BE IT RESOLVED BY THE JEFFERSON COUNTY COMMISSION that the President is authorized to execute the following agreement between Jefferson County, Alabama and FTI Consulting, Inc. to provide certain financial advisory and consulting services.

PROFESSIONAL SERVICES CONTRACT

This Agreement is entered into this day of March, 2011, by and between JEFFERSON COUNTY COMMISSION, hereinafter called "the County", and FTI Consulting, Inc., hereinafter called "FTI". The effective date of this Agreement shall be and the Agreement shall end on

WHEREAS, the County desires to contract with FTI for the provision of certain services; and

WHEREAS, the Contractor desires to furnish said services to the County according to the terms and conditions of this Agreement.

NOW THEREFORE, the parties hereto do mutually agree as follows:

1. ENGAGEMENT OF CONTRACTOR

The County hereto agrees to engage FTI and FTI hereby agrees to perform the services hereinafter set forth.

2. PURPOSE AND OBJECTIVE

FTI has been retained by the County to provide certain financial advisory and consulting services (the "Services") set out below.

3. SCOPE OF SERVICES

The Services will be performed at the County's discretion and include the following:

Phase One:

The Services that FTI will provide as part of Phase One will include:

- Prepare a preliminary high-level assessment of potential opportunities for the County to reduce costs, improve the efficiency of County operations and accelerate cash collections. The preliminary assessment should consider the potential that some or all of the Occupational Tax may not be available to fund County Operations.
- Working with the County Attorney, prepare a preliminary assessment of the County's options under a Chapter 9 bankruptcy filing.
- Develop a work plan and preliminary budget for a Phase Two Assignment of Developing a Turnaround Plan for Jefferson County.

It is understood by FTI and the County that the Scope of Services described above is expected to take approximately three to four weeks to complete. The Services may be performed by FTI or by any subsidiary of FTI, as FTI shall determine. FTI may also provide Services through its or its subsidiaries' agents or independent contractors. References herein to FTI and its employees shall be deemed to apply also, unless the context shall otherwise indicate, to employees of each such subsidiary and to any such agents or independent contractors and their employees.

The Services, as outlined above, are subject to change as mutually agreed in writing between the parties.

FTI is engaged by the County to provide consulting services only. Accordingly, FTI may from time to time suggest options which
may be available to the County and further give our professional evaluation of these options, the ultimate decision as to which, if any, of these options to implement rests with the County. FTI and its employees will not make any management decisions for the County and will not be responsible for communicating information concerning the County to the public or others.

As part of the Services, FTI may be requested to assist the County (and its legal or other advisors) in negotiating with the County's creditors and with other interested parties. In the event that FTI participates in such negotiations, the representations made and the positions advanced will be those of the County and its management, not FTI or its employees.

4. FEES

Phase One:

Fees in connection with this Phase One engagement will be on pro bono basis. FTI may periodically review the status of Phase One work and reevaluate whether FTI's representation shall continue on a pro bono basis. Provided, the County must consent to any material change to the payment terms of this Agreement by amendment to this Agreement. It is estimated that the Scope of Services described herein will require approximately three to four weeks to complete. The County shall reimburse FTI for actual, reasonable travel and out of pocket expenses incurred by FTI's employees or its subcontractors as part of performing the above professional services. Out of pocket expenses shall never include reimbursement for alcohol or first class airfare. Expenses shall be kept within the U. S. General Services Administration (GSA) recommended guidelines at the specified GSA recommended rates for Jefferson County, Alabama. These expenses will not exceed Thirty Five Thousand and no/100 ($35,000.00) Dollars.

Phase Two:

The scope and fees for Phase Two may be addressed in an addendum to this Contract after completion of Phase One.

5. TERMS AND CONDITIONS

The following Standard Terms and Conditions set forth the duties of each party with respect to the Services. Further, this Agreement comprises the entire Agreement for the provision of the Services to the exclusion of any other express or implied terms, whether expressed orally or in writing, including any conditions, warranties and representations, and shall supersede all previous proposals, letters of engagement, undertakings, agreements, understandings, correspondence and other communications, whether written or oral, regarding the Services.

6. CONFLICTS OF INTEREST

The County Attorney has delivered to FTI a list of creditors and other potentially interested parties. Within five (5) business days of the date of this Agreement, FTI will disclose to the County Attorney its representations, if any, of potentially interested parties. FTI will not be authorized to begin performing under this Agreement until the County Attorney provides written confirmation that the County does not view such relationships as a conflict or expressly waives the conflict.

During the term of this Agreement, FTI shall not provide services to a party that is adverse to the County in a matter for which FTI is engaged by the County.

7. PROVISION OF INFORMATION AND ASSISTANCE

FTI's performance of the Services is dependent upon the County providing FTI with such information and assistance as FTI may reasonably require from time to time.

8. PUNCTUAL AND ACCURATE INFORMATION

The County shall use reasonable skill, care and attention to ensure that all information FTI may reasonably require is provided on a timely basis and is accurate and complete and relevant for the purpose of which it is required. The County shall also notify FTI if the County subsequently learns that the information provided is incorrect or inaccurate or otherwise should not be relied upon.

