RESOLUTION OF THE JEFFERSON COUNTY COMMISSION OF WITH RESPECT TO AMENDING THE PREVIOUS COUNTY ZONING RESOLUTIONS UNDER THE PROVISIONS OF ACTS 344 & 581, 1947 GENERAL ACTS AND ACTS 422 & 634 GENERAL ACTS OF ALABAMA

WHEREAS, pursuant to the provisions of the above Acts 581, 422 and 634 of the General Acts of Alabama, aforesaid and upon the recommendations of the Jefferson County Planning and Zoning Commission, this Jefferson County Commission did advertise a public hearing as prescribed by law, and

WHEREAS, this County Commission did hold such public hearing, as advertised, in the Jefferson County Courthouse, Birmingham, Alabama for the purpose of entertaining a public discussion of the amendment at which parties in interest and citizens were afforded an opportunity to voice their approval or raise objections, and

WHEREAS, after due consideration of the recommendations aforesaid and as a means of further promoting the health, safety, morals and general welfare of the County, this Jefferson County Commission does hereby approve and adopt the herein contained amending provisions for the purpose among others, of lessening congestion in roads and streets; encouraging such distribution of population and such classification of land uses as will tend to facilitate economical drainage, sanitation, education, recreation and/or occupancy of the land in the County.

BE IT FURTHER RESOLVED that the President is hereby authorized and directed to execute all zoning maps and detail sheets and documents as may be necessary and appropriate to carry out this action.

Z-2009-024 The Hometown Bank of Alabama & Rudd Development, LLC, owners; Frank E. Humber, agent. Renewal of change of zoning on Parcel ID# 9-30-2-0-40, 41 & 42 Lots 1, 2 & 3, Survey of Rudd Corners in Section 30 Twp 15 Range 1 West from A-1 (Agriculture) to C-1 (Commercial) for an additional two (2) years for a bank and retail sales. (Site Only: 6815 Highway 79, Pinson, AL 35126) (PINSON) (7.7 Acres M/L) (Z-07-014 reverted 5/22/2009)

On June 16, 2009, this case was tentatively APPROVED WITH COVENANTS as follows: 1. this property shall be developed in substantial conformance to the submitted site plan, with any future development subject to prior approval by the Planning & Zoning Commission. 2. a right turn lane from Highway 79 (as approved by the Alabama Department of Transportation) shall be provided; 3. a left turn lane and/or right turn lane may be required on Rudd School Road, at the discretion of the Director of the Jefferson County Department of Roads and Transportation; and, 4. the zoning of this property shall revert back to its original zoning, A-1 (Agriculture), if development is not implemented within one (1) year. This means there must be some kind of substantive permanent physical improvement installed on/in the property, in accordance with plans approved by all appropriate departments and agencies, by the end of the day June 16, 2011. If not, the property will automatically revert; the proposed development will no longer be a permitted use; and a re-rezoning of the property will be necessary before any further work can be done on the development in question, as no further extensions shall be considered for this property. Also, please note that simply having approved plans, a building permit, clearing the site of vegetation or even performing excavation on the property does not satisfy this requirement: there must be actual construction underway on the site.
