Memorandum of Understanding
Jefferson County Commission and Alabama Cooperative Extension System

This Memorandum of Understanding (MOU) establishes an agreement between the Jefferson County Commission (JCC) and the Alabama Cooperative Extension System (ACES).

The purpose of entering into this MOU is to assist JCC in complying with the requirements of the National Pollutant Discharge Elimination System (NPDES) Permit, and to assist ACES in working toward its goal of environmental stewardship, with particular focus on water resources.

Through this document, JCC and ACES will identify areas in which the purpose and mission of each agency intersect and establish a common agenda within these areas in order to:

• work collaboratively and/or in partnership on projects, workshops, events, trainings, publications, and other activities;
• share non-monetary resources and expertise;
• grow a stakeholder community;
• provide a consistent environmental message to Jefferson County residents;
• seek grants or other funding for implementation of mutually beneficial activities.

The benefits of entering into this MOU include reducing expenses by sharing knowledge and resources, minimizing duplication of effort, enhancing the efficiency of stormwater pollution prevention outreach efforts, and expanding the reach of both agencies to improve stormwater quality.

JCC and ACES agree to maintain a cooperative working relationship to promote stormwater pollution prevention. This MOU does not create enforceable legal obligations, but rather is an expression of intent by the parties to work with one another as partners to reduce stormwater pollution.

Amendments or additions may be developed and implemented by mutual written agreement of the parties at any time without renegotiating the entire MOU. One or both parties also may terminate participation in this agreement after providing 30 days written notice to the other party, thereby nullifying this agreement. This agreement is effective immediately after both parties sign, and will remain in effect for both parties unless and until they choose to formally terminate.

BE IT RESOLVED BY THE JEFFERSON COUNTY COMMISSION that the President is hereby authorized to execute the
engagement letter with Klee, Tuchin, Bogdanoff & Stern, LLP, set forth below.

VIA ELECTRONIC MAIL

Mr. Jeffrey M. Sewell  
County Counsel  
Room 280, Jefferson County Courthouse  
716 Richard Arrington Jr. Boulevard North  
Birmingham, Alabama 35203

Re: Retention Agreement between Jefferson County, Alabama and Klee, Tuchin, Bogdanoff & Stern LLP

Dear Mr. Sewell:

I am writing this letter agreement to set forth the terms and conditions upon which Klee, Tuchin, Bogdanoff & Stern LLP ("KTB&S") will represent Jefferson County, Alabama ("County").

Scope of Representation.

KTB&S limits its practice to business reorganization, corporate insolvency, commercial and bankruptcy-related litigation and appellate advocacy, expert witness and transactional services. Included within the parameters of our practice are the representation of municipalities facing financial difficulties, debtors, creditors, equity holders, committees, trustees, landlords, potential acquirers of assets and other parties with interests in financially distressed businesses. To the extent the County requires services outside those areas, KTB&S will work with the County to obtain appropriate outside advice. It is a condition to KTB&S engagement that the County have available competent outside counsel to provide advice in matters outside the scope of KTB&S engagement, including, without limitation, competent outside counsel to provide advice in the areas of municipal finance, tax law, securities law, and substantive Alabama law. KTB&S will consult only as to those aspects of the matter that are within the scope of its representation.

KTB&S will act as the County's co-counsel in connection with its current financial situation and financial restructuring and the evaluation of chapter 9 options for the County. If the County determines to commence a case under chapter 9 of the Bankruptcy Code and commences such case, KTB&S will additionally act as the County's co-counsel to render such ordinary and necessary legal services as may be required as bankruptcy counsel in connection with a case under chapter 9 of the Bankruptcy Code which may be filed by the County in the United States Bankruptcy Court for the Northern District of Alabama ("Bankruptcy Court"), including advising with respect to the negotiation, preparation, and confirmation of any chapter 9 plan; assisting in the preparation of any disclosure statement; representing the County in litigation in the Bankruptcy Court (or any other federal court exercising jurisdiction over the County's case) concerning bankruptcy law issues; and otherwise advising the County regarding its legal rights and responsibilities under the Bankruptcy Code and Bankruptcy Rules.

