

Board of Equalization 2022 Protest Request Form

Instructions

- Submit an original form for each parcel protested. One Parcel per form.
- A protest must have justifiable cause and supporting evidence. (recent appraisal, photo, repair estimates, etc.)
- If a 2022 Property Valuation Letter was submitted for this parcel, do not use this form. If an online protest was filed, do not use this form. The priority process for multiple submissions for the same parcel will be as follows: Online filing, Valuation Notice, Protest form. etc.
- You must complete all fields before the OPTIONAL AGENT section and sign this form on the Owner Signature or Business Principal line at the bottom of this form.
- Agents completing this form must have the Owner/Business Principal signature on this form or attach a separate letter of authorization on the letterhead of the business name for each protested parcel.
- 2022 Values are official July 1, 2022; protests are due on or before July 30, 2022
- Valuation period includes market data from October 1, 2020–September 30, 2021. Information provided outside of these dates will not be considered in the protest process.
