WHEREAS, it is in the best interest of the County for the courts to expedite cases in as timely a manner as possible,

MEMORANDUM OF AGREEMENT BETWEEN THE ADMINISTRATIVE OFFICES OF COURTS
AND
THE JEFFERSON COUNTY COMMISSION

This agreement is between the Alabama Administrative Office of Courts (A.O.C.) and the Jefferson County Commission ("Commission"). This agreement is entered into as a result of the recognition by the parties that court security is the responsibility of both the A.O.C. and the County and the Sheriff. The bailiffs and other court personnel who provide such security are employees of the State of Alabama but the Commission is making this commitment because without it the Courts of Jefferson County could not continue to operate at their current level of security.
1. The Commission agrees to reimburse the A.O.C. for the total costs of bailiffs working in the Courts of Jefferson County, Birmingham and Bessemer Divisions (the "Jefferson County Courts"), in a maximum amount not to exceed $1,091,177.44.

2. The specific employees who will be paid from the funds furnished by the Commission are those employees of the Circuit and District Criminal Judges and the Family Court Judges of the Birmingham and Bessemer Divisions of the Court and have been selected and designated by the Presiding Judge of Jefferson County and identified with salaries on Exhibit A attached. Some of these employees will be entitled to specific individual merit increases during the term hereof which amounts shall be added as appropriate. As these individuals leave the employment of the Jefferson County Courts, the commission's obligation will be reduced correspondingly. As the vacancies are filled, the County's obligation shall be increased correspondingly, but not to exceed the maximum amount set out in paragraph one, above.

3. This agreement is for the State Fiscal Year of October 1, 2016 until September 30, 2017 and will expire at that time.

4. In a timely manner, the A.O.C. will send an itemized bill to the Presiding Judge of the Tenth Judicial Circuit for audit and preparation for payment.

5. The A.O.C. will immediately notify the Presiding Judge of the Tenth Judicial Circuit and the Chairman of the Commission in the event that the A.O.C. receives funding from the Alabama Legislature or any other source for the purpose of paying security personnel and/or additional operating costs of the Unified Court System. Thereupon, A.O.C. and the Commission shall confer and consider a reduction or termination of the Commission's participation herein.

6. This agreement may be cancelled at will by the Commission upon giving written notice to the A.O.C. at least thirty (30) days prior to such termination.

7. It is understood by the parties that Section 11 of Act No. 2004-562, the General Fund Appropriations Act, authorized counties to make donations, gifts or contributions to state departments and other entities to be automatically re-appropriated to such state departments and other entities for purpose or purposes for which the grant or contribution was or shall be made.

8. It is also understood that failure of any entity or official to make the payments set forth, above will result in the layoff (merit) or termination without prejudice (non-merit) of the affected employees.

IN WITNESS WHEREOF, the parties have executed this agreement this 17th day of November, 2016.

NOV-17-2016-966

BE IT RESOLVED BY THE JEFFERSON COUNTY COMMISSION that the Commission President be and hereby is authorized to execute an agreement between Jefferson County, Alabama and Engineering Services Associates in the amount of $12,750.00, as follows:
AGREEMENT TO PROVIDE
ENGINEERING SERVICES FOR THE JEFFERSON COUNTY LANDFILLS FINANCIAL ASSURANCE
DETERMINATION, FY 2015/2016

This AGREEMENT made this 17th day of November, 2016 by and between Jefferson County, in the State of Alabama, as party of the First Part, hereinafter referred to as the COUNTY, and ENGINEERING SERVICE ASSOCIATES, INC., as party of the Second Part, hereinafter referred to as the CONSULTANT.

WHEREAS, the said CONSULTANT has agreed and by these presents does agree with the COUNTY for consideration hereinafter mentioned with payment to be administered by the COUNTY to furnish professional engineering services associated with the LANDFILL FINANCIAL ASSURANCE DETERMINATION, FY 2015/2016.

NOW, THEREFORE, for and in consideration of the mutual covenants hereinafter stipulated to be kept and performed, it is agreed between the parties as follows.

ARTICLE I - SCOPE OF WORK
The CONSULTANT, in the accomplishment of work under this AGREEMENT, shall meet the requirements for conformance with the standards adopted by the Jefferson County Commission and shall ascertain the written practices of the Jefferson County Finance Department prior to beginning any of the work on this project. All work required under this AGREEMENT shall be performed in accordance with these standard practices and any special requirements herein set forth.