None of the attorneys at KTB&S are admitted to practice law in the State of Alabama. Following the commencement of a chapter 9 case by the County, the attorneys at KTB&S which are to represent the County in its chapter 9 case will file applications with the Bankruptcy Court for permission to appear before the Bankruptcy Court (or any other federal court exercising jurisdiction over the County's case).

KTB&S understands that the County has not resolved to commence a case under chapter 9 of the Bankruptcy Code and nothing in this letter shall be deemed or construed otherwise.

Financial Arrangements.

As a condition to this engagement, KTB&S requires the payment and maintenance of (i) an initial retainer in the amount of $50,000 to secure out-of-court services by KTB&S (the "Initial Retainer"), and (ii) a further retainer (the "Chapter 9 Retainer" and, with the Initial Retainer the "Retainers") in the amount of $500,000 to secure in-court services by KTB&S (the "Chapter 9 Retainer Amount"). In the event that County ultimately determines not to commence a case under chapter 9 of the Bankruptcy Code, KTB&S shall promptly return to the County the Chapter 9 Retainer, less any amounts outstanding in connection with KTB&S out-of-court services after exhaustion of the Initial Retainer, and the County shall have no further obligation to maintain the Chapter 9 Retainer. The Retainers will be maintained by KTB&S in a segregated trust account as security for the payment of fees and the reimbursement of expenses incurred hereunder.

KTB&S periodically will send to the County an invoice for the hourly charges and out-of-pocket disbursements incurred on behalf of the County. The County shall advise KTB&S of any dispute regarding an invoice. To the extent the County does not timely pay an invoice that is due and payable, KTB&S will attempt in good faith to resolve promptly any dispute regarding an invoice. To the extent the County does not timely pay an invoice that is due and payable, KTB&S thereafter will apply that portion of the Retainers that is necessary to satisfy the amount set forth in such invoice. The County agrees thereafter to promptly replenish the Retainers, so that the original amount of the Retainers is fully restored.

Prior to the commencement of the County's chapter 9 case, KTB&S will draw on the Initial Retainer and the Chapter 9 Retainer, in satisfaction of any outstanding accrued fees and expenses. The County agrees to pay KTB&S professional fees on account of services provided to the County at KTB&S hourly rates in effect.
at the time of such services and to reimburse KTB&S for costs and expenses incurred by KTB&S in connection with this engagement. The current rates for attorney and paralegal services presently range from $250 to $975 per hour. My hourly rate is $975 per hour. Mr. Bogdanoff's hourly rate is $895 per hour. Tasks are to be allocated among KTB&S's attorneys and KTB&S local counsel based upon their comparative expertise in various aspects of this engagement. Whenever feasible, work will be allocated to attorneys with lower hourly rates and KTB&S will endeavor to recommend that the County use members of co-counsel's firm with lower billing rates where possible. KTB&S hourly rates are adjusted periodically, typically on January 1 of each year, to reflect the advancing experience, capabilities, and seniority of KTB&S professionals as well as general economic factors. KTB&S will advise the County of all adjustments.

The types of costs and expenses that must be reimbursed hereunder include charges for messenger services, air couriers, photocopying, court fees, travel expenses, postage, long distance telephone, computerized legal research, investigative searches, transcripts, and other actual charges customarily invoiced by law firms in addition to fees for legal services. KTB&S does not bill for secretarial overtime or word processing.

The County agrees to make provision within its budgets approved by the Commissioners from time to time amounts reasonably necessary to pay KTB&S professional fees, costs and expenses.

Disclosures and Covenant.

