TERM LIFE INSURANCE BENEFIT

THIS BENEFIT ONLY APPLIES TO YOU IF YOU HAVE ELECTED TERM LIFE INSURANCE AND YOU HAVE PAID OR AGREED TO PAY THE APPLICABLE PREMIUM.

When is a Life Insurance Benefit payable?

We will pay Your beneficiary the amount of life insurance in force as of the date of Your death provided:
1. You are insured under the Policy on the date of death, and
2. We receive proof of death within two (2) years after the date of death.

We will determine the amount of insurance payable based upon the Schedule of Benefits.

Are Life Insurance Benefits payable for death by suicide?

Life Insurance benefits including Waiver of Premium, increased benefit amounts elected during subsequent Annual Enrollment periods and Accelerated Death Benefits, will not be payable for a loss caused by suicide or attempted suicide, while sane or insane, within one (1) year from the effective date of Your Supplemental Term Life Insurance or the effective date of any increased amount of life insurance. Our liability for a death claim by suicide will be limited to the return of premium paid for this life insurance.

If You:
1. were covered for Supplemental life insurance under a prior carrier's policy; and
2. were insured under the Policy on its effective date;
3. and there was no lapse in coverage,

We will consider the time You were covered under the Policy and under the prior carrier’s policy in determining if benefits are payable for death by suicide. The death benefit, if payable under this provision, will be the lesser of the benefit under the Policy or the benefit under the prior carrier’s policy.

Who will receive Your Life Insurance Benefits?

Your beneficiary designation must be made on a form which We provide or on a form accepted by Us. If two or more beneficiaries are named, payment of proceeds will be apportioned equally unless You had specified otherwise. The Policyholder may not be named as beneficiary. Unless You provide otherwise, if a beneficiary dies before You, We will divide that beneficiary's share equally between any remaining named beneficiaries.

If a beneficiary is a minor, or is not able to give a valid release for any payment of benefits made, We will not make payment until a claim is made by the person or entity which, by court order, has been granted control of the estate of such beneficiary. This provision does not prevent Us from making payment to or for the benefit of a minor beneficiary in accordance with the applicable state law.

Facility of Payment

If no named beneficiary survives You or if You do not name a beneficiary, We will pay the amount of insurance:
1. to Your spouse, if living; if not,
2. in equal shares to Your then living natural or legally adopted children, if any; if none,
3. in equal shares to Your father and mother, if living; if not,
4. in equal shares to Your brothers and/or sisters, if living; if not,
5. to Your estate.

If any benefits under this provision are to be paid to Your estate, We may pay an amount not greater than $1,000 to any person We consider equitably entitled by reason of having incurred funeral or other expenses incident to Your death. Any and all payments made by Us shall fully discharge Us in the amount of such payment.

May You change Your beneficiary?

You may change Your beneficiary at any time by completing a form provided or accepted by Us, and sending it to the Policyholder. Your written request for change of beneficiary will not be effective until it is recorded by the Policyholder. After it has been so recorded, it will take effect on the later of the date You signed the change request form or the date You specifically requested. If You die before the change has been recorded, We will not alter any payment that We have already made. Any prior payment shall fully discharge Us from further liability in that amount.

If You are approved for continued life coverage under the Waiver of Premium or Portability provision, You may be asked to name a beneficiary. A beneficiary designation made in connection with Waiver of Premium or Portability, if different from the designation on Your enrollment form, shall constitute a change of beneficiary under the Policy. Such change of beneficiary only applies while You qualify for continued coverage under the Waiver of Premium or Portability provision.

If continuation of life insurance under the Waiver of Premium or Portability provision ceases, and You are employed by the Policyholder, You must make a new beneficiary designation. If You do not name a new beneficiary, We will pay death benefits in accordance with the Facility of Payment provision.

CONVERSION OF LIFE INSURANCE

How much Life Insurance may You convert if eligibility terminates?

You may convert to an individual policy of life insurance if Your life insurance, or a portion of it, ceases because:
1. You are no longer employed by the Policyholder; or
2. You are no longer in a class which is eligible for life insurance.

In either of these situations, You may convert all or any portion of Your life insurance which was in force on the date Your life insurance ceased.

How much Life Insurance may You convert if the policy terminates or is amended?