SECTION 1 - OBLIGATION OF CONSULTANT TO COUNTY:
The CONSULTANT will provide necessary engineering, reporting, and administrative services as required by the COUNTY to provide information concerning financial assurance costs for the active solid waste disposal facilities for the fiscal year 2015/2016. The engineering, reporting, and administrative tasks will consist of the following activities:
1. The CONSULTANT will determine the COUNTY’S contribution in the Financial Assurance Fund for Landfill No. 1 and Landfill No. 2 as of September 30th 2016.
2. The CONSULTANT will incorporate Santek Environmental’s data concerning the overall and remaining airspace in the two landfills and their estimate of the waste volumes disposed as of the cutoff date.
3. The CONSULTANT will incorporate any in-house data pertinent to this report into the analysis.
4. The CONSULTANT will determine the total required value in the Financial Assurance Fund based upon the estimated costs to close each landfill (using a third party contractor) plus the post-closure maintenance and monitoring costs for 30 years following closure.
5. The CONSULTANT will determine the difference in what the COUNTY has already contributed and the revised COUNTY share.

SECTION 2 - OBLIGATION OF THE COUNTY TO THE CONSULTANT:
It is understood that the COUNTY will:
1. Assist the CONSULTANT by placing at their disposal all available information pertinent to the project.
2. The COUNTY agrees that the format used for the FY2012-2013 Financial Assurance Report is acceptable.
3. The COUNTY will inform the CONSULTANT of what individuals or groups within the COUNTY hierarchy are to be briefed on the results of this study, and what format and venue this briefing should take.
4. The COUNTY will identify a Primary Contact at the COUNTY who the CONSULTANT will report to and coordinate with.
5. The COUNTY will authorize Santek Environmental to cooperate fully with the CONSULTANT in the development of this report.

SECTION 3 - CONFERENCES AND VISITS TO SITE:
1. Conferences will be held at the request of either the COUNTY or the CONSULTANT to discuss matters pertinent to the project.

ARTICLE II - TIME OF BEGINNING AND COMPLETION
SECTION 1:
1. The CONSULTANT agrees to start work on the professional services outlined under Article I of this AGREEMENT within five (5) days after receipt of written notice from the COUNTY to proceed. The COUNTY will not notify the CONSULTANT to commence work until both parties have formally approved this AGREEMENT.
2. Provided that the data furnished by others is done so in a timely manner and is in a readily usable format, CONSULTANT will complete the scope of work as outlined in this AGREEMENT within sixty (60) days, exclusive of County review time, after receipt of the year’s data.
3. In case the COUNTY deems it advisable or necessary in the execution of the work to make any alteration which will increase or decrease the scope of work outlined in this AGREEMENT, the time limits specified herein may be adjusted in accordance with Article IV, Section 1.

ARTICLE III - PAYMENT
SECTION 1 - PAYMENT:
1. For services performed by the CONSULTANT under this AGREEMENT, and as full complete compensation therefor, including all expenditures made and all expenses incurred by the CONSULTANT in connection with this AGREEMENT, except as otherwise provided herein, subject to and in conformity with all provisions of this AGREEMENT, the COUNTY will pay the CONSULTANT as follows.
2. For the work contemplated under Article I, Section 1, compensation will be based on a Lump Sum contract amount of Twelve Thousand Seven Hundred Fifty Dollars, ($12,750.00) as shown below and in Attachment 1 appended hereto. The contract Amount shall be subject to increases or decreases for changes in the Work as provided in Article IV, Section 1.

Total Contract Amount... $12,750.00
The above represents the CONSULTANT’s best estimate of anticipated hours and costs to perform this contract based on a sixty (60) day timeframe. The contract amount will not be exceeded except by formal amendment to this AGREEMENT.
3. Payment shall be made, not more often than once monthly, in such amounts as evidenced by the submittal of invoices by the CONSULTANT to the Finance Department of the COUNTY, and other evidence of performance as the COUNTY may deem necessary. The COUNTY shall make payment to the CONSULTANT within thirty (30) days upon receipt of the payment request by the Finance Department.

SECTION 2 - FINAL PAYMENT AS A RELEASE:
1. The acceptance by the CONSULTANT of the final payment shall constitute and operate as a release to the COUNTY for all claims and liability to the CONSULTANT, his representative and assigns for all things done, furnished or relating to the service rendered by the CONSULTANT under or in connection with this
AGREEMENT or any part thereof provided that no unpaid invoice exists because of extra work required at the request of the COUNTY.

