WITNESSETH:

In consideration of the premises and the mutual covenants and agreements stipulated herein, and pursuant to the authority granted by the State of Alabama Interlocal Cooperation Act of 1969 and under the General Provisions of the public contracts law of the State of Alabama (Code of Alabama, § 41-1621.1 and 41-16-50), the parties hereto do hereby agree as follows:

Each participating unit of government shall determine the manner of selecting its representative; however, it is recognized that personnel with responsibilities associated with the purchasing process are more ideally suited as representatives.

SECTION 3
The parties to this Agreement will identify by way of their membership on said Advisory Board those items and classes of items for which joint purchase may be advantageous for the period commencing with the execution of this Agreement and continuing until terminated, as hereinafter provided.

SECTION 4
The specifications for items to be purchased will be prepared by the Purchasing Department of the Jefferson County Commission (hereinafter referred to as "the County") for use by all members of the Cooperative. Where feasible, the County shall seek input from the other participants to insure that said specifications meet the broadest range of needs. Each participating government shall identify the items to be jointly purchased and indicate therein the quantities, or range of quantity desired, the location for delivery and other requirements, to permit the preparation and filing of plans and specifications as provided by law. In all cases where appropriate, the Cooperative shall seek to use standard specifications such as those used by the state of Alabama, the National Institute of Governmental Purchasing, the American Society of Testing and Materials, and other appropriate standards not cited herein.

SECTION 5
The County shall act as the lead jurisdiction for the Cooperative and will assume the responsibility for coordinating and advertising for bids on behalf of the other members of the Cooperative participating in a particular joint purchase. As such, the County shall be designated to receive and open the bids on behalf of the other participating governments at the time and in the manner provided by law.

SECTION 6
The County will receive responses to all bids. Not later than fifteen (15) days following the receipt of bids, the County will submit to all participating members a complete tabulation of all bids received and a recommendation as to the lowest responsible bidder. If the County determines that the lowest bidder is not responsible and accordingly certifies that some other bidder has the lowest responsible bid, it will include an explanation and report on its findings along with the tabulation and recommendation.

SECTION 7
Contracts of purchase will be awarded to the lowest responsible bidder as recommended by the County in consultation with its fellow
members, except as provided for herein. Each party to this Agreement shall prepare separate and individual contracts and requisitions when
providing for procurement of items coordinated through and in accordance with any recommendation by the County.

SECTION 8
Each individual member may reserve the right to disregard the recommendation of the County as to the lowest responsible bid in favor of
applying its existing residence privilege pursuant to the public contract law of the State of Alabama (Code of Alabama 541-16-50). In that
event, each member jurisdiction may reserve the right to utilize specifications and bids prepared through the Cooperative and to award
contracts of purchase, individually and on its own behalf; provided, however, that invitations for such individual bids are not advertised, nor
are awarded within sixty (60) days of the period in which the County is soliciting and awarding bids for the same products and/or services,
except in cases of emergency or extreme hardship pursuant to the public contract law of the State of Alabama (Code of Alabama §41-16-53).

SECTION 9
The County will not assume any financial or contractual obligation for any commodities, materials, and/or services for which the County
coordinates the bidding on behalf of the Cooperative. Each participating government assumes sole and complete responsibility for its own
procurement, delivery, storage, and payment, and will not impose or accept any additional obligations on either the County or any other
member of the Cooperative relating to those responsibilities, either by way of this Agreement or by stipulating to its provisions.

SECTION 10
Any dispute arising between any of the parties hereto and a successful bidder not relating to either the validity of the award or contract of
purchase or contract of service, or the rejection of any bid or bids will be settled by and at the cost of that party involved in the dispute and
without obligation or responsibility on the part of the County, the Cooperative, or the other member jurisdictions.

SECTION 11
In the interest of the success of the Cooperative, those parties stipulating to this Agreement will be required to remain as members of the
Cooperative for a period of not less than one (1) year from the date of inception.

SECTION 12
Any jurisdiction that wishes to terminate its membership in the Cooperative may do so by indicating the same in writing to the Purchasing
Manager for the Jefferson County Commission. Members will agree to exercise this option only at the end of each fiscal year of the
Cooperative. Likewise, membership in the Cooperative will be terminated automatically upon legal dissolution any participating entity.
However, under no circumstances will any exiting or dissolved jurisdiction be entitled to reimbursement of fees or other funds previously
expended for the establishment, operation, or maintenance of the Cooperative.

SECTION 13
To facilitate the success of the Cooperative, the County agrees to install an assistant purchasing manager who will have primary responsibility
for contract design and coordination with the other member governments. The total expense of this personnel will be divided among the
participating governments. The participating members reserve the right to assess themselves, in proportion to their contribution, based on
a fee and formula to be determined on an annual basis.

There is hereby established an executive committee comprised of the chief executive or their designate of each participating entity.
The executive committee shall promulgate rules, regulations, and/or bylaws in accordance with the laws of the State of Alabama, for the
operation and maintenance of the Cooperative, including but not limited to the determination of the above mentioned assessment.

SECTION 14
The members of the Cooperative shall have the power, pursuant to laws of the State of Alabama (Code of Alabama §41-16-21.1 and 41-16-
50), to jointly contract with consultants and other such resources as is deemed necessary to provide services authorized by law for the
development and realization of the Cooperative's objectives.

SECTION 15
This Agreement will take effect upon execution by the signatories. Thereafter, additional public entities within Jefferson County and adjoining
counties, of Alabama, may elect to join the Cooperative by executing this Agreement in the form prescribed by the existing members of the
Cooperative, and such execution subsequent to the date herein written above will not be deemed to require re-execution of this Agreement
by any party previously stipulating to its provisions.

IN WITNESS WHEREOF, the parties hereto, having obtained the full consent of their governing bodies, have caused this Agreement
to be executed by their duly authorized officers on the day and year written above.
