For services performed by the CONSULTANT under this AGREEMENT, and as full complete compensation therefore, including all expenditures made and all expenses incurred by the CONSULTANT in connection with this AGREEMENT, except as otherwise provided herein, subject to and in conformity with all provisions of this AGREEMENT, the COUNTY will pay the CONSULTANT as follows:

The COST CEILING for this AGREEMENT shall not be exceeded except by a formal amendment to this AGREEMENT. Payments shall be made, not more often than once per month, in such amounts as evidenced by the submittal of vouchers and invoices by the CONSULTANT to the COUNTY, and other evidence of performance as the COUNTY may deem necessary. The COUNTY shall make payment to the CONSULTANT within thirty (30) days upon receipt of the payment request by the Finance Department.

Section 2

Section 1 - Changes of Work

If, during the term of this AGREEMENT, additional services are required of the CONSULTANT other than those specified above or major changes in the work become necessary or desirable, the COUNTY may order, in writing, the CONSULTANT to perform such services or make such changes. If the CONSULTANT is of the opinion that the work he has been directed to perform is beyond the scope of this AGREEMENT and constitutes extra work, the CONSULTANT will within ten (10) days notify the COUNTY in writing and receive approval from the COUNTY prior to performing such work. In the event the COUNTY determines that such work does constitute extra work, additional time for completion of contract may be given and payment for the additional work shall be negotiated by supplemental AGREEMENT prior to work being undertaken by the CONSULTANT.

Likewise, during the term of this AGREEMENT any service specified may be deleted and/or reduced at the discretion of the COUNTY. If such deletion or reduction becomes desirable, the CONSULTANT will be given advance notice and an equitable reduction in the CONSULTANT’S fee or cost ceiling will be made on a proportionate basis.

Section 2 - Ownership of Engineering Documents

Upon completion of the work covered by this AGREEMENT, the CONSULTANT shall make available to the COUNTY all documents and data pertaining to the work or to the project, which material shall become the property of the COUNTY. All original tracings or maps and other engineering data furnished to the COUNTY by the CONSULTANT shall bear thereon the endorsement of the CONSULTANT. All data collected and prepared or generated under this agreement between the CONSULTANT and the COUNTY shall be the property of the COUNTY and shall not be released to any other party without the consent of the Director.

Section 3 - CONSULTANT's Endorsement

The CONSULTANT shall endorse the original title or cover sheet of all reports and engineering data required to be furnished by him under the terms of this AGREEMENT. All endorsements shall contain the seal and original signature of an Alabama licensed professional engineer who is a bona fide employee of the CONSULTANT.

Section 4 - Delays and Extensions

In the event that unavoidable delays prevent completion of the services to be performed under this AGREEMENT in the time specified in Article II - Time of Beginning and Completion, the COUNTY may grant a time extension to any or all phases of the work, provided written application is made by the CONSULTANT within ten (10) days after the alleged delay has occurred.

In the event that delays are deemed avoidable by the COUNTY and time extensions are not granted, the CONSULTANT may be
subjected to a liquidated damages charge of $50.00 per day for each calendar day exceeding the time specified in Article.

Section 5 - Termination or Abandonment

The COUNTY shall have the right to abandon this AGREEMENT or amend its project at any time, and such action shall in no event be deemed a breach of contract.

The COUNTY has the right to terminate this AGREEMENT at its sole discretion upon ten (10) days written notice to the CONSULTANT and make settlement with the CONSULTANT upon an equitable basis in accordance with the following. In determining the final compensation to the CONSULTANT, the COUNTY shall apply the following:

No consideration will be given to profit which the CONSULTANT might have made on the uncompleted portion of the work.

If the AGREEMENT provides for a lump sum amount, final compensation to the CONSULTANT shall be determined by the COUNTY establishing the percent of satisfactory work performed by the CONSULTANT prior to the termination of the AGREEMENT multiplied by the contract amount, less any payments previously made.

If the AGREEMENT does not provide a lump sum amount, final compensation to the CONSULTANT shall be determined by the COUNTY confirming all reimbursable costs incurred for satisfactory work performed by the CONSULTANT prior to the termination of the AGREEMENT, less any payments previously made.