You may also convert to an individual policy of life insurance if Your life insurance ceases because:
1. life insurance benefits under the Policy cease; or
2. the Policy is amended making You ineligible for life insurance; however, in either of these situations, You must have been insured under the Policy, or the policy it replaced, for at least five (5) years. The amount of insurance converted in either of these situations will be the lesser of:
1. the amount of life insurance in force, less any amount for which You become eligible under this or any other group policy within 31 days after the date Your life insurance ceased; or
2. $10,000.
How to apply for conversion

We must receive written application and the first premium for the individual life insurance policy within 31 days after life insurance under the Policy ceased. No Evidence of Insurability will be required.

The individual policy will be a policy of whole life insurance. It will not contain waiver of premium, accelerated death benefit, disability benefits, accidental death and dismemberment benefits or any other ancillary benefits.

The minimum issue amount of an individual conversion policy is $2,000. The premium for the individual policy will be based on:

1. Our current rates based upon Your attained age; and
2. the amount of the individual policy.

If application is made for an individual policy, the coverage under the individual policy will be effective on the day following the 31-day period during which You could apply for conversion.

If You die during a period when You would have been entitled to have an individual policy issued to You and if You die before such an individual policy became effective, We will pay Your beneficiary the greatest amount of group term life insurance for which an individual policy could have been issued, provided:

1. Your death occurred during the 31-day period within which You could have made application; and
2. We receive proof of death within two (2) years of the date of death.

If life insurance benefits are paid under the Policy, payment will not be made under the converted policy, and premiums paid for the converted policy will be refunded.

If You have elected Portability, conversion is not available for amounts continued under Portability unless coverage under Portability terminates. Conversion from Portability will be as specified under Portability.

Notice. If the Policyholder fails to notify You at least 15 days prior to the date insurance under the Policy would cease, You shall have an additional period within which to elect conversion coverage; but nothing herein shall be construed to continue any insurance beyond the period provided for in the Policy. The additional election period shall expire 15 days immediately after the Policyholder gives You notice, but in no event shall it extend beyond 60 days immediately after the expiration of the 31-day period explained above.

WAIVER OF PREMIUM

What is the Waiver of Premium benefit?

We will continue Your Basic and Supplemental life insurance benefit under the Policy without further payment of life insurance premium if You become Totally Disabled, provided:

1. You are insured under the Policy and were Actively at Work on or after the effective date of the Policy; and
2. You are under the age of 60; and
3. You provide Us with satisfactory written proof within 12 months after the date You became Totally Disabled; and
4. Your Total Disability has continued without interruption for at least 6 months; and

5. You are still Totally Disabled when You submit the proof of disability; and

6. all required premium has been paid.

**Total Disability** or **Totally Disabled** means You are diagnosed by a Doctor to be completely unable because of Sickness or Injury to engage in any occupation for wage or profit or any occupation for which You become qualified by education, training or experience.

*We* will waive premium beginning the month after *We* receive satisfactory proof that *You* have been Totally Disabled for at least 6 months. Premium will continue to be waived provided *You*:

1. remain Totally Disabled; and

2. provide satisfactory written proof of continuing Total Disability upon request.

You are responsible for obtaining initial and continuing proof of Total Disability.

*You* will be covered for the amount of life insurance in force as of the date Total Disability commenced. The amount of life insurance continued in force will be subject to any reduction in benefits as shown on the Schedule of Benefits or which are the result of an amendment to the Policy, but in no event will the insurance amount increase while Your life insurance is continued under Waiver of Premium. This life insurance coverage will continue without the payment of premium until *You* are no longer Totally Disabled, or attain the Maximum Waiver of Premium Duration as set forth in the Schedule of Benefits or retire, whichever occurs first.

*We* may have *You* examined at reasonable intervals during the period of claimed Total Disability. Continuation of life insurance under the Waiver of Premium provision shall end immediately and without notice if *You* refuse to be examined as and when required.

If *You* are approved for continued coverage under the Waiver of Premium provision, *You* will be asked to name a beneficiary. That beneficiary designation:

1. will only apply while Your coverage continues under this Waiver of Premium provision; and

2. if different from the designation on Your enrollment form, shall constitute a change of beneficiary under the Policy.