KTB&S is a specialty law firm with few institutional clients. KTB&S typically does not represent banks and, in any event, is free to be adverse in unrelated matters to any current or former client. KTB&S does not presently represent any entity that has been identified to us by the County as a creditor of the County. It is conceivable, however, that KTB&S may represent an entity that (i) is a creditor of or is otherwise adverse to the County, or (ii) conducts business in Alabama and uses the County's services or otherwise incurs or owes taxes or payments to the County. Please be assured that KTB&S strictly preserves all client confidences and zealously pursues the interests of each of its clients, including in those circumstances in which KTB&S represents the adversary of an existing client in an unrelated case. The County agrees that it does not consider the concurrent representation by KTB&S, in completely unrelated matters, of such an adverse entity, to be inappropriate or otherwise objectionable and covenants not to assert any objections to any such concurrent representations. The County understands that KTB&S is relying on the provisions of this paragraph in undertaking this representation. To the extent consistent with KTB&S ethical and confidentiality obligations, KTB&S will notify the County of any such concurrent representations.

Some attorneys at KTB&S have relatives or significant others who are attorneys at other law firms. Please advise in writing if the County wishes to review a list of such firms. We have strict policies against disclosing confidential information to anyone outside of the firm, including spouses, domestic partners, parents, children, siblings, fiancées, fiancés, and significant others.

KTB&S maintains errors and omissions insurance coverage applicable to the services to be rendered hereunder which complies with the requirements imposed by California Business and Professions Code sections 6147(a)(6) and 6148(a)(4).

Opinion Letters.

KTB&S has a policy that it does not provide opinion letters to its clients or to others who might wish to rely on such letters. We do not alter this policy except under very unusual circumstances and then only upon further written agreements, as approved by a special committee of the firm, which provides for compensation to us for the special risks attendant to the furnishing of such opinions.

Representation of County Once.

KTB&S is being engaged by the County only. KTB&S employment by the County does not include the representation of any other individual or entity, including any Commissioner, employee, agent or representative of the County. KTB&S encourages all other individuals and entities to consult independent counsel to the extent appropriate. The County is solely responsible for notifying such individuals and entities, including its employees, agents and representatives, that KTB&S only represents the County in this engagement.

Discharge and Withdrawal.

The County may discharge KTB&S at any time. KTB&S may withdraw at any time with the County's consent or for good cause without the County's consent. Good cause includes the County's breach of this agreement, nonpayment of an invoice on a timely basis, the failure to fund the Retainers, the County's refusal or failure to cooperate with KTB&S, or any fact or circumstance that would render KTB&S continuing representation unlawful or unethical.

Client Files.

After the termination of KTB&S engagement, KTB&S will retain the County's files in KTB&S possession for a period of three years following such termination. If the County does not request in writing the County's files before the end of that three-year period, KTB&S will have no further obligation to retain the files upon the expiration of such period, and may, in its sole discretion, destroy them without further notice to the County.

No Other Agreement.

This agreement constitutes the entire understanding between the County, on the one hand, and KTB&S, on the other hand, regarding KTB&S employment in this matter and supersedes all agreements concerning KTB&S rendition of services in connection with the County.

By executing this agreement, the County acknowledges it has read carefully and understands all of its terms. The agreement cannot be
modified except by further written agreement signed by each party.

Effective Date and Conclusion.

The effective date of this letter is July 6, 2011, the date on which KTB&S commenced services.

If you have any questions about the foregoing, please contact me. Moreover, feel free to obtain independent legal advice regarding this agreement. If the County is in agreement with the foregoing, and it accurately represents the County's agreement with KTB&S, please execute this letter. Please be sure to include County's federal taxpayer identification number. If the County is not in agreement with the foregoing, kindly contact me immediately. Please note that KTB&S will assume no responsibility with respect to this engagement until a signed copy of this letter is received by KTB&S and the required funds are received.

KTB&S looks forward to working with you.

Very truly yours,

Kenneth N. Klee

In addition to the fees outlined above, FTI will bill for reasonable allocated and direct expenses which are likely to be incurred on the County's behalf during this Engagement. Allocated expenses include the cost of items which are not billed directly to the engagement, including administrative support and other overhead expenses that are not billed through as direct reimbursable expenses, and are calculated at 6.0% of FTI's standard professional rates. Direct expenses include reasonable and customary out-of-pocket expenses which are billed directly to the engagement such as certain telephone, overnight mail, messenger, travel, meals, accommodations and other expenses specifically related to the engagement. Further, if FTI and/or any of its employees are required to testify or provide evidence at or in connection with any judicial or administrative proceeding relating to this matter in which FTI is not a party, FTI shall provide notice to the County and if the County agrees that FTI testify or provide evidence, FTI will be compensated by the County, at its regular hourly rates and reimbursed for reasonable allocated and direct expenses with respect thereto.

