ABOUT JEFFERSON COUNTY & GREATER BIRMINGHAM

A Vibrant Place to Celebrate & Call Home

Jefferson County, located in Central Alabama, is a beautiful region nestled in the rolling foothills of the Appalachian Mountains. With a population of 659,300, it is the most populous county in the state. Its county seat, Birmingham, is a wonderfully diverse city with a metropolitan area that features something for everyone. It is young, traditional, vibrant, friendly, cultured, and complex!

Exceptional Opportunities for Everyone

With the 200th birthday approaching, Jefferson County is proud to serve a vibrant and diverse community rich in history, culture and natural beauty. Jefferson County is home to nationally recognized dining, world-class attractions, parks, events, and other activities to see and do. The Washington Post named Birmingham as one of the best vacation destinations to visit. Additionally, Zagat recently ranked Birmingham number one on the list of America's Next Hot Food Cities. You can enjoy asparagus salad with roasted pecan dressing at an elegant restaurant for lunch and look forward to dinner at a "meat-and-three" serving country-fried steak, collard greens, butter beans and cornbread.

Jefferson County's residents can walk the trails of Ruffner Mountain, the second largest urban nature preserve in the country, frequent the new Uptown entertainment district, sample wine made from local fruit along the local Wine Trail, visit the Civil Rights District, tour the Barber Vintage Motorsports Museum, and enjoy Avondale and Lakeview, two of the newest revitalized, up and coming places to experience. Residents can also enjoy a baseball game at Regions Field and watch the Birmingham Barons run around the bases right in the heart of downtown Birmingham.

The Jefferson County and Birmingham region continues to grow more sophisticated and exude contemporary amenities and hospitality. It is one of the 60 largest metropolitan areas in the country and is a wonderful place to live, work, do business, and play! In fact, in 2021, the city will host the World Games and welcome in thousands of athletes from around the world.

The Heart of Diversity in the Nation

It is diversity that many believe to be Jefferson County's greatest strength and strongest appeal. With Birmingham's role in the Civil Rights movement in the 1960's, this region has blossomed into an area that embraces, values, and celebrates diversity. Residents have an appreciation for progress and cultures, all being a unique part of the charm and character that makes this such a lively and special community. The region's low cost of living, coupled with a high quality of life have created a great place to work, play, and raise a family!

Economic Prosperity, World Class Universities, Research and Healthcare Options

There's an excitement about Jefferson County. This thriving metropolitan region encourages the innovative spirit of progress and expansion, driving the region's economic growth. Home to an economic development program, Innovation Depot supports and cultivates 92 early-stage technology companies, strengthening the local economy. Community partnerships align efforts to foster job creation and bolster the region's competitiveness as a desirable location with a high quality of life. Vibrant banking and education institutions are driving forces in the metro economy. Jefferson County is home to one of the largest banking centers in the southeast, and the University of Alabama at Birmingham ranks in the top 15% of all universities worldwide.

OUR FORM OF GOVERNMENT

County Services

Jefferson County provides vital services to the residents of the county through over 2,500 employees in 26 departments including Finance, Revenue, Roads and Transportation, Information Technology Services, Human Resources, Development Services, Environmental Services, Tax Assessor, Tax Collector, Board of Equalization, plus more. Our diverse group of employees utilizes their knowledge, skills and abilities by working together to provide quality and effective public services to our residents to ensure needs are met. Jefferson County contributes to and strengthens the quality of life of its residents for more economic prosperity!

A Partnership of Elected Commissioners and the County Manager

The County Commission is the governing body of Jefferson County with five Commissioners elected from districts, for concurrent four-year terms. The Commissioners distribute the powers and duties conferred by law upon the County Commission and the members as they deem fit and efficient, and seek to promote the health, safety, and general welfare of the residents of Jefferson County. Jefferson County's daily administration of county government is managed by a County Manager as the Chief Executive Officer.

Mission Statement

Provide exceptional, everyday service through character and competence.

Vision Statement

To be a model local Government that anticipates and meets the evolving needs of the diverse community with energy, character, dedication, and accountability.

Values

- **TRANSPARENCY:** All of the information that is needed is provided through communication that can be trusted among Commissioners, Departments, employees, and the community
- **INCLUSION:** Jefferson County values the diverse viewpoints, perspectives, and backgrounds of all employees and citizens
- **INTEGRITY:** From the top down and the bottom up, Jefferson County acts with honesty, trustworthiness, and integrity
- **INNOVATION:** Every day provides the opportunity to take a fresh perspective on how to best serve the needs of Jefferson County citizens
- **ENERGETIC SERVICE:** Each employee and Department is accountable to providing the highest-quality customer service to our citizens - if you need something from us, consider it done; and
- **SAFETY:** The health and well-being of Jefferson County citizens, including employees, is of paramount importance for each Department and individual serving the County.