*We* will pay the amount of life insurance in force to *Your* beneficiary if *You* die before furnishing satisfactory proof of Total Disability, if:

1. *You* die within one year from the date *You* became Totally Disabled; and

2. *We* receive proof that *You* were continuously Totally Disabled until the date of death; and

3. *We* receive proof of death not more than two (2) years after *Your* death.

If continuation of life insurance under the Waiver of Premium provision ceases while the Policy is still in force, and *You* are employed by the Policyholder, *Your* life insurance will continue provided premium payments begin on the next premium due date. If *You* return to work with the Policyholder, *You* must make a new beneficiary designation. If *You* do not name a new beneficiary, *We* will pay death benefits in accordance with the Facility of Payment provision.

If continuation of life insurance under the Waiver of Premium provision ceases, and *You* are no longer employed by the Policyholder, *You* may apply for an individual life insurance policy in accordance with the Conversion of Life Insurance provision of this Certificate.
How does termination of the Policy affect Your insurance under the Waiver of Premium Benefit?
Termination of the Policy will not affect any insurance that has been continued under this Provision prior to the termination date.

What if You are Totally Disabled and the Policy ends before You satisfy the Elimination Period?
Your coverage under the Policy will end if the Policy ends before You satisfy the Elimination Period. However, when the Policy ends You may be entitled to convert Your coverage to an individual plan of life insurance as described in the Conversion of Life Insurance provision.

You may still submit a claim for Waiver of Premium Benefits after the Policy ends. However, You must be Totally Disabled, pay the Conversion premium for the full length of the Elimination Period and qualify for the Waiver of Premium Benefits.

At no time can You be covered under both the individual conversion policy and this Policy.
Upon receipt of timely notice and due proof of Your Total Disability We will evaluate Your claim. If We determine that You qualify and You pay all applicable premiums, We will approve Your Waiver of Premium claim under the Policy and agree to rescind any individual policy of life insurance issued to You under the Conversion privilege. We will refund any premiums paid for such coverage. Insurance under the Policy will not go into effect until We approve your claim in writing.
ACCELERATED DEATH BENEFIT

The benefit paid under this provision may be taxable. If so, You or Your beneficiary may incur a tax obligation. As with all tax matters, You or Your beneficiary should consult a personal tax advisor to assess the impact of the benefit. Receipt of this benefit may adversely affect Your eligibility for Medicaid or other governmental benefits or entitlements.

What is the Accelerated Death Benefit?

The Accelerated Death Benefit is a percentage of Your group Basic and Supplemental term life insurance which is payable to You prior to Your death if We receive Proof that You have a Terminal Condition. The Accelerated Death Benefit is limited to the maximum and minimum amounts shown on the Schedule of Benefits, and is payable only once to any one Insured.

The Accelerated Death Benefit is calculated on the group Basic and Supplemental term life insurance benefit amount in force under the Policy on the date You are diagnosed with a Terminal Condition. If Your group term life insurance will reduce, due to age, within 12 months after the date We receive Proof, the Accelerated Death Benefit will be calculated on the reduced group Basic and Supplemental term life insurance benefit.

Who is Eligible for an Accelerated Death Benefit?

This benefit only applies to Insureds with at least the Minimum Covered Life Insurance Benefit amounts set forth in the Schedule of Benefits. You must have been Actively at Work on or after the effective date of the Policy to be eligible for an Accelerated Death Benefit.

This benefit does not apply to Accidental Death and Dismemberment benefits.

Terminal Condition means You have been examined and diagnosed by Your Doctor as having a medically determined condition which is expected to result in death within 12 months from the date that a claim for benefit under this provision is received by Us. We have the sole right to determine if such proof is acceptable.

The Accelerated Death Benefit Payment

We will pay the benefit during Your lifetime if You are diagnosed with a Terminal Condition if You or Your legal representative submits a claim for an Accelerated Death Benefit and provides satisfactory Proof. The benefit will be paid in one sum to You.

Are there any exceptions to the payment of the Accelerated Death Benefit?