9. NO ASSURANCE ON FINANCIAL DATA

While FTI's work may include an analysis of financial and accounting data, the Services will not include an audit, compilation or review of any kind of any financial statements or components thereof. County management will be responsible for any and all financial information they provide to FTI during the course of this Engagement, and FTI will not examine or compile or verify any such financial information. Moreover, the circumstances of the Engagement may cause FTI's advice to be limited in certain respects based upon, among other matters, the extent of sufficient and available data and the opportunity for supporting investigations in the time period. Accordingly, as part of this Engagement, FTI will not express any opinion or other form of assurance on financial statements of the County.

10. PROSPECTIVE FINANCIAL INFORMATION

In the event the Services involve prospective financial information, FTI's work will not constitute an examination or compilation, or apply agreed-upon procedures, in accordance with standards established by the American Institute of Certified Public Accountants or otherwise, and FTI will express no assurance of any kind on such information. There will usually be differences between estimated and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material. FTI will take no responsibility for the achievability of results or events projected or anticipated by the management of the County.

11. RESPONSIBILITY FOR OTHER PARTIES
The County shall be solely responsible for the work and fees of any other party engaged by the County to provide services in connection with the Engagement regardless of whether such party was introduced to the County by FTI. Except as provided in this Engagement Contract, FTI shall not be responsible for providing or reviewing the advice or services of any such third party, including advice as to legal, regulatory, accounting or taxation matters. Further, FTI acknowledges that FTI is not authorized under the Engagement Contract to engage any third party to provide services or advice to the County, other than its agents or independent contractors engaged to provide Services, without the County's written authorization.

12. CONFIDENTIALITY

Except as provided in paragraph 13 below, FTI shall not disclose to any third party any County information without obtaining the prior written consent of the County Attorney.

13. DISCLOSING CONFIDENTIAL INFORMATION

Notwithstanding paragraph 12 above, either Party will be entitled to disclose confidential information of the other to a third party to the extent that this is required by valid legal process, provided that (and without breaching any legal or regulatory requirement) where reasonably practicable not less than two (2) business days notice in writing is first given to the other party.

14. MAINTENANCE OF WORKPAPERS

Notwithstanding the above, FTI may keep one archival set of its working papers from the Engagement, including working papers containing or reflecting confidential information with FTIs internal policies.

15. TERMINATION OF ENGAGEMENT WITH NOTICE

Either party may terminate the Engagement Contract for whatever reason upon written notice to the other party. Upon receipt of such notice, FTI will stop all work immediately. The County will be responsible for all expenses incurred by FTI through the date of termination notice is received.

16. CONTINUATION OF TERMS

The terms of the Engagement that by their context are intended to be performed after termination or expiration of this Engagement Contract, including but not limited to, paragraphs 3, 4, 12, 13, 21, 24 and 26, are intended to survive such termination or expiration and shall continue to bind all parties.

17. NON-ASSIGNMENT CLAUSE

No portion of this contract may be sold, assigned, transferred or conveyed to a third party without the express written consent of the County. Should the County authorize FTI to subcontract (assign) any portion of this Contract, FTI will maintain the ultimate legal responsibility for all services according to Contract specifications. In the event of a subcontract, FTI must maintain a continuous effective business relationship with the subcontractor(s) including, but not limited to, regular payment of all monies owed to any subcontractor. Failure to comply with these requirements in whole or in part, will result in termination of the Contract and/or legal ramifications, due to nonperformance.

22. AMENDMENT OF AGREEMENT

This Contract contains the entire understanding of the parties, and no change of any term or provision of the Contract shall be valid or binding unless so amended by written instrument which has been executed or approved by the County. Any such amendment shall be attached to and made a part of this Contract. A written request must be made to the County and an amended Agreement will be executed.
23. INSURANCE

FTI will maintain such insurance as will protect it and the County from claims under Workmen's Compensation Acts and from claims for damage and/or personal injury, including death, which may arise from operations under this Contract. Insurance will be written by companies authorized to do business in Alabama. Evidence of insurance will be furnished to the Purchasing Agent not later than seven (7) days after purchase date. Contractor must have adequate general and professional liability insurance of $1,000,000 per occurrence.

24. HOLD HARMLESS AND INDEMNIFICATION

To the extent permitted by law, the parties each agree to indemnify each other for their own gross negligence or willful misconduct.

25. COUNTY FUNDS PAID

FTI and the FTI representative signed below certify by the execution of this Agreement that no part of the funds paid by the County pursuant to this Agreement nor any part of the services, products or any items or thing of value whatsoever purchased or acquired with said funds shall be paid to, used by or used in any way whatsoever for the personal benefit of any member or employee of any government whatsoever or family member of any of them, including federal, state, county and municipal and any agency or subsidiary of any such government; and further certify that neither the Contractor nor any of its officers, partners, owners, agents, representatives, employees or parties in interest has in anyway colluded, conspired, connived, with any member of the governing body or employee of the governing body of the County or any other public official or public employee, in any manner set out in the Scope of Work or Services of this Agreement, no promise or commitment of any nature whatsoever of any thing of value whatsoever has been made or communicated to any such governing body member or employee or official as inducement or consideration for this Agreement.