Section 6 – Termination of Contract for Breach

A. The Contract may be terminated by the COUNTY for CONSULTANT's breach of any substantive provision of the Contract including, but not limited to, any of the following reasons:

1. Substantial evidence and belief that the progress being made by the CONSULTANT is insufficient to complete the Work within the specified time.

4. In case the CONSULTANT becomes insolvent or is declared bankrupt, or allows any final legal judgment to stand against him unsatisfied, or shall make an assignment for the benefit of his creditors.

A. Before the Contract is terminated, the CONSULTANT will first be notified in writing by the COUNTY of the conditions which make termination of the Contract imminent. Fifteen (15) days after notice is given, if no effective effort has been made by the CONSULTANT to correct the conditions for which complaint is made, the COUNTY may declare the Contract terminated and will notify the CONSULTANT accordingly.

B. Upon receipt of notice from the COUNTY that the Contract has been terminated, the CONSULTANT shall immediately discontinue all operations, safely secure all items of the Work, and remove his equipment. The COUNTY may then proceed with completion of the Work in any lawful manner that it may elect, until it is finally completed. When thus finally completed, the total cost of the Work (including all previous payments made to the CONSULTANT) will be computed and if this total cost is greater than the Contract price, the difference shall be paid to the COUNTY by the CONSULTANT.

Section 7 – Controversy

In any controversy concerning a question of fact in connection with the work covered by this AGREEMENT, or compensation therefore, the decision of the Director of Environmental Services in the matter shall be final and conclusive for both parties.

CONSULTANT's liability to COUNTY and COUNTY's liability to CONSULTANT for direct damages under this Contract shall not exceed the contract price.

To the proportionate extent of the CONSULTANT's negligence, The CONSULTANT agrees to indemnify, hold harmless and defend the COUNTY, from and against any and all loss, expense against or imposed upon COUNTY because of bodily injury, death or property damage, real or personal, including loss of use thereof arising out of or as a consequence of breach of any duty or obligation of the CONSULTANT included in this AGREEMENT, negligent acts, errors or omissions including engineering design even though such injuries or death or damage to property is claimed to be due to the negligent acts, errors or omissions of the CONSULTANT, his subcontractors, the contractor, his subcontractor, the COUNTY, its elected officials, officers or employees. Nothing contained in this paragraph should be construed to obligate CONSULTANT to indemnify the COUNTY for its own negligence, the negligence of its contractors or subcontractors.
or others.

CONSULTANT, without extra compensation, shall carry insurance of the kinds and in amounts set out below. All insurance shall be by companies authorized to do business in Alabama involving those types of insurance. Section 11 - Employment of COUNTY Workers

The CONSULTANT shall not engage, on full or part time or other basis during the period of the AGREEMENT, any professional or technical personnel who are or have been at any time during the period of this AGREEMENT in the employ of the COUNTY, except regularly retired employees, without written consent of the public employer of such person.

The CONSULTANT warrants that he has not employed or retained any company, or person, other than a bona fide employee working solely for the CONSULTANT, to solicit or secure this AGREEMENT, and that he has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the CONSULTANT, any fee, commission, percentage brokerage fee, gifts, or any other consideration contingent upon or resulting from the award or making of this AGREEMENT. For breach or violation of this warranty the COUNTY shall have the right to annul this contract without liability or at its discretion deduct from the contract price or consideration or otherwise recover the full amount of such fee, commission, percentage, brokerage fee, gifts, or contingent fee.

Any failure by the CONSULTANT to do so will not relieve him from responsibility for successfully performing the work without additional expense to the COUNTY. The COUNTY assumes no responsibility for any understanding or representation by any of its officials or agents prior to the execution of this AGREEMENT, unless such understandings or representation by the COUNTY are expressly stated herein. The CONSULTANT and subcontractor are to maintain all books, documents, papers, accounting records and other evidences pertaining to cost incurred for this project, and to make such material available at their respective offices at all times during the contract period and for three (3) years from the date of final payment of the COUNTY funds under the terms of the contract, for inspection by the COUNTY, or any authorized representative of the COUNTY, and copies thereof shall be furnished if requested.