The Accelerated Death Benefit will not be payable:

1. for any amount of group term life insurance which is less than the Minimum ADB Payment as set forth in the Schedule of Benefits; or
2. if Your Terminal Condition is the result of:
   a. attempted suicide, while sane or insane; or
   b. intentionally self-inflicted injury; or
3. if Your group term life insurance benefit has been assigned; or
4. if Your group term life insurance benefit is payable to an irrevocable beneficiary, including notification to Us that such benefit or a portion of such benefit is to be paid to a former spouse as part of a divorce or separation agreement; or
5. to retirees.
Notice and Proof of Claim

You must elect the Accelerated Death Benefit in writing on a form that is acceptable to Us. You must furnish Proof that You have a Terminal Condition, including certification by a Doctor.

Proof under the Accelerated Death Benefit means evidence satisfactory to Us that You have a Terminal Condition. We reserve the right to determine, at Our sole discretion, if Proof is acceptable.

Effect on Insurance

The Accelerated Death Benefit is in lieu of the group term life insurance benefit that would have been paid upon Your death. When the Accelerated Death Benefit is paid:

1. the term life insurance benefit otherwise payable upon Your death will be reduced by the amount of the Accelerated Death Benefit;
2. the amount of group term life insurance which could otherwise have been converted to an individual contract will be reduced by the amount of the Accelerated Death Benefit; and
3. the premium due for group term life insurance will be calculated on the amount of such insurance remaining in force after deducting the Accelerated Death Benefit.
PORTABILITY BENEFIT

What is the Portability Benefit?

If Your Basic and Supplemental Group Life Insurance, or any portion of it, terminates, You may elect to continue Your Life Insurance in accordance with the terms of the Policy by paying premiums directly to Us. The coverages eligible for Portability and the Portability Benefit Duration are set forth in the Schedule of Benefits.

The premiums for the coverage continued under the Portability Benefit will not be the same as the premium You are charged for Your group Life insurance under the Policy. Portability premium will be based on:

1. Our current rates for the applicant's age and class of risk at the time he elects Portability; and
2. the amount of insurance continued under Portability.

The maximum amount of Life Insurance which may be continued under Portability is the amount of Life Insurance in force at the time the Portability Benefit is elected.

A beneficiary designation on the Application for Portability, if different from the designation on Your enrollment form, shall constitute a change of beneficiary under the Policy, and that beneficiary designation will only apply while Your coverage continues under this Portability Benefit provision.

The Waiver of Premium is not available for any Insured whose Total Disability begins after coverage under Portability becomes effective. The Accelerated Death Benefit is not available for any Insured who is diagnosed with a Terminal Condition after coverage under Portability becomes effective.

What are Eligibility Requirements for Employee Portability?

To be eligible for Portability, You must meet the following conditions:

1. You must have been insured under the Policy for at least one year prior to electing Portability; and
2. Your Life Insurance, or a portion of it, must have terminated for reasons other than Sickness, Injury, retirement or termination of the master Policy; and
3. You must be less than 65 years of age; and
4. You must be able to perform the Material and Substantial duties of any Gainful Occupation for which You are qualified by education, training or experience; and
5. You must not have exercised the right to convert under the Conversion of Life Insurance provision the amount of Life Insurance You elect under the Portability Benefit. If You elect the Portability benefit, any amounts of Life Insurance which are not ported may be converted in accordance with the terms of the Conversion of Life Insurance provision.

You must submit an application for Portability and the first premium within 31 days after the date Your Life Insurance terminated.

We reserve the right to rescind any coverage amounts continued under Portability if it can be shown that You misrepresented any of the information provided to support eligibility for Portability.
When will Portable Coverage Terminate?

Insurance continued under the Portability Benefit provision of the Policy will terminate at the earliest of the following:

1. the date You return to work with the Policyholder while the Policy is still in force; or

GENERAL PROVISIONS

Entire Contract; Changes

The Policy, the Policyholder’s Application, the Employee’s Certificate of coverage, and Your application, if any, and any other attached papers, form the entire contract between the parties. Coverage under the Policy can be amended by mutual consent between the Policyholder and Us. No change in the Policy is valid unless approved in writing by one of Our officers. No agent has the right to change the Policy or to waive any of its provisions.

Statements on the Application

In the absence of fraud, all statements made in any signed application are considered representations and not warranties (absolute guarantees). No representation by:

1. the Policyholder in applying for the Policy will make it void unless the representation is contained in his signed Application; or
2. any Employee in applying for insurance under the Policy will be used to reduce or deny a claim unless a copy of the application for insurance, signed by the Employee, is or has been given to the Employee.