Out of pocket expenses shall never include reimbursement for alcohol or first class airfare. Expenses shall be kept within the U.S. General Services Administration (GSA) recommended guidelines at the specified GSA recommended rates for Jefferson County, Alabama.

The County will only pay those invoices provided by FTI for services performed or fees accrued by FTI after the effective date of this amendment. Any out of pocket expenses accrued but not invoiced to the County by FTI for work performed prior to the effective date of this amendment will be paid in accordance with the terms of the original contract.

Cash on Account: Initially, the County will forward to FTI the amount of $150,000, which funds will be held "on account" to be applied to FTI's professional fees, charges and disbursements for the Engagement (the "Initial Cash on Account"). To the extent that this amount exceeds FTI's fees, charges and disbursements upon the completion of the Engagement, we will refund any unused portion. The County agrees to increase or supplement the Initial Cash on Account from time to time during the course of the Engagement in such amounts as the County and FTI mutually shall agree are reasonably necessary to increase the Initial Cash on Account to a level that will be sufficient to fund Engagement fees, charges, and disbursements to be incurred.

FTI will send the County periodic invoices (not less frequently the every two weeks) for services rendered and charges and disbursements incurred on the basis discussed above, and in certain circumstances, an invoice may be for estimated fees, charges and disbursements through a date certain. FTI will provide invoices in sufficient detail and in a form acceptable to the County. Each invoice constitutes a request for an interim payment against the fee to be determined at the conclusion of our Services.

Upon transmittal of the invoice, FTI may immediately draw upon the Initial Cash on Account (as replenished from time to time) in the amount of the invoice. The County agrees upon submission of each such invoice to promptly wire the invoice amount to FTI as replenishment of the Initial Cash on Account (together with any supplemental amount to which FTI and the County mutually agree), without prejudice to the County's right to advise FTI of any differences it may have with respect to such invoice. FTI has the right to apply to any outstanding invoice, up to the remaining balance, if any, of the Initial Cash on Account (as may be supplemented from time to time) at any time subject to (and without prejudice to) the County's opportunity to review FTI's statements.

Conflicts of Interest: FTI has disclosed to the County that it currently represents a number of the County's creditors, debt trustees, swap counter-parties and debt insurers. FTI represents and warrants to the County that none of the foregoing representations relate in any way, directly or indirectly, to Jefferson County. FTI acknowledges and agrees that the FTI professionals assigned to provide services hereunder (the "FTI Engagement Team") will not during the pendency of this matter provide services to a party that is adverse to the County. FTI further represents and warrants that access to all information of the County, including engagement related data, files, work papers and related work product shall be restricted to members of the FTI Engagement Team and to the extent necessary, FTI will implement ethical wall procedures in the event other FTI professionals are engaged in matters adverse to the County. During the pendency of FTI's engagement for the County, FTI agrees to provide the County with prompt notice in the event it is engaged to provide services to a party in a matter related to the County. The County understands that FTI may not be able to disclose details of its engagements with other parties.

Hold Harmless and Indemnification: Excluding either party's indemnification obligations pursuant to the Contract hereunder, or any claims arising out of either party's gross negligence or willful misconduct, (i) FTI shall not be liable to the County, or their respective successors, assigns or affiliates for damages in excess of the total amount of the fees paid to FTI hereunder; and (ii) the County shall not be liable to FTI, its successors, assigns or affiliates for damages in excess of the total amount of the fees and expenses incurred by FTI hereunder. The terms of this paragraph shall survive the termination of this agreement and shall apply to any controlling person, director, officer, employee or affiliate of any party.

All other terms and conditions of the original contract remain the same.
