WHEREAS: The ATRIP project application was approved and a total of $1,860,645.70 in ATRIP funds was allocated to the project. The 4th Avenue and Dartmouth Avenue segments advanced toward a letting and subsequently were separated from the McAshan Drive segment in a separate plan assembly; and

The original ATRIP construction cost amount designated for the McAshan project was $454,356.80, and Bessemer had originally agreed to contribute a match of $126,107.00, for the construction costs leaving a shortfall of approximately $700,000.00 based on the new construction budget; and

2) Jefferson County will contribute half of the shortfall up to a maximum of $350,000.00.
3) ALDOT will contribute the other half of the shortfall estimated at $350,000.00 in addition to the $454,356.80 in ATRIP funds. ALDOT will be responsible for the additional $25,000 in engineering costs charged by Volkert on the project for the McAshan portion of the project.

c) An amount equal to 75% of the amount paid by the State toward the cost of State health insurance for either single or family coverage elected by the DDA.

*In accordance with past practice, the County shall include an amount for FICA upon the condition that the County will be reimbursed by the State.

1. By execution below, the Deputy District Attorney hereby authorizes to have his County-provided compensation paid directly to the Office of Prosecution Services and merged with his State-provided compensation and paid to him on the OPS payroll.
