SO HOW DID WE DO?

Of this list, Jefferson County will have paved

✓ 41.7 miles of in-house resurfacing
✓ 53.3 miles of contract resurfacing
✓ 8.1 miles of roadway resurfacing, with an additional 7.3 miles of road to be patched and improved using MPO funding match
✓ 4.9 miles of resurfacing using ATRIP funding match
✓ 2.4 miles privately funded development improvements

Totaling over 100 miles of roadway.....
STAFFING LEVEL – JUNE 2015

Departments 5100 - 5700 (not counting Fleet)

There are 153 actively employed personnel, and there are 55 total vacancies in the department.

Out of this total, there are 101 employees between the two maintenance camps, with 40 vacancies just at the camps.

- 9 employees are bridge/concrete/guardrail
- 1 employee is the arborist
- 2 staff each office, and an additional 3 at each camp cover security
- Litter crew

That leaves 71 available for paving (about 35 at each camp).
What does that look like on the organizational chart?