Legal Actions

Unless otherwise provided by federal law, no legal action of any kind may be filed against Us:

1. until 60 days after proof of claim has been given; or
2. more than 6 years after proof of Loss must be filed, unless the law in the state where You live allows a longer period of time.

Clerical Error

Clerical error or omission by Us to the Policyholder will not:

1. Prevent You from receiving coverage, if You are entitled to coverage under the terms of the Policy; or
2. Cause coverage to begin or coverage to continue for You when the coverage would not otherwise be effective.

If the Policyholder gives Us information about You that is incorrect, We will:

1. Use the facts to decide whether You have coverage under the Policy and in what amounts; and
2. Make a fair adjustment of the premium.

Incontestability

The validity of the Policy shall not be contested, except for non-payment of premiums, after it has been in force for two years from the date of issue. The validity of the Policy shall not be contested on the basis of a statement made relating to insurability by any person covered under the Policy after such insurance has been in force for two years during such person's lifetime, and shall not be contested unless the statement is contained in a written instrument signed by the person making such statement.

Premium Provisions

Premiums are payable in United States dollars on or before their due dates. The Policyholder has agreed to deduct from Your pay any premiums payable for Your Supplemental coverage. The Policyholder agrees to remit such premiums for the entire time coverage under the Policy is in effect.
Premium charges for increases in insurance amounts becoming effective during a policy month will begin on the next premium due date. Premium charges for insurance terminating during a policy month will cease at the end of the month in which such insurance terminates. This method of charging premium is for accounting purposes only. It will not extend any insurance coverage beyond the date it would otherwise have terminated.

**Misstatement of Age**

If *You* have misstated *Your* age or the age of a Dependent, the true age will be used to determine:

1. the effective date or termination date of insurance; and
2. the amount of insurance; and
3. any other rights or benefits.

Premiums will be adjusted to reflect the premiums that would have been paid if the true age had been known.

**Conformity with State Statutes and Regulations**

If any provision of the *Policy* conflicts with the statutes and regulations of the state in which the *Policy* was issued or delivered, it is automatically changed to meet the minimum requirements of the statute.

**Assignment**

*You* may assign any incident of ownership *You* may possess of the life insurance benefits provided under the *Policy* to anyone other than the *Policyholder*. We are not responsible for the validity or legal effect of any assignment. Collateral assignments, by whatever name called, are not permitted.

Accelerated Death Benefit

This Benefit may be taxable. If so, the Insured or his beneficiary may incur a tax obligation. As with all tax matters, the Insured or his beneficiary should consult a personal tax advisor to assess the impact of the Benefit. Receipt of this benefit may adversely affect the Insured’s eligibility for Medicaid or other governmental benefits or entitlements.

DEFINITIONS

Accelerated Death Benefit means 80% of the Terminally Ill Insured’s Group Term Life Insurance amount in force on the date that We receive satisfactory Proof that such Insured is a Terminally Ill Insured.

Proof means evidence satisfactory to Us that an Insured is Terminally Ill. We reserve the right to determine, at our sole discretion, if Proof is acceptable.

Terminally Ill Insured means an Insured who is expected to die within 12 months or less, due to a medical condition.

BENEFIT. We will pay an Accelerated Benefit during the lifetime of a Terminally Ill Insured if he or his legal representative elects an Accelerated Benefit and provides satisfactory Proof. The benefit will be paid in one sum to the Insured. The Accelerated Benefit amount is limited to a maximum of $500,000 and a minimum of $3,000, and is payable only once to any one Insured. There is no cost for this benefit.

EFFECT ON INSURANCE. This benefit is in lieu of the Group Term Life Insurance benefit that would have been paid upon the Insured's death. When the benefit is paid:

1. the amount of Group Term Life Insurance, otherwise payable upon the Insured's death, will be reduced by the Benefit;
2. the amount of Group Term Life Insurance which could otherwise have been converted to an individual contract will be reduced by the benefit; and
3. the premium due for Group Term Life Insurance will be calculated on the amount of such insurance remaining in force after deducting the amount of the accelerated benefit.

This notice is a brief description of the Accelerated Death Benefit. For further details of coverage, including limitations, refer to the Accelerated Death Benefit provision in this certificate.
