AGENCY GRANT AGREEMENT
Fiscal Year 2010 - 2011
The Alabama Department of Youth Services hereby awards to
Jefferson County Commission
(Hereinafter called Recipient)
the amount of $500,000.00 (Five-Hundred Thousand Dollars).

These funds shall be used to fund non-residential services for Jefferson County youth who would otherwise be committed to the Department of Youth Services. As a result of the interventions funded by these monies, the parties expect that Jefferson County commitments to DYS (including HIT commitments) will be significantly reduced, barring a significant increase in juvenile crime.

The Jefferson County Family Court ("JCFC") and DYS acknowledge that they have reviewed recent data concerning DYS commitments by JCFC. JCFC and DYS have also reviewed recent data concerning CHINS and delinquency referrals to JCFC.

Any program(s) that receives funding from this grant will:

• Serve youth who would have historically been committed to the Alabama Department of Youth Services (HIT or regular DYS) in the absence of the funded program;
• Be developed by or in collaboration with the Jefferson County Family Court;
• Maintain accurate and thorough data concerning children served by the program;
• Conduct regular self-evaluations of program effectiveness, including evaluations that track outcomes for children served by the program;
• Produce an annual report that includes the following information, at a minimum:
  1. A narrative description of each program funded by the grant;
  2. Information about children served by the program, including race, gender and age; and
  3. A description of the program's efforts to evaluate its own effectiveness, along with a summary of the results of all such evaluations.

Each such annual report shall be made available to the Alabama Department of Youth Services.

The Recipient or its designee shall administer the services for which this grant is awarded, in accordance with the applicable rules, regulations and conditions as set forth by the Department. Program data must be input and updated regularly in the DYS Grantee Information Management System (GIMS). Periodic program reports may also be requested by DYS on an "as needed" basis.

At least 75% of grant monies shall be used for operating costs, but funding may also be used for research, development, and/or evaluation. DYS shall not unreasonably restrict the use of said funds provided the same axe used for the purpose(s) specified herein.

Both JCFC and DYS acknowledge that this Award may be terminated at will by JCFC or DYS for any reason. Any funds remaining from the award shall be returned to DYS upon the termination of said award.

The grant award contained herein is payable in quarterly installments, subject to the availability of funds and adjustments by the Alabama Department of Youth Services, as it deems necessary or advisable.

Nothing contained herein shall be deemed to be a debt of the State of Alabama in the contravention of the laws and constitution of the State of Alabama.
