RE C I T A L S:

4. This Agreement together with the Easement constitutes the full and complete agreement of the parties with respect to the subject matter hereof, supersedes all prior discussions, correspondence and agreements with respect to the subject matter hereof and cannot be modified or amended except by a subsequent written agreement signed by Owner and the County.

CONDITIONAL CONSENT TO ENCROACHMENT
AND RELEASE OF DAMAGES

THIS AGREEMENT made as of the 8th day of September, 2016, by and between JEFFERSON COUNTY, ALABAMA (the “County”) and NJK, LLC (the “Owner”).

RECITALS:

Owner is the owner of real property of Lot 4, Calton Hill at Mountain Brook, recorded in Map Book 239, Page 9, in the Probate Office of Jefferson County, Alabama, Birmingham Division.

Owner has installed a portion of a one story brick building and foundation support, rock facade on side of building, rock steps with brick balustrade and a brick ledge for pavement over or adjacent to an existing sanitary sewer main falling within a Jefferson County sanitary sewer easement (as shown on Exhibit “A”, attached collectively, the “Improvements”), for the purpose of serving Calton Hill Subdivision. Owner and County mutually desire to enter into this Agreement to address the encroachment of the Improvements within the Easement.

AGREEMENT

NOW, THEREFORE, in consideration of the Recitals and the mutual agreements herein, the parties agree as follows:

1. In consideration of the mutual agreements herein, Owner agrees that the County may utilize the Easement for all intended purposes of the Easement, including, without limitation, any installation, repair, maintenance or replacement of sanitary sewer lines (collectively, the "Easement Rights"). Should the County deem it necessary to remove or disturb any of the Improvements in order to utilize the Easement for its intended purposes or exercise the Easement Rights on subject property, the County may do so at any time in its discretion, and the reasonable methodology for installation, repair maintenance or replacement of sewer lines is totally at the discretion of the County and its Department of Environmental Services. If Owners’ Improvements are damaged in any way due to the exercise of County’s Easement Rights, the responsibility for the replacement of Owner’s Improvements or personal property or for any repairs to personal property or the Improvements and the cost of any such repairs will be borne solely by the Owner. Owner fully and forever releases and discharges the County from any and all liability, cost, damage, or expense to the Improvements suffered or incurred by Owner as a result of the County’s exercise of its Easement Rights inside the easement or improvements adjacent to the easement.

2. Subject to the foregoing agreements of Owner and the terms of this Agreement, the County grants Owner a license to continue the requested encroachment and that no other or greater or further improvements or encroachment whatsoever will be allowed. No such past, present or future encroachment whatsoever will constitute an adverse
possession by Owner of the Easement or Easement Rights or constitute any form of waiver or abandonment of all or any part of the Easement or of any Easement Rights.

3. This Agreement shall be governed by and construed in accordance with the laws of the State of Alabama.

4. This Agreement together with the Easement constitutes the full and complete agreement of the parties with respect to the subject matter hereof, supersedes all prior discussions, correspondence and agreements with respect to the subject matter hereof and cannot be modified or amended except by a subsequent written agreement signed by Owner and the County.

5. In the event this Agreement is challenged by legal means by said Owner as a result of the County exercising its Easement Rights as defined in Item number one above, it shall be the responsibility of the Owner to cover any and all fines assessed by U.S. Environmental Protection Agency and the Alabama Department of Environmental Management as well as the cost of the cleanup of any sewage resulting from said challenge/delay. The Owner is also responsible for the cost of any damage to others including but not limited to personal property and bodily injury as a result of said challenge/delay. Furthermore, Owner agrees to pay all court costs incurred by the County as a result of the aforementioned.
