12. COUNTY FUNDS PAID: Contractor and the Contractor representative signed below certify by the execution of this Agreement that no part of the funds paid by the County pursuant to this Agreement nor any part of the services, products or any item or thing of value whatsoever purchased or acquired with said funds shall be paid to, used by or used in any way whatsoever for the personal benefit of any member or employee of any government whatsoever or family member of any of them, including federal, state, county and municipal and any agency or subsidiary of any such government; and further certify that neither the contractor nor any of its officers, partners, owners, agents, representatives, employees or parties in interest has in any way colluded, conspired, connived, with any member of the governing body or employee of the governing body of the County or any other public official or public employee, in any manner whatsoever, to secure or obtain this Agreement and further certify that, except as expressively set out in the scope of work or services of this Agreement, no promise or commitment of any nature whatsoever of any thing of value whatsoever has been made or communicated to any such governing body member or employee or official as inducement or consideration for this Agreement.

13. VIOLATION
Any violation of this certification shall constitute a breach and default of this Agreement which shall be cause for termination. Upon such termination Contractor shall immediately refund to the County all amounts paid by the County pursuant to this Agreement.

14. STATEMENT OF COMPLIANCE WITH ALABAMA CODE SECTION 31-13-9: By signing this contract, the contracting parties affirm, for the duration of the agreement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the agreement and shall be responsible for all damages resulting therefrom.

15. STATEMENT REGARDING BANKRUPTCY: Jefferson County filed for chapter 9 bankruptcy protection on November 9, 2011. The County filed for chapter 9 so it can pursue a readjustment of its debts under the protection of the federal bankruptcy laws. While it is in chapter 9, the County will continue to operate its business and affairs in the ordinary course. Maintaining business relationships with the County's vendors and suppliers is critical to the County's restructuring efforts. Accordingly, the County Commission has resolved that it will pay its trade debts that arose before the County filed for chapter 9 as and when those debts become due, so long as the vendor to whom such debt is due continues to provide goods and services to the County while it is in chapter 9 on the same terms that it provided goods and services to the County before it filed for chapter 9. Also, any goods and services provided to the County after it filed for chapter 9 will, of course, be paid by the County in accordance with the parties' agreed upon terms.

IN WITNESS WHEREOF, the Parties have hereunto set their hands and seals or caused these presents to be executed by their duly authorized representative.

WHEREAS, Cooper Green Mercy Hospital ("Cooper Green") relies on a Jefferson County Sales Tax, a Jefferson County Tax on Liquor and third party reimbursements for funding; and

WHEREAS, Cooper Green's expenditures have exceeded its revenues over the past several years; and

WHEREAS, the shortfall in funding for Cooper Green has been supplemented by the Jefferson County General Fund; and

WHEREAS, the Jefferson County Commission has reduced County General Fund expenditures in the current fiscal year by approximately $95 million by, among other things, reducing the County workforce by more than 800 employees, closing satellite courthouses and reducing services provided to the citizens of the County; and

WHEREAS, on or before October 1, 2012, the County must adopt a balanced budget for fiscal year 2013 which will require further reductions of General Fund expenditures; and

WHEREAS, the County owns and operates Cooper Green; and

WHEREAS, the Alabama Health Care Responsibility Act, Alabama Code §§ 22-21-290, et seq. (the "Act"), imposes limited financial responsibility on Alabama counties for the medical care of certain citizens under certain circumstances. However, the Act does not require any county, including Jefferson County, to operate a hospital; and

WHEREAS, Cooper Green operates at a loss that has historically been subsidized by the General Fund reserves (including a cost to the General Fund of at least $10 million last year, not including $3.5 million in unpaid, past due invoices from last year paid in this fiscal year), and is projected to cost the General Fund a minimum of $6 million this year; and

WHEREAS, after careful consideration for more than 21 months, the County Commission:

1. concludes that the current indigent healthcare delivery system is unsustainable;
2. determines that it is in the best interests of the County, its citizens and taxpayers to change the current indigent healthcare delivery system to make it more effective and efficient;
3. concludes that transferring the current, fiscally unsustainable indigent healthcare delivery system into a Healthcare Authority is not a prudent alternative at this time; and
4. concludes that only two indigent healthcare alternatives remain in consideration:
   a. developing an operating budget for Cooper Green that does not depend upon any support from the General Fund or
   b. transitioning to a 24-hour a day, 7-day a week, full service urgent care center with expanded outpatient services and in-patient services provided by others in the medical community.

NOW THEREFORE BE IT RESOLVED BY THE JEFFERSON COUNTY COMMISSION that in order to move the process forward:

1. Commissioner Jimmie Stephens and Deputy County Manager Walter Jackson, with input from the Cooper Green staff and others as needed, shall develop a proposed $70 million FY 2013 detailed operating budget for Cooper Green (exclusive of reserves, indirect cost allocations, and any immediate capital needs) on or before Tuesday, September 25, 2012;
2. Commissioner Sandra Little Brown and Commissioner Joe Knight, in cooperation with area healthcare providers and others as needed, shall develop a proposed in-patient transfer agreement on or before Tuesday, September 25, 2012;
3. County Manager Petelos is authorized, with the signed consent of three commissioners, to expend public dollars for any reasonable professional services needed to accomplish the above tasks on or before Tuesday, September 25, 2012.
