification of Authority: The attached certification by the County attorney's office (in the Office of Community & Economic Development) is hereby incorporated as part of this Agreement.

IN WITNESS WHEREOF, the City and the County have executed this Agreement as of the date first written above.