SECTION 3 - OPTION TO RENEW:
1. The COUNTY, at its discretion, may renew this Agreement for the LANDFILL FINANCIAL ASSURANCE DETERMINATION, 2016/2017, and, at its discretion, for the LANDFILL FINANCIAL ASSURANCE DETERMINATION, 2017/2018. CONSULTANT's compensation for these renewals shall be equal to the above Total Contract Amount plus 5% for the first renewal and the above Total Contract Amount plus 10% for the second renewal.

The CONSULTANT agrees to start work on the professional services outlined under Article I of this AGREEMENT within five (5) days after receipt of written notice from the COUNTY to proceed on each of the renewals.

All other provisions of this AGREEMENT shall remain in effect for each renewal.

ARTICLE IV - MISCELLANEOUS PROVISIONS

SECTION 1 - CHANGES OF WORK:
1. If, during the term of this AGREEMENT, additional services are required of the CONSULTANT other than those specified above or major changes in the work become necessary or desirable, the COUNTY may order, in writing, the CONSULTANT to perform such services or make such changes. If the CONSULTANT is of the opinion that the work he has been directed to perform is beyond the scope of their AGREEMENT and constitutes extra work, the CONSULTANT will within ten (10) days notify the COUNTY in writing and receive approval from the COUNTY prior to performing such work. In the event the COUNTY determines that such work does constitute extra work, additional time for completion of contract may be given and payment for the additional work shall be negotiated by Supplemental Agreement prior to work being undertaken by the CONSULTANT.

2. Likewise, during the term of this AGREEMENT any service specified may be deleted and/or reduced at the discretion of the COUNTY. If such deletion or reduction becomes desirable, the CONSULTANT will be given advance notice and an equitable reduction in the CONSULTANT'S fee will be made on a proportionate basis.

SECTION 2 - OWNERSHIP OF ENGINEERING DOCUMENTS:
1. NOV-17-2016-971

BE IT RESOLVED BY THE JEFFERSON COUNTY COMMISSION that the Commission President be and is hereby authorized to execute an Intergovernmental Agreement Establishing the Purchasing Association of Central Alabama, between Jefferson County, Alabama and Pickens County Board of Education as follows:

INTERGOVERNMENTAL AGREEMENT ESTABLISHING
THE PURCHASING ASSOCIATION OF CENTRAL ALABAMA

This Agreement made this 17th day of NOVEMBER 2016, between the County of Jefferson, Alabama, and such other public bodies located within Jefferson County and the State of Alabama as choose to be governed by the provisions of the Purchasing Association of Central Alabama as hereinafter set forth,

WITNESSETH:

In consideration of the premises and the mutual covenants and agreements stipulated herein, and pursuant to the authority granted by the State of Alabama Intergovernmental Cooperation Act of 1969 and under the General Provisions of the public contracts law of the State of Alabama (Code of Alabama, § 41-16-21.1 and 41-16-50), the parties hereto do hereby agree as follows:

SECTION 1
The parties hereto do hereby create, as a voluntary association, the Purchasing Association of Central Alabama, hereinafter referred to as "the Cooperative," for the purpose of coordinating cooperative joint purchases for the mutual economic advantage of its members. The Cooperative shall consist of a representative from each public entity participating in this Agreement. Said Cooperative shall be free to adopt such rules for organization and procedure, as it may deem suitable for the conduct of its business.

SECTION 2
The representative of each participating jurisdiction will have membership on the Advisory Board of the Cooperative, with one vote being allocated to each participant. Each participating unit of government shall determine the manner of selecting its representative; however, it is recognized that personnel with responsibilities associated with the purchasing process are more ideally suited as representatives.

SECTION 3
The parties to this Agreement will identify by way of their membership on said Advisory Board those items and classes of items for which joint purchase may be advantageous for the period commencing with the execution of this Agreement and continuing until terminated, as hereinafter provided.

SECTION 4
The specifications for items to be purchased will be prepared by the Purchasing Department of the Jefferson County Commission (hereinafter referred to as "the County") for use by all members of the Cooperative. Where feasible, the county shall seek input from the other participants to ensure that said
specifications meet the broadest range of needs. Each participating government shall identify the items to be jointly purchased and indicate therein the quantities, or range of quantity desired, the location for delivery and other requirements, to permit the preparation and filing of plans and specifications as provided by law. In all cases where appropriate, the Cooperative shall seek to use standard specifications such as those used by the State of Alabama, the National Institute of Governmental Purchasing, the American Society of Testing and Materials, and other appropriate standards not cited herein.

