Section 1 - Changes of Work:

1. If, during the term of this AGREEMENT, additional services are required of the CONSULTANT other than those specified above or major changes in the work become necessary or desirable, the COUNTY may order, in writing, the CONSULTANT to perform such services or make such changes. If the CONSULTANT is of the opinion that the work he has been directed to perform is beyond the scope of their AGREEMENT and constitutes extra work, the CONSULTANT will within ten (10) days notify the COUNTY in writing and receive approval from the COUNTY that such work does constitute extra work, additional time for completion of contract may be given and payment for the additional work shall be negotiated by Supplemental Agreement.

2. Likewise, during the term of this AGREEMENT any service specified may be deleted and/or reduced at the discretion of the COUNTY. If such deletion or reduction becomes desirable, the CONSULTANT will be given advance notice and an equitable reduction in the CONSULTANT's fee will be made on a proportionate basis.

In the event that unavoidable delays prevent completion of the services to be performed under this AGREEMENT in the time specified in Article II - Time of Beginning and Completion, the COUNTY may grant a time extension to any or all phases of the work, provided written application is made by the CONSULTANT within ten (10) days after the alleged delay has occurred. Any time extension for work authorized will be based on the ratio that the additional compensation bears to the original fee and time limit.

Section 5 - Termination or Abandonment:

1. The COUNTY shall have the right to abandon this AGREEMENT or amend its project at any time, and such action shall in no event be deemed a breach of contract.

2. The COUNTY has the right to terminate this AGREEMENT at its pleasure upon ten- (10) day's written notice and make settlement with the CONSULTANT upon an equitable basis. The value of the work performed by the CONSULTANT prior to the termination of this AGREEMENT shall be determined. In determining the value of the work performed by the CONSULTANT prior to the termination, no consideration will be given to profit, which the CONSULTANT might have made on the uncompleted portion of the work. If the termination is brought about as a result of unsatisfactory performance on the part of the CONSULTANT, the value of the work performed by the CONSULTANT prior to termination shall be fixed solely on the ratio of the amount of work contemplated by this AGREEMENT.
   c. If the AGREEMENT does not provide a lump sum amount, final compensation to the CONSULTANT will be determined by the COUNTY confirming all reimbursable costs incurred for satisfactory work performed by the CONSULTANT prior to the termination of the AGREEMENT, less any payments previously made.

All insurance shall be by companies authorized to do business in Alabama involving those types of insurance. Also the CONSULTANT shall notify the COUNTY within 30 days about any present or future claims that could affect their policy limits. The foregoing indemnity Agreement shall not be limited by reason of any insurance coverage provided.

Section 8 - General Compliance with Laws:
1. The CONSULTANT shall comply with the provisions of the Labor Law, all Alabama State Laws, Federal and Local Statutes, Ordinances and Regulations that are applicable to the performance of this AGREEMENT, and especially laws, ordinance and statutes prohibiting discrimination in employment of persons on account of race, creed, color or national origin, and all applicable provisions of Title 6, Code of Federal Regulations, and procure all necessary licenses and permits.

Section 9 - Subletting, Assignment or Transfer:
1. There shall be no assignment, subletting, or transfer of the interests of the CONSULTANT in any of the work covered by this AGREEMENT without written consent of the COUNTY. In the event the COUNTY gives such consent, the terms and conditions of this AGREEMENT shall apply to and bind the party or parties to whom such work is consigned, sublet or transferred as fully and completely as the CONSULTANT is hereby bound and obligated.

Section 10 - Employment of County Workers:
1. The CONSULTANT shall not engage, in full or part time or other basis during the period of the AGREEMENT, any professional or technical personnel who are or have been at any time during the period of this AGREEMENT in the employ of the COUNTY, except regularly retired employees, without written consent of the public employer of such person.

For breach or violation of this warranty the COUNTY shall have the right to annul this contract without liability or at its discretion deduct from the contract price or consideration or otherwise recover the full amount of such fee, commission, percentage brokerage fee, gifts, or contingent fee.
3. NO COUNTY official or employee of the COUNTY shall be admitted to any share or part of this AGREEMENT, or to any benefit that may arise therefrom, except the use of the facility being designed as enjoyed by the general public.

Section 11 - Control:
1. All work by the CONSULTANT shall be done in a manner satisfactory to the COUNTY and in accordance with the established policies, practices, and procedures of the COUNTY.

Section 12 - Conditions Affecting Work:
1. The CONSULTANT shall be responsible for having taken steps reasonably necessary to ascertain the nature, location, scope, and type
of work hereunder and the general and local conditions, which can affect the work or the cost hereof. Any failure by the CONSULTANT to do so will not relieve him from responsibility for successfully performing the work without additional expense to the COUNTY. The COUNTY assumes no responsibility for any understanding or representation by any of its officials or agents prior to the execution of this AGREEMENT, unless such understandings or representations by the COUNTY are expressly stated herein.

2. The CONSULTANT and subcontractor are to maintain all books, documents, papers, accounting records and other evidences pertaining to cost incurred for this project, and to make such material available at their respective offices at all times during the contract period and for three (3) years from the date of final payment of the COUNTY Funds under the terms of the contract, for inspection by the COUNTY, or any authorized representative of the COUNTY Government, and copies thereof shall be furnished if requested.

2. The CONSULTANT, in accordance with his status as an independent contractor, covenants and agrees that he will conduct himself in a manner consistent with such status, that he will neither hold himself out as, nor claim to be an officer or employee of the COUNTY by reason hereof, and then he will not, by reason hereof, make any claim, demand, or application to or for any right or privilege applicable to any officer or employee of the COUNTY, including, but not limited to workmen compensation coverage, or retirement membership or credit.