Roads and Transportation Department

The Jefferson County Roads and Transportation Department is responsible for the operation and maintenance over 2100 centerline miles of roadway, 280 bridges, 343 signals and related infrastructure including signing, striping, drainage, guardrail and related features. The Department is organized into three sub-divisions: Design, Construction, and Maintenance.

The Preconstruction (Design) group is responsible for the design of a variety of in-house and Federally funded highway design projects. Work includes scoping, preparation of plan sets in accordance with ALDOT and Jefferson County design standards, coordination with utilities, R/W acquisition and support of Construction after bidding. Disciplines include Roadway and Bridge Design, Traffic Engineering, Right-of-Way, GIS, Surveying, Pavement Management and Drafting.

The Construction (Highway Engineering) group is responsible for the administration and oversight of both Federally participating (ALDOT) funded and self-funded construction projects as well as the management and inspection of infrastructure as part of Development Applicants (Subdivisions) and Utility permits. Jefferson County self performs inspection for ALDOT projects in addition to self-funded jobs. Knowledge of Federally funded construction requirements, construction project management, critical path scheduling and contract administration and negotiation are necessary.

The Maintenance group is responsible for the maintenance of Jefferson County owned infrastructure. There are 5 divisions including Bridge, Ketona Camp, Bessemer Camp, Traffic – Signs and Signals, and Special Projects. Jefferson County self performs a significant amount of work including paving, striping, traffic signal maintenance and construction, major structure rehabilitation or replacement and roadway reconstruction. Work is performed in general conformance with ALDOT standards and practices. The Department uses CityWorks for electronic work request tracking and scheduling and reporting. Knowledge of construction standards and practices, including ALDOT construction requirements is important as well as experience with equipment operation, management of fleet, budgeting and reporting skills and experience in working with stakeholders and staff to resolve complex problems.

The Deputy Director of Roads and Transportation directs the day-to-day roads and transportation operations, including construction and maintenance of bridges, repairs to guardrails, maintenance of county vehicles, acquiring property, installing and maintaining signage, planning roadways, bridges, and drainage structures, coordinating funding and disseminating resources to meet strategic objectives, and developing policy guidance within the Department. This individual directs the functional areas or operations of Roads and Transportation, ensures that employees have the necessary resources to accomplish goals, and assists the Director of Roads and Transportation in the execution of his/her authority in planning, organizing, directing, and evaluating the activities of the Roads and Transportation Department.

The Ideal Candidate

Shall Have

- A degree in Civil Engineering (CE) and be licensed within the state of Alabama (or, if possesses an out of state license, able to be licensed in Alabama within six months).

Specific Experience

- Held role with progressive exposure to highway transportation-related work. Must be highway, bridge, federal aid projects, traffic etc.
- Held managerial role within a transportation function.
- Progressive experience managing work groups.

Experience managing a work unit

- Managed a work team or unit (8 or more people).
- Experience as a manager (i.e., supervisory experience).
- Responsible for setting goals and making key decisions at a team or unit level.
- Worked with a budget for a team or unit (Preparation and management of the budget) both for teams and units and for projects.
- Responsible for evaluating the performance of those within a team or unit.
- The Deputies are responsible for managing second and third line supervisors, the experience is really for the division or unit level, as these positions oversee over 100 folks and need strong management skills.

Experience implementing and monitoring work unit strategy

- Contributed to a concrete substantial change effort.
- Supported the development and implementation of a strategic initiative.
- Responsible for managing and delivering results on a high level project at the team or unit level (i.e., more than individual level objectives).

Experience interacting with key internal and external stakeholders

- Experience working in a high stress environment involving multiple constituents.
- Responsible for a team or unit that delivers services to internal and external customers.
- Held roles involving forging positive interpersonal working relationships.
- Responsible for the development and growth of multiple others (e.g., coaching activities, formal mentoring).
- Responsible for delivering complex communications to multiple parties (verbal and/or written).

Experience working in environments that require adherence to high professional and ethical standards

- Exposure to essential work tasks and/or processes in non-profit or government, or in a private organization that has constraints resembling those in the public sector.

Preferred Experience

- Engaged in concrete personal development activities (e.g., formal programs, taking on stretch assignments, integrating a development plan in to daily activities)
- Held roles in which they have delegated important responsibilities to others.
- Have sufficient knowledge, skills and technical ability to be able to provide direction and correctly evaluate the performance of employees and develop effective training plans and manage deficiencies as appropriate.
- Responsible for guiding the implementation of an innovative solution (e.g., organizational process, product)
- Held roles in which they were responsible for resolving conflicts and driving consensus
- Responsible for completing a negotiation at work
- Demonstrates a track record of ethical professional behavior
- Demonstrates a track record of understanding and respecting the practices, customs, and values of people from different backgrounds, perspectives, and cultures