SECTION 5

The County shall act as the lead jurisdiction for the Cooperative and will assume the responsibility for coordinating and advertising for bids on behalf of the other members of the Cooperative participating in a particular joint purchase. As such, the County shall be designated to receive and open bids on behalf of the other participating governments at the time and in the manner provided by law.

SECTION 6

The County will receive responses to all bids. Not later than fifteen (15) days following the receipt of bids, the County will submit to all participating members a complete tabulation of all bids received and a recommendation as to the lowest responsible bidder. If the County determines that the lowest bidder is not responsible and accordingly certifies that some other bidder has the lowest responsible bid, it will include an explanation and report on its findings along with the tabulation and recommendation.

SECTION 7

Contracts of purchase will be awarded to the lowest responsible bidder as recommended by the County in consultation with its fellow members, except as provided for herein. Each party to this Agreement shall prepare separate and individual contracts and requisitions when providing for procurement of items coordinated through and in accordance with any recommendation by the County.

SECTION 8

Each individual member may reserve the right to disregard the recommendation of the County as to the lowest responsible bid in favor of applying its existing residence privilege pursuant to the public contract law of the State of Alabama (Code of Alabama, §41-16-50). In that event, each member jurisdiction may reserve the right to utilize specifications and bids prepared through the Cooperative and to award contracts of purchase, individually and on its own behalf; provided, however, that invitations for such individual bids are not advertised, nor are awarded within sixty (60) days of the period in which the County is soliciting and awarding bids for the same products and/or services, except in cases of emergency or extreme hardship pursuant to the public contract law of the State of Alabama (Code of Alabama §41-16-53).

SECTION 9

The County will not assume any financial or contractual obligation for any commodities, materials, and/or services for which the County coordinates the bidding on behalf of the Cooperative. Each participating government assumes sole and complete responsibility for its own procurement, delivery, storage, and payment, and will not impose or accept any additional obligations on either the County or any other member of the Cooperative relating to those responsibilities, either by way of this Agreement or by stipulating to its provisions.

SECTION 10

Any dispute arising between any of the parties hereto and a successful bidder not relating to either the validity of the award or contract of purchase or contract of service, or the rejection of any bid or bids
will be settled by and at the cost of that party involved in the dispute and without obligation or responsibility on the part of the County, the Cooperative, or the other member jurisdictions.

SECTION 11
In the interest of the success of the Cooperative, those parties stipulating to this Agreement will be required to remain as members of the Cooperative for a period of not less than one (1) year from the date of inception.

SECTION 12
Any jurisdiction that wishes to terminate its membership in the Cooperative may do so by indicating the same in writing to the Purchasing Manager for the Jefferson County Commission. Members will agree to exercise this option only at the end of each fiscal year of the Cooperative. Likewise, membership in the Cooperative will be terminated automatically upon legal dissolution of any participating entity. However, under no circumstances will any exiting or dissolved jurisdiction be entitled to reimbursement of fees or other funds previously expended for the establishment, operation, or maintenance of the Cooperative.

SECTION 13
To facilitate the success of the Cooperative, the County agrees to install an assistant purchasing manager who will have primary responsibility for contract design and coordination with the other member governments. The total expense of these personnel will be divided among the participating governments. The participating members reserve the right to assess themselves, in proportion to their contribution, based on a fee and formula to be determined on an annual basis.

There is hereby established an executive committee comprised of the chief executive or their designate of each participating entity. The executive committee shall promulgate rules, regulations, and/or bylaws in accordance with the laws of the State of Alabama, for the operation and maintenance of the Cooperative, including but not limited to, the determination of the above-mentioned assessment.

SECTION 14
The members of the Cooperative shall have the power, pursuant to laws of the State of Alabama (Code of Alabama §41-16-21.1 and 41-16-50), to jointly contract with consultants and other such resources as is deemed necessary to provide services authorized by law for the development and realization of the Cooperative’s objectives.

SECTION 15
This Agreement will take effect upon execution by the signatories. Thereafter, additional public entities within Jefferson County and other counties of Alabama, may elect to join the Cooperative by executing this Agreement in the form prescribed by the existing members of the Cooperative, and such execution subsequent to the date herein written above will not be deemed to require re-execution of this Agreement by any party previously stipulating to its provisions.

IN WITNESS WHEREOF, the parties hereto, having obtained the full consent of their governing bodies, have caused this Agreement to be executed by their duly authorized officers on the day and year written above.
