WHEREAS, the County is currently a party to the class action styled Jessica Edwards, et al. v. Jefferson County, Alabama, et al., Civil Action No. 07-90087, which pertains to the occupational, privilege, and license taxes collected under Act 1967-406; and

WHEREAS, the Court currently holds an escrow account containing the occupational, privilege, and license tax collections for the period of January 12, 2009, through August 13, 2009, plus administrative expense payments already made by the County and interest, and, as of April 8, 2011, that escrow account contains $51,451,574.59; and

WHEREAS, as a result of the Alabama Supreme Court's most recent judgment in the case, the County is due to have refunded to it from the escrow account $12,466,873.81, plus interest; and

WHEREAS, as a result of the Alabama Supreme Court's most recent judgment in the case, the taxpayers are entitled to have the remainder of the escrow account, less the administrative expense contribution made by the County and less taxpayers' attorneys' fees and expenses awarded by the Court, refunded to them; and

WHEREAS, as a result of the Alabama Supreme Court's most recent judgment in the case, the County may collect occupational, privilege, and license taxes retroactively for the same period from the same taxpayers.

NOW THEREFORE BE IT RESOLVED BY THE JEFFERSON COUNTY COMMISSION that the County Attorney is hereby authorized to settle the lawsuit styled Jessica Edwards, et al. v. Jefferson County, Alabama, et al., Civil Action No. 07-90087, pursuant to the following terms and conditions:

1. Separate from the settlement, the Court, consistent with the Alabama Supreme Court's judgment, will order the return of
$12,466,873.81, plus interest, to the County. The Court will also order that $6,500,000.00 remain in the escrow account as a settlement fund, along with the remaining amount of the County's prior payment for administrative expenses. The Court will also order that the remainder in the escrow account be transferred into a separate account under the Court's control for distribution of refunds to taxpayers, after payment from that separate account of any attorneys' fee and costs and class representative payments to be awarded by the Court. The County acknowledges that it will have no right, title, or interest in that separate account and shall not oppose any requests for distributions therefrom.

2. The amount of the settlement fund will be $6,500,000.00. Each taxpayer who is entitled to a refund under the Supreme Court's judgment shall be a member of the settlement subclass. Members of the settlement subclass shall receive a release from the County from any retroactive tax attributable to the period January 12 through August 13, 2009, in exchange for payment to the County of their pro rata shares of the settlement fund. Each member of the settlement subclass will be given the opportunity to opt out of the settlement. Those subclass members who opt out will receive their pro rata shares of the settlement fund, but they will not receive from the County any release regarding retroactive taxation for that period.

3. The County consents to the deduction of $70,000.00 from the settlement fund to cover the Special Master's additional fees and expenses in administering the settlement, which will mean that the administrative expense payments by the County will total $1,170,000.00. If the Special Master incurs less than $1,170,000.00 in fees and expenses in administering the refund and settlement, then the remaining balance will be returned to the County. If such fees and expenses exceed $1,170,000.00, the County shall have the right to challenge the reasonableness of such fees and expenses prior to payment thereof.

BE IT FURTHER RESOLVED BY THE JEFFERSON COUNTY COMMISSION that Resolution No. AUG-17-2010-774 at Minute Book 160, Page 326, is hereby repealed.

Motion was made by Commissioner Knight seconded by Commissioner Brown that the above resolution be adopted. Voting “Aye” Knight, Brown, Bowman, Carrington and Stephens.

Motion was made by Commissioner Stephens seconded by Commissioner Brown that the following items be added as New Business. Voting “Aye” Stephens, Brown, Bowman, Carrington and Knight.
