AND RETAINING WALL

THIS AGREEMENT FOR MAINTENANCE OF SEWER LINE (this "Agreement") is entered into effective the 28th day of March, 2016, by and among the undersigned, LEE H. RILEY and wife, KRISTEN O. RILEY (hereinafter the "Homeowners"), the undersigned, JEFFERSON COUNTY, ALABAMA (hereinafter the "County"), and the undersigned, the City of Mountain Brook, Alabama (hereinafter the "City").

W I T N E S S E T H:
The Homeowners own that certain parcel of real property located in the City at 2941 Balmoral Road, upon which they have constructed a residential dwelling (hereinafter the "Homeplace"), more particularly described as Lot 67A according to Riley's Resurvey as recorded in Map Book 240, Page 35, in the Office of the Judge of Probate of Jefferson County, Alabama. The Homeplace is served by the sanitary sewer system owned and operated by the County. The Homeplace is connected to the County's sanitary sewer system by an underground sewer line which extends from the western side of the residential dwelling constructed on the Homeplace and which continues toward the rear property line of the Homeplace, at which point it connects to an existing sanitary sewer manhole, and then extends further to the side property line of the Homeplace (which is the
northeast boundary of the Homeplace), and thence continues, outside of the boundary of the Homeplace, within a sanitary sewer easement, to the County's sanitary sewer trunk line. The approximate location of the sanitary sewer line within the boundaries of the Homeplace is shown on the attached Exhibit A. The Homeowners have constructed a retaining wall along a portion of the rear and side boundaries of the Homeplace, as shown on the attached Exhibit A, which crosses the sanitary sewer line at approximately the point at which the sanitary sewer line exits the boundary of the Homeplace. The retaining wall is situated partially within a utility easement along the rear boundary of the Homeplace. The County and City have agreed that the retaining wall may remain and may be maintained by and at the expense of the Homeowners, or their successors and assigns. The Homeowners have agreed, for themselves and their successors and assigns, that they will be responsible for maintaining the portion of the sanitary sewer line which is situated within the boundaries of the Homeplace. The County has agreed that it will maintain the portion of the sanitary sewer line from the point that it exits the boundary of the Homeplace.

NOW, THEREFORE, in consideration of the foregoing recitals, the mutual covenants and agreements hereinafter contained, and other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged by each of the undersigned, the undersigned do hereby declare, acknowledge and agree as follows:

1. The Homeowners, and their successors and assigns, may maintain, replace and repair the retaining wall, within the utility easement which runs along the rear boundary of the Homeplace as shown on the attached Exhibit A.
2. The Homeowners, and their successors and assigns, shall be responsible for all costs associated with the maintenance, replacement and repair of the retaining wall.
3. The Homeowners, and their successors and assigns, shall be responsible for paying any costs associated with the maintenance, replacement and repair of that portion of the sanitary sewer line which is situated within the boundaries of the Homeplace.
4. The County shall be responsible for paying any costs of maintenance, replacement and repair of the portion of the sanitary sewer line which is situated outside of the boundaries of the Homeplace.
5. This Agreement shall be governed by and construed in accordance with the laws of the State of Alabama.
6. This Agreement shall run with the land and be binding upon and inure to the benefit of the undersigned and their respective heirs, successors and assigns. Upon the conveyance of title to the Homeplace, the obligation to maintain said retaining wall and the portion of the sanitary sewer line situated within the boundaries of the Homeplace shall become the responsibility of the parties to whom title has been conveyed.
7. This Agreement may be executed in counterparts, all of which together shall constitute one document binding on the parties hereto, notwithstanding that all parties are not signatories to the original or to the same counterpart. Original signature pages may be removed from any counterpart and attached to an identical counterpart for the purpose of assembling fully executed originals of this document.
